Motor Party From Arkansas Through Salem This A. M.

A party of motorists from Pine Ridge, Arkansas, which were evidently making the tour northward from San Francisco, passed through Salem on the way to Portland at 8 o'clock this morning, barely hesitating long enough to inquire their way through town. Their stop was so brief that it was impossible to secure the names of the tourists, but there were four men in the party and the machine looked as though it had traveled a great distance during the night.

Cincinnati Times-Star: To judge from the pictures, Champ Clark made an excellent June father-in-law.

Germany Will End War When Warsaw Is Taken

San Francisco, July 12.—"I am in the possession of confidential advices from Berlin that Germany military authorities are very confident that the war will end within a year provided the Russians give up Warsaw," said Henry Urban, a noted German editor who is here as Germany's representative at the International Press Congress which closes today. "If the Germans fail to take Warsaw within a short time, we fear the war will last at least two or three years more."

Urban declared the United States is saturated with anti-German thought.

PREPARING FOR BIG PEACH CROP.

Beck Bros. are anticipating a large and fine crop of peaches from their Abiqua peach orchard. Their varieties are the early Crawfords and the Muir. They are figuring on between eight and nine thousand crates. The label they have adopted to mark their product is a very attractive lithograph which would almost make one's mouth water to look at it, and the best part of it is the peaches when ripe will taste fully as good as the labels look. They have 16½ acres of bearing trees and have on hand a ton of wrapping paper and a carload of crate lumber. The fruit is coming on fast and will soon be on the market.—Silverton Appeal.

New Orleans States: The salaries of members of the Illinois legislature have been raised from $2,000 to $3,500, but it is too much to hope that Illinois will elect legislators who are worth the money.
