

## PREPARES FOR MAKING **NEW CLEANSING SOAP** ing to you this season. tractive colors and shapes. Local Factory Is Branching Out-Order Placed For good styles in black stiff hats. 40,000 Cans Superior values at An order for 40,000 tin cans of 20 nunce size has recently been placed with the American Can company, by a Salem manufacturing firm. This order will amount to a car load, and will be shipped within the sext two weeks to the Capital Soap Works, 1230 Ferry street. Christian Lachele is proprietor of the Angora Rug Co, as well as the Capital Soap Worka, and it is for a new kind of eleaning soap that the 40,000 cans will be used. Associated with him are Seattle parties who will handle the dis-tribution of this new cleanser, but the manufacturing will all be done here. And the parties are so confident their soap will meet with public favor, that the first order was for the full load of cans, to held net weight, 18 onnees of street "THE TOGGERY" cans, to hold net weight, 18 onnees of oap paste. The cleanser will be manufactured entirely of mineral material, no animal fat of any kind to enter into its com-position, the most important ingredient being a mineral cleaner and a mineral sait taken from the famous soap lake Gets 90 Days In Jail for ARRANGEMENTS FOR in Washington. A car load of this ma terial will be shipped here next week Giving Indian Liquor terial will be shipped here next week. Combined with this natural material is a vegetable curd, which gives the scap the consistency of a thick paste. Other materials also enter into it, the receipt being known only to manufacturers here and distributors in Seattle. According to Mr. Lachele, the scap has been thoroughly tested and ac feels confident that for cleaning tinware, plassware, or any household articles it on a charge of being intoxicated. LOAN PROGRESSING **Believed That All Details Will** confident that for cleaning tinware, glassware, or any household articles, it will answer the purpose fully as well or better than any of the paste soaps in the market. Machinists will find it valuable, as well as janitors, or those who have any house cleaning to de With this Capital Cleanser, the name to be given it, the hands can be made clean by those who are working in paints, tar or pitch. It is also claimed, that for cleaning brass or silverware or Be Arranged During Conference Today judged guilty by Judge Elgin and given the 90 day jail sentence. that for cleaning brass or silverware or plate glass it cannot be excelled, and believed, would be cleared up during the formal conference this afternoon be there is nothing in its composition that will leave a scratch or mar in any way the finest of silver or glass ware. The distributing agents at Scattle exween the allied commission and leading A NEVER FAILING WAY financiers. TO BANISH UGLY HAIRS The foreigners will not insist on usin peet to put out over a hundred men as canvassers in different parts of the the loan for purchase of munitions They took the position that, with suf-ficient credit for other supplies, they (Aids to benuty.)
