"N Oregon," is the title of an original poem, by Mrs. Carrie B. Adams, of Terre Haute, Indiana, who is passing the summer in Albany. She has also set the words to music, and the recently organized civic body of Albany, "The Pleasants," are so delighted with it that they have selected it for their official song, and are making efforts to have it become the Oregon state song. The publishers' proof sheets are now out, and the song will no doubt be on sale at the music houses. The words are as follows:

In Oregon the sun is brighter;
In Oregon the clouds are lighter;
In Oregon all hills are lighter;
In Oregon! In Oregon!
In Oregon all hills are lighter;
In Oregon! In Oregon!
In Oregon the skies are bluer;
In Oregon the clouds are lighter;
In Oregon all hills are lighter;
In Oregon! In Oregon!
In Oregon the skies are bluer;
In Oregon the clouds are lighter;
In Oregon all hills are lighter;
In Oregon! In Oregon!

The wedding of Clyde L. Knapp and Mrs. Ida Leichter of the Oregon state training school, occurred Tuesday evening in the presence of a score of friends. The library of the school was decorated with festoons of red and green draped from the sides of the room to a star of lights which was suspended from the center of the ceiling, under which the bride and groom stood. Bouquets of deep red roses adorned the mantle and window seats. The wedding was a complete surprise to the friends who had gathered in their honor. Games and music filled the early hours of the evening, after which the strains of nuptial music announced the coming of the bride and groom, followed by the bride and groom, followed by Rev. Harry Marshall, who performed the ceremony. A banquet followed, during which music by Mrs. Frank Friskey added to the enjoyment of the hour. Mrs. Hale and Miss Ruby Bjork were

responsible for the pleasures of the evening. After the banquet, Mr. and Mrs. Knapp left for Hood River where they will spend their honeymoon.

Mrs. Julia Brass Pinnell was in excellent voice when she sang in the armory Monday for the Memorial day exercises. This was the third time that Mrs. Pinnell has been asked to sing "A Thousand Years," and she has given much pleasure by her rendition.

One of the most enjoyable of church entertainments was the social given under the auspices of the Ladies' Aid society of the First Presbyterian church, Friday evening, in the church parlors. The affair was in the nature of a "hard times" gathering, but this feature was confined, however, entirely to the costumes, paper napkins used at the luncheon and a few other minor details. Boxes, quantities of them of every color and description, were used in every available place, forming a most noticeable contrast to the many grotesque costumes worn by the 70 women present. An impromptu program was given and small fines imposed on those who were unable to contribute some number. The strawberry luncheon was served at numerous small tables, all rose-decorated. Mrs. Marcia L. Tippie was awarded a favor for the complete best in keeping with the social. The committee in charge was composed of Mrs. W. H. Steusloff, Mrs. Ida Niles, Mrs. Hattie Dayton, Mrs. J. P. Griffith, Mrs. Brewer, Mrs. Irving Frizell, Mrs. Ann Esch, Mrs. William Hager and Mrs. Agnes Harding.

THAT TIRED FEELING

Relieved by Hood's Sarsaparilla, Which Renovates the Blood.

That tired feeling that comes to you in the spring, year after year, is a sign that your blood lacks vitality, just as pimples, boils and other eruptions are signs that it is impure; and it is also a sign that your system is in a low or run-down condition inviting disease. It is a warning, which it is wise to heed.

Ask your druggist for Hood's Sarsaparilla. This old standard relieves and true blood medicine, cleanses the blood, gives new life, new courage, strength and cheerfulness. It makes the rich red blood that will make you feel, look, eat and sleep better. Be sure to get Hood's, because it is the best. There is no other combination of roots, herbs and herbs like it—no real substitute for it—no "just-as-good" medicine.

"I never did more than polish their nails," she said, "and she holds her legs under the table in such a position that she polishes their knees, too."

NEW CLUB MEMBERS URGED TO INDICATE DEPARTMENT FAVORED

Election of Board of Directors of New Club To Be Held at Once

As soon as the applications for membership in the new commercial club are received, blank forms as shown below are sent out to the applicants requesting them to fill in information as to the name of the firm, address, telephone number, etc. At the foot of the form space has been provided in which the new member may indicate the departments in which he is principally interested.

The reorganization committee urges all new members to be sure and return these blanks properly filled out as soon as possible, and to indicate without fail in which departments they wish to take active part by inserting the numerals 1, 2, and 3 in the spaces provided for that purpose on the foot of the blank, placing the figure 1 behind the name of the department in which they are most interested, and then indicating their second and third choices by the numerals 2 and 3 properly placed after the names of the other departments.

Many of the above mentioned blanks have been sent out and have not yet been returned, and thus the work of completing the re-organization is being retarded.

This is the first opportunity for the members to co-operate in the work of the new organization and those in charge of the re-organization work hope that the members will respond promptly for the above mentioned reasons.

Meetings of the Tourist, Publicity and Conventions department, and the Taxation & Legislation departments of the new Salem Commercial club have been called for Thursday, June 3rd, at 8:00 p. m.

The Tourist, Publicity and Conventions department meeting will be held in the auditorium of the club rooms, and the meeting of the Taxation and Legislation department will be held in the reading room.

Three or more names are to be nominated from the floor of these meetings for a director from that department who is to be one of the eleven directors on the general board of directors of the club.

After the nominations have been closed, a vote will be taken and the director receiving the highest number of votes will be declared elected director from that department.

It is anticipated that these meetings will be largely attended and that a great deal of interest will be shown in the election of the directors from the different departments, as the future success of the club depends to a great degree upon the proper selection of these directors.

As has previously been explained, each director thus elected from a department, will be the managing head or the director of that department and will select four other members from that department to work with him in the administration of the work of that department.

The meetings of the Agricultural, Industrial, and Civic departments will be held on the evening of Tuesday, the 8th, at 8:00 p. m. in the club rooms; the Agricultural will be held in the billiard room, and the Civic in the reading room.

The meetings of the Social and Mercantile departments will be held on the evening of Thursday, the 10th, at 8:00 p. m., the Mercantile department meeting in the auditorium and the Social department in the reading room.

The above dates have been chosen so as not to interfere with the affairs of the Chambers, which are being held on Monday, Wednesday and Friday of each week, prior to the Rose Festival.

A general meeting of the entire membership of the club has been called for Tuesday, June 15th, at which time a president, vice-president, secretary and treasurer will be nominated from the floor and elected by ballot. This meeting will be called at 8:00 p. m. in the auditorium of the club and in addition to the election of the foregoing officers, the election of the directors, as previously stated, will also be held, and will be held by the various departments, and will also vote on the proposed amendments of the constitution of the club, which are necessary to perfect the re-organization of the club in accordance with the recently approved plan.

Each new member is sent the following blank:

PLENTY OF STYLES And NOT A BAD ONE IN THE LOT

The style and quality excellence of our goods makes them, at their most reasonable prices, the best bargains in the city. Our tailor never fails to satisfy the most critical dresser. It doesn't make any difference how much a man has shopped around, for we realize he needs our woolsens for the fact that they are the standard of excellence in quality and in price.
