NOTICE FOR BIDS

Notice is hereby given that the City Recorder of the City of Salem will receive sealed bids for the furnishing of the material hereinafter described for use in the construction of a certain reinforced concrete bridge to be built by the City of Salem at the intersection of 14th and Center streets, on or before the 29th day of July, 1915, at 12 o'clock noon, all bids to provide for the delivery of such material at the point where said bridge is to be constructed. Material required is as follows: 27,000 pounds re-enforcing steel as per items contained in the plans and specifications; 23,000 square feet re-enforcing steel fabric; 200 cubic yards No. 2 crushed gravel; 100 cubic yards concrete sand; 35 yards bank gravel; 35,000 feet of lumber dimensions and ship lap; 275 barrels Portland cement.

BISURATED MAGNESIA

Tasty, nourishing foods may become like poison when the chemistry of the food proves antagonistic to the acids and gases of the stomach. This is the usual cause of intense distress after eating. No elaborate dosing of medicine is necessary to secure relief. Bisurated Magnesia, taken in a glass of water after meals, instantly relieves the digestive organs of their burden, takes away all discomfort and prevents serious stomach disorders. Obtainable in either powder or tablet form at all druggists everywhere. Bisurated Magnesia, No. 23 E. 26th St., N. Y. C.

Government Monopoly of Munition Factories

Washington, July 15.—A government monopoly of the manufacture of small arms was authorized by Congress today. The measure was passed by the House of Representatives. It is a significant step towards the control of the arms industry. It is a great achievement. It is a great victory. It is a great triumph.

The Two Factors

and the most potent and supreme in any line of business, but more especially with us is the quality of our meats and the low prices at which we sell. Upon these two factors we have a firm grasp and we take care to provide our customers with the choicest varieties at very low prices.
