CAROL S. DIBBEL.

Miss Doris Witt, of Ione, Oregon, has come to Salem to study music at Willamette university. Miss Witt is the daughter of John H. Witt, a prosperous business man in Ione and is a popular member of the younger social set in that city.

The local chapter of the P. E. O. will meet this evening at the home of Mrs. G. W. Laflar, 1190 South Liberty St. All members of the P. E. O. present in Salem are urged to attend.

Miss Gertrude Gray of Seattle the houseguest of the John McNarys, spent the week end with friends in Hillsboro.

was a guest of Mrs. Gerald Volk over the week end.

Miss Helen Roberts celebrated her ninth birthday Wednesday afternoon at the home of her parents, Mr. and Mrs. John J. Roberts, 954 State street with a delightful children's party. During the early part of the afternoon the small folk enjoyed a theatre party, followed by a dainty birthday collation at the Roberts' home. The regulation birthday cake, adorned with nine sparkling candles awaited the invited guests who circled the table. The centerpiece consisted of a gold basket filled with pink carnations, tied with pink tulle. The favors were tiny baskets of pink candies. The small guests present were Dorothy and Sara Elizabeth Cannon, of Portland, Nancy Thielson, Dorothy Livensley, Mary Lewis, Ella Hop Lee, Mildred and Helen Roberts.

Mr. and Mrs. W. H. Burghardt, Jr., smiled Friday for San Francisco to attend the exposition. Mr. Burghardt will return within a short time but Mrs. Burghardt plans to remain several weeks.

Mr. and Mrs. Asahel Bush have returned from a several weeks' trip to San Francisco and various resorts in California.

There must have been some peculiar atmospheric condition Friday night, by which sound vibrations were carried far for a party of gentlemen standing at the corner of State and Commercial, while Mrs. Hallie Parish Hinges was singing at the band concert in Wilson Park could distinguish every word of her song "The Swanee River." The distance was something more than five blocks, or about 2,000 feet, and these words could undoubtedly have been heard distinctly several blocks further away. Besides this Mrs. Hinges voice has wonderful carrying power, and a gentleman living in West Salem states

that he has on several occasions heard her at his home during the band concert. This is nearly a mile from Wilson Park, truly a long distance for the human voice to carry, and yet, near her, her voice does not seem loud.

Miss Wilda Simmons who has been spending the summer with her mother, Mrs. M. Simmons, has returned to Seattle, where she teaches in the Domestic Science department of the high school.

The Misses Bertina and Carrie Moores of Portland were among the out-of-town guests at the Jones-Moores nuptials.

Under the auspices of the Salem Woman's club a reception will be given in Salem on September 28. This date has been set aside as Woman's day at the fair. The program will include many interesting features. Mrs. Kaythe Tozier Weathered, of the fair board, will give the address of welcome. Another address will be that of Mrs. F. A. Elliott, president of the Salem Woman's club. Miss Alice Skiff will sing. Mrs. Aristene Felts, president of the Oregon Congress of Mothers, will speak on "Mothers and Education." Miss Alice Joyce will speak on the industrial question as it pertains to women. Other speakers will be Dr. Anna Strong and Mrs. Clara H. Waldo.

The Oregon Congress of Mothers has planned to have a booth which will be an attraction. There will be a free kindergarten properly supervised where mothers may take their babies while they visit the fair. There will be play-grounds arranged for the older children.

A community sing will conclude the day. Mrs. Hattie L. Vail, of the Oregon Congress of Mothers, will arrange the program. All clubwomen are invited to participate in the "Woman's day activities. The reception will be of particular interest to club members.

YES BUSINESS IS GOOD THANK YOU

YOU SHOULD HAVE SEEN the crowd of people we had in our store Friday and Saturday. They all seemed to be well pleased with our new line of fine pianos, and were astonished at the extremely low prices we are making on the new styles of uprights and especially on the new style 88 note player pianos, and baby Grand pianos.

YOU SHOULD PAY THIS PLACE A VISIT

and see the many beautiful new case designs, the very latest thing out. We have some of the most artistic finishes you ever saw in Walnut finish, all done in piece work by the very finest of workmen.

WHY PAY A LONG PROFIT?

When we are selling on the big sales and small profit plan WHY NOT? come right in as others have done and see for yourself that we are selling cheaper and that you find quality here also. We would be glad to have you call whether you buy a piano or not. You should hear the new style 88 note player pianos, they are all but human. We will gladly play them for you any time, or you can play yourself.

CAN ANY OF THE FAMILY PLAY?

If so why be without a piano any longer. Our little down and a small amount each month makes it possible for every one to own a nice piano. Call on us and we will explain how easy it is for you to get one of these fine instruments.

HAVE YOU A SILENT PIANO IN YOUR HOME?

Or is it one of those ancient Organs—if so right here is the place to make a swap. We will take in exchange on our new 88 note player pianos either your Organ or your straight piano, allowing you every dollar they are worth. See us at once about a swap.

NEVER AGAIN

A large size full 88 note player piano, one of the \$600 kind, just slightly used in a magnificent Mahogany case, beautiful tone, will never have another chance at a buy like this. THERE IS A REASON—let us tell you about it. \$271 gets it cash. Free bench and Music Rolls.

TWO FINE ORGANS

We have two fine Estey Organs, like new, high top with nice beveled mirror. These were taken in on some of our player pianos. One of these cost new \$100, the other \$95. Going to sell them for less than half price. Good stool with each free.

YOU SHOULD SEE

The line of slightly used pianos we have on our floor. Some of them like brand new, ranging in price from \$138 to \$175.

SPECIAL.

Don't fail to see the new and up-to-date guaranteed piano we are selling direct from the factory for \$178. If it was not for our establishment here in Salem you would have to pay \$275 and in some cases \$300 for a piano of this grade. See them at once as we only have a few at these prices.

IMPORTANT.

Do you know who CUT piano prices first in Salem? Hull. Do you know who has done the most piano business in Salem, for the past eighteen months? Hull. Do you know who has sold the most player pianos in Salem in the time mentioned above? Hull. Do you know who the manager and proprietor of the Valley Music House is? Hull. The country around Salem is included in the above. Out of the many carloads of pianos sold by Hull in and around Salem there has never been a misunderstanding or any trouble of any kind and not a single piano has been repossessed that was sold by Hull personally. There is not a piano firm doing business on the Pacific Coast that can beat this. There is a reason—in the first place you get the truth about the instrument you buy and if it is a cheap piano you get it at a cheap price and if it is a higher grade you pay a small profit in proportion. Large sales, small profit has always been Hull's motto.

REMEMBER THIS.

We have a three years' lease on our store room and expect to make the Valley Music House a permanent business in Salem.
