PUGILISTIC WORLD WAITING FOR CHAMPION

Middle-Weight Title In Muddle —Several Names Are Mentioned

(By George B. Holmes.)
(United Press Staff Correspondent.)
New York, Aug. 25.—All things come to those who wait. It's an age-old adage, apparently one that has a little truth concealed about its person.

The pugilistic world has been waiting, lo! these many years for the clouds to roll away from the middleweight tangle and reveal a champion. In a seemingly unending procession Eddie McGoorty, Jimmy Clabby, Mike Gibbons, Jack Dillon, Al McCoy, George Chip, Young Abarau and scores of other names have passed before the assembled multitude and then faded, bickering and quarreling, into the background.

But by this time next month there should be a middleweight champion for the public to shove its shanks through the wicker gate to see. According to the old reliable dope the championship lies between three men—Mike Gibbons, Puckey McFarland and Lee Darcy. Who is that guy? He's the guy that put the sleep-kick on Eddie McGoorty's chin down Australia not long since, thereby winning for himself at least consideration.

There won't be much dispute about the winner of the McFarland-Gibbons quarrel being considered the classiest thing on the middleweight shelf. But how he's going to get away from a meeting with this Darcy person is hardly visible. McGoorty for a long time has been considered one of the few real claimants to the championship, and in some parts of Wisconsin he has been considered the champion. Therefore, the man who can put him away should be not lightly considered.

The field has practically narrowed down to these three. George Chip is the age 17. Young Abarau is a mile too heavy, and besides, he's going where there is some real fighting, and no weight bickering—to Europe. Jimmy Clabby should have been into the argument somewhere, but seems hasn't displayed his wares for several months, and in his last few times out he didn't win a lot of glory for himself. That leaves Al McCoy and Jack Dillon. Al admits

he owns the championship now, as a result of his hauling a knockout on George Chip. Al is about the only one who does admit it, however. His action of the ring are about the only thing that stop him a champ—he seldom fights and he demands big chunks of money when he does.

If Jack Dillon could still make 155 pounds and be strong, he'd have to be considered in this thing all the way. But he can't, at least he hasn't for months, and doesn't seem to care to.

Why not have the winner of the Puckey-Mike affair meet this Darcy and settle it all. Then there'd be a real champ in every department for the first time in many years.

Montreal is making a bid for the pugilistic spotlight. Twenty-round battles to a decision are going to be allowed there before it comes time to put on your gloves.

Word from Walter Burke, formerly manager of several fighters, was that he had secured permission from the city authorities to stage marathon events, and he has taken over the Hochelaga A. A. there with prospects for a good season.

Montreal in wartime, with most of the men at the front, doesn't look like an especially alluring field, but Burke is confident he can put it over. The club could draw some patronage from New York for a championship affair, but it's too far away for Gotham sports to travel to see the smaller fry, especially if they're going to see decision fights here.

Tennis Fans Enthused.
Southampton, N. Y., Aug. 25.—Tennis fans today were still discussing the playing of the Californians in yesterday's round of singles for the Meadow club cup. The work of Ward Dawson, Clarence N. Griffin and William M. Johnston was the outstanding feature of the day's play. All won in straight

Annual National Golf Amateur Championship

New York, Aug. 25.—Many golfing stars of other days will not be seen in action when the annual national amateur golf championship begins on the Detroit Country club links next Saturday.

It will be the first time since the American championship was established that Walter J. Travis, twice title holder and once champion of England, has not participated.

Fred Herreshoff, Oswald Kirkby, H. Chandler Egan, Finlay Douglas and W. C. Fowkes also failed to enter. Harry K. R. Davis, of San Francisco, recently pronounced by Gilbert Nichol, as the "longest driver in the world," will not come east for this event.

There are 128 entries. The elimination round will be played Saturday, and the qualifying and match play rounds next week.

M'Farland Is Training.
Chicago, Aug. 25.—Jacky M'Farland is paying close attention to his hands in his training for his match with Mike Gibbons at the Brighton Motorrome, New York, September 11. As his one concern is to enter the ring with all the knuckles in place and the confidence that they will stand all he will give them, it is apparent that he does not propose to make a running match of the Gibbons bout.

Change Coaching System.
New York, Aug. 25.—The entire system of coaching the Pennsylvania state football squad will be changed this season. For this reason Charley Brickley, former captain of Harvard, has been named assistant to Dick Harlow, chosen to succeed Bill Hollenbeck, it was announced today.

Benton Now A Giant.
New York, Aug. 25.—Rube Benton, formerly of the Cincinnati Reds, is today once more legally—basically speaking—a member of the New York Giants. Benton was awarded to the Giants by the National league directors, who decided that Cincinnati must pay back to Pittsburgh the money paid by Pittsburgh to Benton.

Wolverton Given Free Hand.
San Francisco, Aug. 25.—Harry Wolverton has been given carte blanche and don't be surprised if we land some new material within the next day or so," said Henry Berry, Seal owner, as he left today for the mountains to spend his vacation. Berry wired Manager Wolverton last night, telling him to "go as far as you like in getting players, regardless of the cost."

Rumored Cobb Sale.
Detroit, Mich., Aug. 25.—Ty Cobb today denied that he had any knowledge of an offer purported to have been made to him by the Federals. The story asserted that Cobb was offered \$100,000 for a three-year contract.

Ritchie Wants Match.
Milwaukee, Aug. 25.—Willie Ritchie

is seeking a match with Charley White. Ritchie will be here the latter part of the week to confer with his manager.

Watching the Scoreboard

Vernon got enough in the first to win, but the Seals' rally in the closing stanza scared Dr. White so he sent Percy to the rescue of Iowanier.

Guy Fisher met the mud ball and it was his. He knoched it over the fence at Portland while Jack Ryan, the master muddist, stood agape and Portland beat Los Angeles 3 to 2.

Oakland didn't start playing ball until the ninth, and by that time the Bees had the game in pickle.

Lefty Williams signed 10 Oakland swabbers to match the atmosphere. Braves assassinated Pirates 10 to 0, making a clean sweep of the series. They sent the stretcher bearer in after Cooper in the fifth after he had been hit nine times for seven runs.

Red Sox snatched the first game in what may prove the American league's deciding series, beating Detroit 3 to 1.

Three hits in the first gave Boston a three-run lead, and the Red Sox kept very holding kept the Tigers from forging to the front until the last man was called out.

JACK NESS SLUMPS BADLY
San Francisco, Aug. 24.—After having set a new world's record for consecutive hitting the batting lumps of Jack Ness have dimmed and he is now in fourth place in the list of sluggers of the Coast league.

Bunny Brief, of Salt Lake, is leading with an average of .377. Harry Heilman, of the Seals, and Harry Wolter, of Los Angeles, come next with averages of .365 and .361. Ness has an average of .360. This is a slump during the week from .367.

PORTLAND NEWS ITEMS.
Portland, Or., Aug. 25.—Art Bartholomew, a bush catcher of this city, was signed by Manager McFriede today. He will probably not be used this year, unless one of the regular catchers has to be out of the game.

Portland, Or., Aug. 25.—Conscience stricken, James Donovan, aged 29, a stenographer, surrendered to the police this afternoon, confessing that he took \$250 from the Texas Oil company in New York City recently. Donovan was employed by the concern.

RECEIVER IS APPOINTED.
The extensive plant and the business of the Falls City Lumber company at Falls City are in the hands of a receiver, R. L. Sahin of Portland, whose appointment was made for the benefit of the company's creditors, says the Polk County Observer. Yesterday morning J. Goldsmith, representing the receiver, arrived at Falls City from Portland and at once began an inventory of the store stock, following the completion of which an inventory of the lumber in the yards will be taken. It is understood from an authoritative source that the receivership does not include the timber owned and bonded by the company.

Capital Journal Only Complete Paper Sold

The Capital Journal is the only evening daily published in Salem that is a complete newspaper. The Portland papers peddled here are printed in the forenoon about 11 o'clock, are simply the regular edition of the day before with some changes on the first page. They are only extras made up for street sales and out of town circulation, making no pretense to being real newspapers.

The Capital Journal on the other hand, contains the complete leased wire service up to 3:30 p. m., which is 6:20 p. m. in New York, and past midnight in Europe, the seat of the great war. It also contains all the local news of Salem and surrounding territory that is worth while. It is a complete afternoon newspaper and the only one circulated in Salem. When you pay your money for a Portland evening paper here you are merely being "faked" into buying a cheap extra with big headlines on the first page and yesterday's news everywhere else.

The Capital Journal sells on the street for 2 cents. Pay no more.

Ocean Waves Sing Lullabys That Tempt Visitors to Stay Longer Than at Any Previous Season

(By Lamar Tooze.)
Newport, Ore., Aug. 25.—Reports from Oregon beaches are to the effect that the present season is the longest in years. And Newport is no exception. Contrary to early predictions that the San Francisco fair, hop-picking, the commencing of public schools and other counter attractions would cause a noticeable slump in Newport's beach population, this resort is witnessing as large an influx of visitors as at any time during the present season. The arrivals still exceed departures by a good margin, and the number of seasonal residents who have expressed their intention of remaining well into September is considerable.

The good weather is the reason for the extended season. Newport has never seen its equal for years. The days for the past month have been ideal. Life here has been a real pleasure to visitors. Many have been the excursions, beach parties, "hikes," and other equally attractive diversions during the past few weeks. Should the fine weather continue for three or four weeks longer there seems to be a strong probability that September will see a slight diminution only in the size of the beach crowd.

The diversions of Newport, as at any other resort, are about the same every year. But this season has been characterized by much greater activity than is commonly the case. Such attractions as the nightly band concerts at Newport proper and at Nye Beach have gone a long way toward instilling interest.

Sunday's excursion to Newport brought 600 people from Portland, Salem and other Willamette valley cities. This was the largest of the season.

Mr. and Mrs. George T. Gerlinger and daughters, of Dallas, drove to Newport Saturday, remaining until Monday. Mrs. Gerlinger is a member of the board of regents of the University of Oregon.

Miss Vera Martin departed last week for Salem, after passing an enjoyable outing at Cherry City.

James Church and family, of Salem, registered at the Hotel Kelly Saturday.

Mr. and Mrs. George F. Rodgers and daughter, Margaret, left Saturday noon for their home in Salem after passing two weeks at the Damon, Nye Beach.

A picturesque visitor in Newport at the present time is "Battlesnake," Jim, a Swiss globe-trotter, who has visited most of the countries of the world. "Jim" makes a specialty of visiting colleges, and during the past few months has been at all of the larger institutions on the coast, including the University of Oregon and the Oregon Agricultural college.

Miss Carolyn Dick, of Salem, who was at the Damon for several days, left

Saturday for her home.

Miss Marie Hamilton, the attractive daughter of Judge and Mrs. James W. Hamilton, of Roseburg, will leave shortly for Roseburg. Her parents will not return home for 10 days. Miss Hamilton intends to enter the University of Oregon next month with the freshman class.
