CAROL S. DIBBLE

Mrs. Ralph White was hostess at a charmingly appointed dinner last evening at her home, 231 South Church street, complimentary to Miss Nell Sykes, who is leaving for Prineville, Oregon, where she will take charge of the domestic science and art department at the Crook County high school.

National D. A. R. conference, which will be entertained in the Oregon building at a reception on Wednesday, September 12.

Mrs. C. A. Brasher and Mrs. James Albert returned Monday evening from a week's outing at Newport. Mr. Brasher and Mr. Albert joined them over the week end.

Miss Edna Kramer, of Casago, is the house guest of Mrs. M. P. Ramsdell and Miss Ruby Ramsdell at their home on North Winter street.

The aid society of the Woman's Relief Corps will meet Thursday afternoon at the home of Mrs. John Shippen, 1145 South Fourteenth. All members are cordially requested to attend.

Miss Beryl Holt will return tomorrow evening from North Powder, Oregon, where she has been spending the summer.

Madame Jeanne Demelli has decided, after many requests have been made to her, to engage in individual professional work in Portland. She is a grand opera star of prominence, a first class singer herself, so she can guide other singers with safety and speed to attain vocal excellence.

Mrs. J. W. Carson, accompanied by her daughter, Gladys and son Carl, has returned from a two weeks' visit in California.

Mr. and Mrs. Frederic S. Mendenhall, who have resided in the school of music building for seven years, now have their residence at 1257 Chemeketa street, while their studios are located in the Hubbard building.

Mrs. George H. Burnett is expecting Mrs. Ganley, a cousin of Judge Burnett, to arrive this week from San Francisco. Mrs. Burnett will go to Portland Friday to meet Mrs. Ganley.

Mr. and Mrs. Thomas Brown and children have returned from a month's outing at Tillamook.

Dr. and Mrs. E. E. Fisher are expecting the arrival of Dr. Fisher's uncle, Albert Fisher, of Manassas county, Iowa, tomorrow. Mr. Fisher is a brother of C. A. H. Fisher, of Salem, and will remain in the city several weeks.

Miss Faith Kennedy and Miss Ruby Kennedy have returned from San Francisco where they attended the exposition, the N. E. A. and other points of interest in California.

Mr. and Mrs. E. T. Russell spent the week-end in Portland at the Hotel Benson. While there they saw the "Birth of a Nation" at the Healy.

The Omega class of the Leslie M. E. church was entertained Monday evening by Mrs. J. C. Spencer at her home on Myers street. The members brought the needed work and a short business meeting was held, followed by a social hour. The decorative motif of red and white was attractively carried out in the refreshments, watermelon being served, and place-cards suggestive of watermelons adorning the table. A contest was also enjoyed, whereby the number of melon seeds in a bottle were guessed, Miss Freida Schneider winning the high honors. The officers for the coming year were elected: Miss Cecil Bohannon, president; Miss Gladys Carson, vice-president; Miss Blanche Miller, secretary; Miss Helen Ingrey, reporter. The society also completed its pledge of \$25 to the church. Additional guests were Mrs. E. E. Herwood, Mrs. Frank White and Miss Nellie Gibson.

Mrs. Lucie Lee Patterson, state regent of the Oregon Daughters of the American Revolution, has gone to San Francisco, where she will be honorary hostess at the Oregon building for two

WOMEN AND GIRLS MAKE EXPLOSIVES IN WAR FACTORIES

A round piece of paraffin paper is put over the opening and with a plug is forced down into the grenade's neck to the point where the lemon begins to swell.

WELSH MINERS STRIKE TO BAR NON-UNIONISTS

Third Walk-Out Occurs This Morning—Thirty-Five Hundred Quit

Cardiff, Wales, Sept. 8.—For the third time in a few weeks, South Wales coal miners are today on strike.

Thirty-five hundred of them walked out of two collieries, protesting against the employment of non-union workers.

Further conferences between government leaders and union representatives will probably be held as a result of this latest trouble, inasmuch as the government is flatly opposed to any situation which threatens directly or indirectly to hamper the munitions output.

While this is being done the "stopper" is assembled by other girls. From the woods turning department come the wooden plugs which close the grenade and contain the operating button. A hole runs through, the middle and through this passes a Bickford time fuse. At the upper end is a cap something like the cap of an old-time muzzle loading gun which exploded by the push-button mentioned above. At the bottom of the fuse is the detonator.
