## BOUNDARIES OF THE CITY SCHOOL DISTRICTS

### New Lines Have Been Established For Coming School Year

The following instructions have been issued by Superintendent Elliott, giving the exact boundaries of each of the nine schools in the city. Although this re-arrangement of districts may take pupils to a school different from that attended the last school year, yet on the first day, next Monday, all pupils will assemble at the rooms that they were in at the close of school last June, with the exception of the seventh elementary grade. The pupils of this grade will go to the junior high school situated in the district in which they live. The instructions are as follows:

The Salem public schools will open Monday morning, September 20, at 9 o'clock. All pupils will assemble in the same rooms and buildings that they were in at the close of school in June, except that all seventh grade pupils in the elementary schools shall assemble in the junior high school situated in the district in which they live.

The junior high school boundaries shall be as follows:

The Grant junior high school district shall include all territory within the school districts limits north and west of a line drawn as follows from the bank of the Willamette river on the west boundary of the city running east along Division street to Cottage street thence north on Cottage to Mill creek thence in an easterly direction along the creek to the intersection of Summer and Parrish streets, thence east on Parrish to Twelfth street, thence north on Twelfth to D street, thence east on D to Fifteenth street, thence north on Fifteenth to Nebraska, avenue thence east on Nebraska to Seventeenth street, thence north on Seventeenth to Frikken street, thence east to the limits of the district.

The Washington junior high school district shall include all territory south of the boundary of the Grant junior high school district as given above and north of a line starting at the bank of the Willamette river running east along Mill street to Winter street, thence following the street on line south on Winter to Oak street, thence east on Oak to Twelfth street, thence south on Twelfth to Mission street, thence east on Mission to Fifteenth street, thence south on Fifteenth street to Waller street, thence east on Waller street to Seventeenth street, south on Seventeenth street to Hines street, thence east to the Turner road, thence out the Turner road to the limits of the district.

All pupils residing south of this line shall attend school in the Lincoln junior high school.

The boundaries for the elementary schools shall be as follows:

The Highland district shall include all territory north of a line starting at the Willamette river and running east on Shipping street to Fourth street, north on Fourth to Norway street, north on Norway to Church street, north on Church to Jefferson street, east on Jefferson to the car line, northeast on the car line to Madison street, thence out Madison to the Southern Pacific railroad.

The east boundary of the Grant school district shall be the Southern Pacific railroad. The southern boundary of the Grant district shall be a line running along Mill creek starting at its mouth on the Willamette river to the intersection of Church and D street, thence out D street to the Southern Pacific railroad.

The Englewood district shall include all territory east of the Southern Pacific railroad and north of a line running from the intersection of Twelfth and B streets, east along B street to Eighteenth street, thence south to Asylum avenue to Twenty-first street, then south on Twenty-first street to Marion street, thence east on Marion to the limits of the district.

The Garfield school district shall include all territory south of a line running along Mill creek to the intersection of Church and D streets, thence along D to Summer street, thence south on Summer street to Trade, thence west on Trade to the Willamette river.

The Washington school district shall include all territory south of a line beginning at the intersection of Summer and D streets, thence east along D to Twelfth street, thence south on Twelfth to B street, thence east on B to Eighteenth street, thence south to Asylum avenue, thence east on Asylum avenue to Twenty-first street, thence south on Twenty-first to Marion, thence east on Marion street to the limits of the district, and all territory north of a line drawn from the corner of Twenty-first street and State street, west on State to Seventeenth street, thence south on Seventeenth street to Trade street, thence west on Trade to Summer street. The west boundary of the Washington school district shall be Summer street.

The Richmond school district shall include all territory south of a line drawn from the intersection of State and Seventeenth streets, east along State street to Twenty-first, north along Twenty-first street to Marion street, thence east on a line with Marion to the limits of the district, and all territory east of a line drawn from the intersection of Seventeenth and State streets, south along Seventeenth to Turner road, thence out Turner road to the limits of the district.

The Park school district shall include all territory south of a line starting at the Willamette river going east along Trade street to Seventeenth street, thence south along Seventeenth street to Turner road, thence out Turner road to the limits of the district. The southern boundary of the Park school district shall be a line running along Mission street from the Slough, east on Mission to Winter street, thence south on Winter across the acreage to Davidson street, thence south on Davidson to Howard street, thence east on Howard street to Berry street, thence south on Berry street to Rural avenue, thence east on Rural avenue to Twelfth street, thence south on Twelfth street to the boundaries of the district.

## 500 ACRES LIMIT OF FLAX; 50 ACRES LIMIT TO GROWER

### Board of Control Decides Against Large Tracts of Flax for Next Year

The state board of control met this morning and decided to limit the flax acreage for next year to 50 acres for one grower, and the flax growing district must lie within a radius of 10 miles from Salem as the convict flax pullers will not be sent out for a greater distance. The minimum that may be contracted for is five acres and only 500 acres will be contracted for this time. This acreage will be increased before the flax planting season but no more than 1,000 acres will be contracted for next year and there is a possibility that this may even be cut down to 700 or 800 acres.

The board will furnish the seed to the flax growers at \$1.50 per bushel and this price will be subtracted from the price of the straw when it is delivered at the state pen to the flax plant. It was stated at the meeting that three farmers in one district of this county were willing to contract for 400 acres of flax between them but State Treasurer Kay was of the opinion that the flax growing should be as widely distributed as possible and that only the best land for this purpose should be allowed for flax.

It was stated that this year the state lost money on some patches which were as small as one-half acre and that some of them were so far distant that the auto bills for hauling the convict flax pullers to and from their work, cut down any profits that might accrue. In view of these facts the minimum was fixed at five acres to one patch as a gang of 30 convicts will pull five acres in one day and return to the institution at night. It is also probable next year they will remain until the work is completed.

It was not definitely decided at the board meeting this morning as to the man to have charge of the flax planting and the selection of the lands upon which flax may be grown. Mr. Cady, who has supervision of the plant will act and to this or a practical farmer will be selected to supervise the field work for the flax growing industry.

W. A. Jones, secretary of the state fair board, was present this morning at the board meeting and was given permission to borrow a few bundles of the flax to be used for decoration at the state fair grounds this year. The flax will not be placed in a special exhibit but will be used only for decorative purposes.

## AFTER SIX YEARS

### Salem Testimony Remains Unshaken

Time is the best test of truth. Here is a Salem story that has stood the test of time. It is a story with a point which will come straight home to many of us.

P. W. Brown, farmer, 1399 State St., Salem, says: "Three years of mill-wright work in a damp atmosphere disordered my kidneys. I often had lameness and soreness across the small of my back. When having an attack, I heard of Doan's Kidney Pills and got a supply. They removed the backache and soreness, together with other symptoms of kidney trouble." (Statement given Jan. 31, 1906).

After a lapse of more than six years, Mr. Brown said: "All I can recommend Doan's Kidney Pills when I publicly endorsed them before, holds good. I use them occasionally when I have symptoms of kidney complaint and I never fail to get quick relief. Another of the family has also used Doan's Kidney Pills for kidney weakness and has had the best of results."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brown has twice publicly recommended. Foster-Milburn Co., Props. Buffalo, N. Y.

## OLD COUPLE REMARRIED.

Seattle, Wash., Sept. 15.—Orson A. Drake, aged 70, of San Francisco, and Mrs. P. Drake, aged 65, of Puyallup, are remarried here today. Their first wedding was 50 years ago. They were divorced 20 years later. Their children brought about the reunion. Mrs. Drake said today:

\*\*\*\*\*

\*\*\*\*\*

\*\*\*\*\*

\*\*\*\*\*

## CATARRH GERMS EASILY KILLED

### Only Way To Cure This Disease Is To Destroy Its Cause.

#### By A Specialist.

If you have catarrh and want to get rid of it you must kill the germs which cause catarrh. Stomach dosing, douches, sprays, creams, douches, etc., fail because they overlook this fact. They all help by giving temporary relief but they do not reach the germ life that has found lodgment in your head, nose, throat, and could not destroy it if they did.

The best known way of destroying the dangerous germs of Catarrh and consequently ending the disease itself, is to breathe into the air passage of your nose and throat the pleasant, penetrating air of Hyomei (pronounced High-oh-mey). Hyomei is made from purest oil of Eucalyptus combined with other powerful, health, antiseptic and germicidal ingredients. You breathe it through a little pocket inhaler which Daniel J. Fry and other leading druggists in Salem and vicinity are furnishing with every complete treatment sold. Every time you inhale the sweet, fragrant air of Hyomei through this little device you are drawing into your swollen, inflamed, germ laden membranes a medicated air which will not only reduce all the swelling and inflammation and open your clogged nose and stopped-up air passages, but will absolutely and positively destroy every trace of Catarrh germ life it reaches. Druggists are so sure of the blessed, lasting relief that Hyomei brings to catarrh sufferers that they sell it invariably on the positive guarantee that money paid will be refunded if successful results are not secured from its use. Get a Hyomei outfit from your druggist today and begin at once to drive this dangerous and disgusting disease from your system forever.

## Former Secretary Bryan Confers With Henry Ford

Detroit, Mich., Sept. 15.—Former Secretary of State Bryan made a flying trip to Detroit last night and conferred privately with Henry Ford, millionaire automobile maker, for an hour over the latter's proposed \$10,000,000 peace plan.

Ford's secretary said today that no definite plans had been made.

## STOMACH MISERY QUICKLY VANISHES

Your money back if you want it is the way in which Daniel J. Fry, the popular druggist, is selling Mi-on-a, the great dyspepsia remedy.

This is an unusual plan, but Mi-on-a has so much merit and is so almost invariably successful in relieving all forms of indigestion that he ran but little risk in selling under a guarantee of this kind.

Do not be miserable or make your friends miserable with your dyspepsia. Mi-on-a will help you. If it doesn't, tell Daniel J. Fry that you want your money back and he will cheerfully refund it.

A change for the better will be seen from the first few doses of Mi-on-a and its continued use will soon start you on the road to perfect digestion and enjoyment of food.

Mi-on-a has been so uniformly successful that every box is sold under a positive guarantee to refund the money if it does not relieve. What fair proposition could be made.

Daniel J. Fry gives his personal guarantee of money back if you want it with every box of Mi-on-a that he sells. A guarantee like this speaks volumes for the merit of the remedy.

Pittsburg Gazette: If this thing keeps up it will be considered profanity to tell anybody to go to Mexico.

## A Big Surprise for Hop Pickers

\*\*\*\*\*  
**HORSE TRIES OLD TRICK**  
Los Angeles, Cal., Sept. 15.—Hearing a band tooting "Circus Solly," the docile steed of Mounted Policeman C. H. Marion obeyed an impulse based on his youthful experiences in the sawdust ring and "played dead" on Hill street, in the midst of the heavy traffic. Marion sustained bruises. In his circus days, it was the horse's duty to lie down and roll over when the band played "Circus Solly."

## Intervention In Mexico Is Near Declares Taft Who Opposes That Step

Los Angeles, Cal., Sept. 15.—"We are nearer intervention in Mexico than we have ever been because of the policy we have pursued. We neither watched nor did we wait. I do not want intervention in that country because it means a tremendous responsibility." This is what former President W. H. Taft told interviewers today at the Alexandria hotel, immediately after his arrival from San Francisco. Coupled with his remarks concerning the Mexican situation, however, he stated he believed President Wilson should be supported in his course, not as a matter of politics, but because he is the chief executive of the nation.

Touching upon candidates, Taft said: "I am out of politics—permanently. I believe that a republican president will be elected. I did not find many progressives back east. They have colonels and generals and lieutenant generals who sit solemnly in council to decide what shall be done, but they have not taken a census of their followers."

As to the possibilities of the return of the leaders of the progressive party to the republican fold, Taft said: "If a man comes back to the republican party he must come as a republican. There is no other way."

## TELEGRAPHIC BRIEFS

Olympia, Wash., Sept. 15.—Joe Parrot, convicted of murder in the first degree for killing Fred Weiss, Olympia tailor, has been denied a new trial by Judge D. F. Wright.

Salinas, Cal., Sept. 15.—Henker to the hunting story of Abalarde Cooper. Hunting in the San Lucia range, he found a four point buck with a green glass eye.

Oakland, Cal., Sept. 15.—Louis Frankenhelm's horse stumbled over a stone on the old Watson ranch. The spark he struck fired and destroyed 500 acres of feed.

Washington, Sept. 15.—Secretary of the Navy Daniels announced today that Admiral Winston has succeeded Admiral Thomas B. Howard in command of the Pacific fleet. Howard has been ordered here as head of the naval examining board.

Seattle, Wash., Sept. 15.—"Swift-

water. Bill" Gates, one of the most spectacular figures in the early history of the Yukon and Alaska, is in trouble again, this time with his mother-in-law, Mrs. Ida Beebe, of the New Cecil hotel here, who claims he is not supporting his twelve-year-old son. Bill is under arrest in Spokane. Several fortunes were won and squandered by Gates in the Klondike.

## NELSON WAS ANARCHIST.

San Francisco, Sept. 15.—Gregory Chesalkin, better known as George Nelson, the bandit who committed suicide Sunday after a battle with the police, was a rabid anarchist, according to a statement today by Jules Finburd, for whom Chesalkin drove a jitney bus. Finburd said Chesalkin never lost an opportunity to express his defiance of organized government and continually incited Russian workmen by preaching his doctrines.

## PROHIBITION WINS

Columbia, S. C., Sept. 15.—It's going to be even a "longer time between drinks" than it used to be hereabouts. Prohibition leaders claimed today they had won overwhelmingly in the referendum to decide whether prohibition should replace the present local option law.

**BISURATED MAGNESIA**  
For dyspepsia, indigestion, souring of food, gas, and hyperacidity of the stomach (acid stomach). A teaspoonful in a fourth of a glass of hot water usually gives INSTANT RELIEF. Sold by all druggists in either powder or tablet form at 50 cents per bottle.
