CAROL S. DIBBLE.

The United Artisans held their annual picnic last evening at Hall's grove in Salem Heights. The ladies of the order went out to the picnic grounds in the afternoon and prepared the way for the hungry arrivals of the evening. The surroundings were well adapted to a picnic gathering of that size, there being a number of scattered benches, tables and swings throughout the grounds. The hundred or more Artisans made a merry evening of the occasion, singing and playing various games, after the fashion of care-free picnickers. The Artisan girls and their friends are planning another picnic in the near future.

Miss Emmaline Klein is spending the week-end in Portland as the guest of her sister, Mrs. C. L. Thilber.

Miss Winnifred Byrd is expecting Mrs. A. Wilson and her daughter, Miss Eunice Wilson, to arrive from Boston this week. They will be the house guests of Miss Byrd during their stay in Salem.

The Lee Steiners have returned from a two months' outing spent at Neskeo.

Mrs. Robert Frey and daughter, Mary, have arrived in Salem from Pasadena, Cal., to spend several weeks at the Z. F. Moody home on Court street. Mrs. Frey, who has often visited in Salem, has a large number of friends here who will be glad to hear of her return this summer.

The H. C. Schultzs are entertaining their cousin, Laver Schultz, of Postville, Iowa, at their home on North Twenty-first street. Mr. Schultz will visit in Salem for several months.

Miss Zaiden Palmer, who has been seriously ill at her home on Chemoletta street, is improving rapidly, and her many friends are looking forward to her complete recovery in the near future.

Mrs. George Gerlinger, of Dallas, regent of the University of Oregon, has just returned from a month's trip in the east, where she visited various colleges, universities and institutions of learning, gaining new inspiration and ideas. Mrs. Gerlinger will be one of the principal speakers of the state convention of the Oregon Congress of Mothers, which will be held in Corvallis October 20-23. Mrs. Gerlinger is one of the most prominent clubwomen of the state and is socially popular in Oregon and in California.

Mrs. C. P. Bishop left for San Francisco last night, where she will join her husband, Senator Bishop, who went to the fair some time ago to take charge of the Penitentiary Warden Mills exhibit. Mrs. Bishop does not plan to return before early winter.

Mrs. S. M. Endicott and daughter, Miss Genevieve Endicott, have returned from a two weeks' trip at the Panama-Pacific exposition.

Frederic S. Mendenhall will return next week from an outing spent on the Sound. On September the sixth Dr. and Mrs. Mendenhall, formerly in the college of music at Willamette university, will open private studios. Mr. Mendenhall will conduct classes in piano, organ and theory, while Mrs. Mendenhall will teach voice culture. The numerous friends of Dr. and Mrs. Mendenhall will be glad to hear of their intentions to remain in Salem.

Mr. and Mrs. G. W. Holson and Mr. and Mrs. W. H. Welch are spending a short outing at Crater Lake.

The regular meeting of the south circle of the Christian church was held on Wednesday at the home of Mrs. Steven Wolf. The afternoon was passed with music and needlework, the ladies making preparations for their bazaar.

Miss Paula Lian is spending a few days as the house guest of Mrs. R. C. Callin on her return from California, where she attended the exposition.

Mrs. F. L. Stewart has returned to Salem after spending several days in Portland.

Mrs. C. S. Riley, of New York City, and daughter, Corinne Barker, who have been visiting Mrs. Riley's brother, R. H. Savage, will return by way of San Francisco, via the Shasta limited, this evening.

Chet Geer is in the city today, from Silvertown.

Christ Schuman will leave tomorrow on the steamer Great Northern for San Francisco.

Jones, secretary of the state fair, headed the party and met with the board of directors of the Lane county fair association during the evening. The other members of the party were Mrs. Jones, Mrs. W. H. Dancy, Mrs. M. J. Creighton—Eugene Register.

## Nebraska Society Picnic At Fair Grounds Yesterday

About 200 members of the Nebraska society participated in the annual reunion of former residents of that state, held at the fair grounds yesterday. Following the noon luncheon officers for the ensuing year were elected, with E. H. Ryan, president, and Miss Benn Schott, secretary. Mrs. A. Johnson will have charge of the entertainments of the society and Mrs. William Sorrell, the refreshments, each being elected chairman of those committees.

J. E. Pettyerew will act as chairman of the committee on arrangements, and like other chairmen, was given permission to name their full committees.

The program for the afternoon consisted of an address by President R. H. Ryan, followed by a recitation by Miss Mabel Rickett. Hebel's Cherry Bud band did their share in the afternoon's entertainment. Mrs. William Sorrell gave a recitation, Henry Schott told of his foreign travels and Mrs. A. L. Johnson read a poem entitled, "Oregon Is Good Enough For Me," written by J. A. Suter, of this city.

It was a reunion enjoyed by all and it is the intention of those in charge to make the next meeting an important event in the lives of former Nebraskans.

## Bishop Shot By Priest At Wmونا

Wmونا, Minn., Aug. 27.—Bishop Patrick Heffron, of Wmونا, was shot twice here today by Father Aloysius Lesches. The shooting occurred in the library of the Catholic bishops' home. His condition is serious, but there are hopes of Bishop Heffron's recovery, barring complications.

The decision of Bishop Heffron not to send Father Lesches to any further appointments is believed to have been caused by the shooting. The priest is said to have been regarded as unreliable by the bishop and recent failures caused him to decide to withhold appointments from Father Lesches. One bullet fired by Father Lesches penetrated Bishop Heffron's lung and a second grazed his skull. Physicians summoned to attend the bishop said they could not say whether the wounds were likely to prove fatal.

Father Lesches is generally believed to be demoted. Following the shooting he barricaded himself in his room. The sheriff and chief of police forced the door and breaking their way into the room with drawn revolvers, quickly seized and overpowered him. The priest was then taken to the county jail.

## Murderer Hanged At Falsom Prison

Folsom Prison, Cal., Aug. 27.—Frank Grecks was hanged here at 10:09 o'clock this morning. In nine and one-half minutes after the drop fell Grecks was pronounced dead.

Grecks was very weak when he walked upon the gallows. His face was very white and he was supported by a priest.

Just as the condemned man started to faint, Warden Smith sprung the trap. There was perfect stillness throughout the prison except for the singing of crochets as the execution was taking place.

Seventy-five persons witnessed the hanging. Grecks was sent to Folsom prison from Mendocino county 10 years ago to serve a life term for murder. He was always a dangerous man in prison and last fall he planned a daring break.

With the aid of his cellmate he secured a key and unlocked the cell door. Waiting until night they crept from the cell and leaped upon and stabbed to death Guard Dreyer. Another guard fired at fatally wounded Grecks' partner, but the latter, who had secured Dreyer's gun, fired almost simultaneously and killed the guard.

Grecks part in the crime was proven by the bloody trail of the knife with which he had stabbed Dreyer and carried across the prison yard to the walls. He escaped but was soon recaptured.

Mr. and Mrs. Ashel Bush will leave tomorrow morning for Frisco, where they will take the steamer Great Northern for San Francisco, for an indefinite absence. The Bush car has been shipped to San Francisco, and part of the time will be spent in short tours into the country surrounding the exposition city. Mr. Bush will attend the national convention of the Psi Upsilon fraternity, to be held in San Francisco September 23-24.
