MOUNT ANGEL NEWS

Conductor M. Bernard of the W. V. S. Ry., is taking a vacation and is attending the B. of R. T. meeting at Portland.

Edmund Zollner went to Portland last Friday, where he has a position as traveling salesman for a wholesale house.

Hop growers in Mt. Angel say that picking in some yards will be commenced during the latter part of the month.

Henry Sanford was taken to Portland Sunday and on Monday was operated upon for appendicitis. He was a very sick man when he left.

Miss Kate Limbach, who was operated upon last week at St. Vincent hospital in Portland by Dr. Webb, of this city, is doing nicely and will be home soon.

Mr. Bauman was appointed recorder at a recent meeting of the council to fill the vacancy caused by the illness of N. P. Smith, who is now in the hospital at Portland.

Mrs. M. Oswald, Otto and Anna Oswald, John Friedman and Miss Anna Bronkey left for the fair at San Francisco last Saturday. They will be gone several weeks.

P. N. Smith, who has been in the hospital at Portland for some time, is reported some better. His underwent another small operation Monday.

A. L. Cannon, the florist, has purchased the stock of second-hand furniture store from Jens Jensen, and moved the stock to a building of his own near the green house.

Just before going to press we learn of the death of A. J. Zimmerman, a pioneer of Mt. Angel, who died at his home here Wednesday night at the age of 80 years. Obituary will appear next week.

Mr. and Mrs. J. J. Keber entertained a party of young people at their home Saturday evening. A musical program rendered made it a happy occasion. Light refreshments were served.

J. W. Ebner sold a complete threshing outfit one day last week to Wm. Bird, Isaac Sharp, Clarence Vaters and Albert Olson, of Wilhoit. It is a beautiful and modern outfit. A six-horse power gasoline engine furnishes the power.

J. W. Ebner went out to his brother's hop yard Sunday to get an idea of the hop conditions in this vicinity. He says he saw more lice in that yard Sunday than he has seen in all the 25 years he has lived in Oregon.

T. R. Hough has purchased the restaurant from Jacob Scharbach, located on Charles street, and took possession Saturday morning. Mr. and Mrs. Hough are competent restaurant people and will make a success of the new undertaking without a doubt.

Mr. Hitching and family, who started for Idaho in an emigrant wagon, came back Saturday to get a new start. They went only a short distance the first time when Mr. Hitchings and his son secured work on a farm. They departed again Sunday and at last reported were in McMinnville.

The car spoken of a week ago containing trout fry will arrive in Mt. Angel Saturday evening and will remain here until Sunday. People interested in the distribution of the same are urged to be on hand at an early hour Sunday morning with automobiles and teams and help place the trout fry in the streams in this vicinity.

A couple of hop growers were discussing the hop conditions Tuesday and one of them remarked: "My hope won't amount to anything this year—the lice are eating them up as fast as they can—but I'm not talking it around much, because it will hurt my credit at the stores." Some logic in that, isn't there?—Tribune.

BURTON IN PORTLAND.

Portland, Ore., Aug. 16.—The sights of Portland and vicinity were being seen today by Theodore E. Burton, former United States senator from Ohio, who accompanied by his secretary, is en route to the California exhibitions.

Burton discussed politics generally, but when the subject of his being a presidential possibility was broached he immediately sidestepped the subject. The distinguished Ohioan will leave for San Francisco tomorrow by the Great Northern Pacific steamer.

Loganberry Juice Goes To Eastern Markets

The Oregon Fruit Juice Co. yesterday shipped its second car of loganberry juice. The first car, shipped several weeks ago, went to New York city for distribution in the eastern states, while the car shipped yesterday was billed to Chicago, to be distributed in the middle west. The weight of the shipment yesterday was 61,000 pounds, put up in bottles from two ounces to one gallon. The total number of bottles in the car was 37,204. The plant is now busy filling orders in less than car lots to points on the coast. From all reports, the new beverage is meeting with the approval of the public in general, and this is especially true from the cities on this coast, where loganberry juice is sold by all drug stores. Those who are pushing the different brands of loganberry juice feel that it is but a question of educating the public to this delicious drink, and when this is once accomplished its future is assured.

At the banquet to be given to the state buyers now in Portland by the Commercial club this evening, 500 bottles of the juice will be served. These bottles will be of the four-ounce size. Not only is the loganberry juice receiving the attention of the plants here, but the evaporated berry is being pushed, and is now shipped in a carton more attractive than any cereal or breakfast food. According to H. S. Gille, president of the Oregon Fruit Juice Co., his company will ship within a few weeks a carload of the evaporated berry, packed in the eight and 15-ounce cartons.

Just as an advertising placard for snow windows, the company here are sending copies of the famous cartoon of the San Francisco Chronicle, showing William Jennings Bryan with a large bottle of loganberry juice, labeled, "His New Love."

A MERCILESS JUDGE

One Who Shows No Favor. A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Salem resident has withstood this sternest of all tests.

A. J. Wood, 733 North Front street, Salem, says: "Kidney complaint got so bad in my case that I knew I would have to check it or suffer more serious results. Just after getting up in the morning, the complaint was worse. I had heard of Doan's Kidney Pills doing good work in similar cases. I began using them. In a short time I was free from kidney complaint. I have never had a sign of kidney complaint since."

A Permanent Cure. More than six years later, Mr. Wood said: "I have never had a return symptom of kidney complaint since Doan's Kidney Pills cured me. I willingly confirm my former endorsement of this medicine."

Price 50 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Wood has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

PRIVATE SOLDIER DROWNED.

Seattle, Wash., Aug. 16.—Stricken with heart trouble, it is thought, as he and a friend were attempting to swim Ostrich bay, near Bretonton, Private P. E. Sweeney, of the Puget Sound navy, found marine corps, is dead today of drowning.

Sweeney sank within sight of 30 picnickers, but rescue came too late. Sweeney's home is in Massachusetts.

Rancher's Body Found and Slayer Is Sought

Bandon, Ore., Aug. 16.—Believed to have shot from ambush and killed Albie Whitman, as the result of a school district feud, R. B. Neff, of Lakeport, is being hunted by a posse today. Neff, before Whitman was killed, shortly attacked Charles Walker, a school teacher, but was disarmed by the latter. Neff then fled.

Whitman's body was found on his ranch, a rifle wound in his head. Suspicion pointed toward Neff not only through his attack on Walker, but by the fact that he left a note in his home stating that he expected to die soon and that \$600 was on deposit in a Bandon bank to insure him a decent burial.

After being disarmed by Walker, Neff is known to have returned to his home and secured a revolver and shotgun. It is believed he will resist capture.

Henry Hepner today filed an answer and cross complaint in the suit for divorce filed by Della Hepner, some time ago in the circuit court of this county. In his complaint Mr. Hepner states that they were married in this county in 1913 but that Mrs. Hepner deserted him June 23, 1914. He alleges that certain physical qualifications on the part of Mrs. Hepner caused discord and that he filed a suit for divorce in the circuit court and after hearing the evidence in the case the case was dismissed by Judge Galloway. He states that the plaintiff in the suit has misrepresented his fortune and that he has property only to the value of \$8,000 and that he gave her a total of \$1,150 as alimony. Grant Corby is attorney for Mr. Hepner.

A suit for divorce has been filed in the circuit court of this county by J. W. Evans against Alice Evans. Unruh & Macy are attorneys for the plaintiff.

In an answer filed today in the suit brought by E. Ray against W. L. Freres, the defendant admits that he purchased land from the plaintiff at \$4,000 and paid \$1,000 down on the purchase price. He further alleges that he erected an other story on the property at a cost of \$2,000 and that he paid the interest and taxes on the property according to the agreement. Accordingly he claims an equity in the property of \$4,015.75 and asks that the time for the payment of the balance of the purchase price of the property be extended for a period of 12 months. S. H. Helzel is attorney for the plaintiff.

An inventory and appraisal filed in the county court today in the matter of the guardianship of Lizzie Bilyou, an infirm person, shows that she is possessed of real property to the value of \$2,180 and notes and cash bringing the total up to \$13,706.80 for the value of the entire estate. PYTHIANS TO CRATER LAKE.

Monday night the K. of P. lodge chose the lucky Esquire who is to go to Crater lake to take the rank of knight put on by the Klamath Falls and Medford lodges on Wizard island, in Crater lake, August 18. By method agreed on by the four candidates, the choice was made and Clare Snyder was the lucky man. Clare's expenses in full will be paid by Marmion lodge, of Dallas, and we venture to say that he will come back from Crater lake a very enthusiastic knight. Surely he will receive his rank in a much more impressive manner than any member of this lodge in Dallas.

Quite a large delegation from Marmion lodge is planning on making the trip. Some are going by auto and some on the train. The schedule by auto takes an entire week, from Saturday, August 14, to Saturday, August 21, and

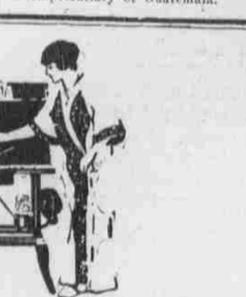

CARRY STOMACH JOY IN YOUR VEST POCKET

Daniel J. Fry Has Such Faith In This Dyspepsia Remedy That He Guarantees It.

One of the greatest successes in the sale of medicine has been achieved by Mi-o-na, the standard dyspepsia remedy, and its sale is increasing so rapidly that Daniel J. Fry, the popular druggist, has had work to keep a stock on hand. It is very popular with bankers, ministers, lawyers and others where business or profession keeps them closely confined, while those who have brought on indigestion through irregular eating, worry, or other causes, have found relief in this reliable remedy.

Mi-o-na comes in tablet form and is sold in a metal box especially designed for convenience in carrying the medicine in the pocket or purse. It is pleasant to take, gives quick relief and should help any case, no matter of how long a standing. This remedy has been so uniformly successful that Daniel J. Fry will in future sell Mi-o-na under a positive guarantee to refund the money if it should not prove entirely satisfactory. No other dyspepsia medicine ever had a large enough percentage of cures so that it could be sold in this manner. A guarantee like this speaks volumes for the merit of the remedy.

There is no time like the present to do a thing that ought to be done. If any one has dyspepsia, today is the best time to begin curing it.
