W. U. BEGINS FOOTBALL PRACTICE WITH GOOD SEASON PREDICTED

Coach Matthews Has Green Squad to Hammer Into Shape For Big Teams

Willamette's new football coach, B. L. Matthews started this morning that he had a promising squad out and though green at the game, they were beginning to show good form. The men have been practicing with the tackling dummy. The coach believes in good thorough workouts and his men are fast lengthening up for the varsity alumni game, which will be played at W. U. field September 25. The schedule for this year will allow the people of Salem to see more games on the same gridiron than was possible last year. The schedule is not entirely completed, but as it stands the following games will be played: O. A. C. at Corvallis, October 2; Albany College, here, October 9; October 16 open date; Pacific College, at Salem, October 23; U. of O., at Salem, October 30; Chama, here, November 6; Pacific U. at Forest Grove, Nov. 13; November 25, no game as yet, but either Montana state college, Whitworth college, or U. of Puget Sound, will be played here. The game to be played October 30, between W. U. and Oregon, will be one of great interest due to the fact that in all probability Brazier Small, the well-known half back, who won the game for W. U. from Oregon two years ago, will be back in the game.

Of the old men who were on the squad last year, there are only a few left. Captain Flegel who played full-back last year is out and is working hard to make his team a winner this year. Gates, A. Irvine, Steeves, Chapin, P. Miller, and Fletcher, are back. Booth is expected in today and several others who are working will be back before the week is over.

The new men who are out thus far are, Jackson, Archibald, McClelland, Hall, Priddy, Peterson of W. S. C., Wahner, Gard, Brown and Hendricks, of Oregon.

Deciding Games In American League Will Take Place This Week

By George H. Holmes.
(United Press staff correspondent.)
Boston, Sept. 16.—With only two games standing between them and the league-leading Red Sox, the Detroit Tigers arrived today for a series of four games which probably will decide whether the American league pennant will fly over Boston or Detroit.

Manager Hughie Jennings was confident and cocky over the four straight victories the Tigers achieved over the Highlanders in the last series. Jennings showed a disposition to be kindly disposed toward the Chicago Sox for cutting down the lead enjoyed by Boston prior to the Boston-Chicago series.

Kiltured Boston is aflame over the series. With the weather clear and hot, crowds similar to those which attended the deciding games between the Braves and Giants last year are expected to attend this series.

It is expected that either Danus or Dabue will take up the burden of the mound for the Tigers today, and Foster for the Red Sox.

Watching the Scoreboard

The Bees again stung the Angels while San Francisco was beating the Oaks.

Looks like it's all over but the cheers in the P. C. L.

Vernon got four runs to Portland's one when George Kehler succumbed and yielded three in the initial canto.

The Cubs beat the Braves 1 to 0 in their farewell meeting of the year and they staged a flat fight between Empire Hyron and Red Smith as a finale.

The Pirates beat Philadelphia 1 to 0, Kautlehner winning his own game with a wallop in the eighth.

The Red Sox couldn't locate Faber's shoots and White Sox won.

Dairy Judging Contest Will Be One Feature of Polk County Fair

(Capital Journal Special Service.)
Dallas, Ore., Sept. 15.—The Polk county school superintendent's office has issued the following rules to be used governing the boys' and girls' dairy judging contest at the Polk county fair which will be held on Thursday, September 23.

First.—Only boys and girls residing in Polk county who have in the past year attended a public school will be allowed to enter the contest.

Second.—Four cows will constitute a class and there will be one class of each dairy breed exhibited. (Jersey, Guernsey, Holstein, Ayrshire, and Brown Swiss.)

Third.—Each competitor will be given a blank card for each breed and will be required to record the number or letter of the animals which in his judgment he would place in first, second, third and fourth places respectively.

Fourth.—Twenty minutes will be allowed in which to study the animals in each class and record their placings.

Fifth.—All competitors must be present at the stock barns and report to the person in charge of the contest not later than 1:30 p. m. on Thursday, September 23.

Sixth.—One hundred points will be given for the correct placing of the cows in all classes and a proportionate number of points given for such relative placings.

Seventh.—Announcements of the results of the judging contest will be made as soon as all ratings are determined.

This contest will be held under the direction of Professor W. A. Barr, of the Oregon Agricultural college, at Corvallis, and will be one of the most interesting as well as instructive contests during the county fair. For the past couple of years judging contests have been held in different parts of the county by the school children and a great amount of rivalry exists between the different districts.

Miss Catherine Entertained.
Mrs. E. B. Hamilton entertained a party of friends at her home on Clay street Monday afternoon in honor of Miss Edith Catherwood, who will leave this week for Corvallis where she will attend the Oregon Agricultural college the coming school year. After a very pleasant afternoon of social discourse a delicious luncheon was served. The invited guests were: Misses Dorothy and Margorie Bennett, Miss Marie Griffin, Misses Ada and Helene Syron, Miss Anna Anderson, Miss Edith Catherwood, Mrs. Maurice Dalton.

Passes Bad Check.
Heavy Drake, a former employee of Duggan Brothers, painters of this city, is wanted by the county authorities charged with having passed several bad checks in this city recently. Drake had been in the employ of the local firm for the past 15 months and seemed a straight and honest workman. He came to this city from California.

Aviator to Fly at Fair.
Arrangements have been made by the board of directors of the Polk county fair to have an aviator make several flights during the fair in this city next week. This will be the first time exhibition flights have been held in this county and as a consequence the attendance at the fair will no doubt be record breaking.

Fair Notes.
Friday, September 24, will be school day at the fair and all the schools in the county that have taken up school for the coming year will close that day in order to give the pupils a chance to attend. Superintendent H. C. Seymour has received word from a majority of the boards stating that it is their intention to close on that day. A convincing demonstration given by the girls of the county will also be given on this date.

Mr. and Mrs. B. A. Teas, who have been camping in the woods above Black Rock this summer, returned home the latter part of last week and have gone to Independence, where Mr. Teas has been appointed principal of the city schools for the coming year.

Constantly, men who have earned their spurs as smokers are being chosen members of the Prince Albert "Old Time Jimmy Pipes Club." Here is J. H. Hill, of 208 W. 2nd Street, New York City, who has known the daily joys of a jimmy pipe since he was 17 years old. Mr. Hill is enjoying his sixty-seventh summer.

Down the lane you'll find the store that sells Prince Albert. Tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound humidor—and that classy crystal-glass humidifier with the sponge-moistener top that'll tickle you—it's so nifty looking and keeps the tobacco so cheerful-like.

Prince Albert just does this little old thing:

Lets you smoke a jimmy pipe all you want to; lets you smoke all you want of roll'em cigarettes! And that holds good every hour of the twenty-four, Sundays included! Talk about home tobacco, or office tobacco, or street tobacco, or traveling tobacco! Well, you just uncork some P. A. smoke in your mouth! You'll feel like putting out a Special Extra to spread the news! Patented process fixes that—and cuts out bite and parch!

When we tell you, and men everywhere say, that here's tobacco that reaches every desire in your pipe or makin's department, you head for

PRINCE ALBERT

the national joy smoke

You can smoke a pipe and you will smoke a pipe just as soon as you get windward of some P. A. For it's real man tobacco that just-jams-joy into jimmy pipes, and puts the merry sunshine into makin's cigarettes!

Now, let everybody sit-in on this tobacco talk and discuss it, pro and con, then get a supply and all hands smoke up! For P. A.'s built to test-out true-like-steel and the meaner you are to it when you want to know how good it is, the more you'll think of it when you get that information personally!
