CAROL R. DIBBEL.

The second annual tennis tournament of the Willamette valley is in full swing now, having opened yesterday at the East Center street courts with a large attendance and much interest evinced in the games played. Today and tomorrow will bring a large number of out of town players and tennis devotees to the tournament and many Salem residents will throw open their doors for the entertainment of the out of town guests. Through many sport enthusiasts witnessed the games yesterday, in spite of the threatening weather, a greater promise was in evidence today, with the promise of fair skies and the anticipated arrival of players from a distance. Many motor cars lined the curb, filled with eager on lookers. Tables attractively adorned with baskets of flowers, formed dainty refreshment booths, where hot tea, punch and wafers were served. Assisting at the tables yesterday were Mrs. Channey Bishop, Mrs. J. Roberts, Mrs. Clifford Brown and Miss Margery Marvin, while the hostess for today was Mrs. H. H. Olinger, assisted in serving by Mrs. L. E. Griffiths, Mrs. Lee Steiner, Mrs. C. L. McNary, Mrs. Geo. Rodgers, Mrs. L. M. Meyers. The dance scheduled for this evening on the courts will be held if the weather continues favorable.

Mrs. J. G. Nason had as guests Wednesday, her brother, P. Clewin and his son-in-law, Edward Smith, of Portland.

The St. Monica's Altar society held a parcel post shower yesterday afternoon at St. Joseph's hall in preparation for their bazaar to be held in October.

Mrs. M. E. Rodgers has returned from a two weeks' outing at Tillamook.

On Sunday evening the choir of the Central Congregational church will give a sacred concert, which will be the first of a number to be given through the winter season. The choir has secured the assistance of Prof. Walsh and Miss Lois Ashby, of Chazy, and a strong program will no doubt be rendered.

Mrs. S. C. Dyer has been spending a few days at Jefferson, as the guest of her sister.

Mrs. H. C. Stover has returned from Denver, Colorado, where she was called by the illness of her mother.

Walter Edwin Seamster, the son of Mrs. Una Seamster, celebrated his fourth birthday Sunday afternoon at the home of his grand parents, Mr. and Mrs. I. Seamster, 140 East Myers street. A number of friends and relatives gathered informally at the Seamster home for the occasion. During the afternoon several selections of sacred music were given, after which a birthday supper was served by Mrs. Una Seamster. Pink and white asters formed pretty table decorations. The guests who enjoyed the afternoon were: Mrs. Anna Seamster, A. L. Seamster, Mrs. A. L. Hawthorne, Mr. and Mrs. G. C. Givens, Robert Seamster, Virgil Seamster, Lela and Verdit Hawthorne, Hubert Seamster, Evert Givens, Mrs. Una Seamster, Walter Edwin Seamster.

Mrs. John Lewis is spending the week in Portland.

Mrs. C. R. Thilliber, of Portland, has been visiting her mother, Mrs. A. Klein. Mrs. Thilliber was accompanied by Mrs. W. T. Cady, of Portland.

Miss Ella Smith, of Silverton, is visiting her aunt, Mrs. Rosa Hunter, at her home on South Liberty street. Miss Smith will attend the Salem high school this winter.

The parent-teachers association of the Richmond school will hold a meeting this evening at seven-thirty at the Richmond school. Plans for organizing the year's work will be discussed and a full attendance is desired not only of the members, but of all those interested in the organization.

Mrs. William P. Lord is making a short visit in Portland.

Mrs. H. A. Dillard and Miss Dillard are entertaining as guests, Mr. and Mrs. W. E. Smith and daughters, Misses Beattie and Aletha of Burns.

An interesting program has been prepared by the pupils of Lincoln school and will be given on Saturday afternoon at three o'clock at the school building. A juveniles department of the United Artisan lodge was organized Wednesday evening. The age limit for membership will be seventeen years. It is planned to run the juvenile division along the same general lines as the regular lodge. The department is composed of the Court of Fairies, the Court of Legends, the Boy Scouts and the Brownies. A pretty feature of the organization Wednesday evening was the formal presentation of the juvenile department to the lodge by Mrs. Ella Watts, supreme instructor of the Artisans. The various sub-departments formed an attractive procession as they marched around the room in their official robes and uniforms. The Court of

WOMEN CAN HARDLY BELIEVE

How Mrs. Hurley Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Eldon, Mo. — "I was troubled with displacement, inflammation and female weakness. For two years I could not stand on my feet long at a time and I could not walk two blocks without enduring cutting and drawing pains down my right side which increased every month. I have been at that time purple in the face and would walk the floor. I could not lie down or sit still sometimes for a day and a night at a time. I was nervous, and had very little appetite, no ambition, melancholy, and often felt as though I had not a friend in the world. After I had tried most every female remedy without success, my mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and gained in strength every day. I have now no trouble in any way and highly praise your medicine. It advertises itself."—Mrs. S. T. HURLEY, Eldon, Missouri.

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound. For sale everywhere. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it? Lydia E. Pinkham Medicine Co., Lynn, Mass.

Fairies wore elaborate robes of velvet and satin of gay hues, trimmed in fur. The queen of the Court of Fairies is Miss Margaret White and the maids of honor, Mabel Hunter, Leatha Wilson, and Mona Schann. The juvenile department will contribute features of the program which will be given by the Artisan lodge on Salem day at the fair.

Tennis Tournament Opens With Lively Interest In Matches

The tennis tournament promoted by the Salem Tennis association, opened yesterday with a number of lively skirmishes which assured the spectators of exciting games in future matches. The Portland players who are scheduled to take part in the contest began coming in today for their matches and more are expected to arrive for tomorrow which will be the big day of the tournament.

The surprise of the morning's play came with the last match when Brandt Wickersham and George Rodgers defeated James Shives and A. D. Wakeman. Wickersham arrived on the 10-11 train without a partner and Mr. Rodgers rushed in to fill the breach. The match went nip and tuck, with the Salem man holding his own in the fast company. Several times Wakeman and Shives needed but a point to win. It was not forthcoming, however, and Wickersham and Rodgers took the second set 10 to 8. About 2 p. m. the third set closed with the same couple winners. Mrs. Francis Adams, of Silverton, put up a plucky game against Mrs. W. J. Northrup, of Portland, former women's state champion. The bad weather has congested the schedule so that the play will have to hold over Saturday. A fine schedule of matches will be on all this afternoon.

BUSY WEEK AHEAD FOR SALEM CHERRIANS

Making Elaborate Preparation For Receiving and Entertaining Guests

Fair week will certainly be a very busy week for the members of the Cherrian organization of this city. A meeting has been called for Monday evening at the rooms of the Commercial club at which all the members are urged to be present in order to take action on some of the more important events of the week.

A reception committee has been appointed for Monday, the first day of the Fair. Monday is Children's Day. Mr. J. H. Landermann will act as chairman for that day and will announce his committee who will act with him as a reception committee for that day.

The most important events of the week will be Salem day, on Wednesday, Elks and Portland day on Thursday, and Shriners day on Saturday. Special arrangements will be made in time for properly welcoming our Fair guests on those days and no doubt the Shriners will make good their former record as hosts and entertainers.

They will co-operate with the local lodge of Elks and the resident Shriners and a program will be carried out that will make gala days of these special features. During the week every Cherrian will wear a badge which will identify him as the proper person to approach in order to gain needed information. This is intended to help the many strangers who will attend the Fair.

Every Cherrian was notified today by postal card to be at the Monday night's meeting. It is very important that a full membership be present.

COURT HOUSE NEWS

A. W. Elliott has brought suit against T. J. Bowles, of Aurora, in the circuit court of this county to collect four accounts aggregating \$210.00 alleged due and unpaid. The plaintiff states in his complaint that he worked for the defendant in a livery stable for \$1.25 per day and that he earned \$255 of which \$127 is yet unpaid. He also desired to collect on an assigned claim of J. P. Kerr who charges a board bill against the defendant of \$29.10. G. A. Ehlens alleges that the defendant owes him \$20.80 on a hardware bill and J. F. Orlert is endeavoring to collect \$33.10 for blacksmithing. The interest of the defendant in a hotel in WYOMING in Yamhill county has been attached in connection with the controversy.

The city of Silverton has brought suit in the circuit court of this county to condemn a 15-foot strip of land across the line of the P. R. L. & P. company to be used for laying a pipe line to supply the city of Silverton with water for drinking purposes and fire protection. The city finds it necessary to take its water supply out of Silver creek and it is stated in the complaint that the two parties concerned were unable to come to an agreement in the matter. As a result the plaintiff asks that a jury assess the proper amount of damages to be paid by the city for crossing the railroad company's right of way and that the city be granted an easement to the property in question. McNary & McNary are attorneys for the plaintiff.

County School Superintendent W. M. Smith left this city today with Supervisor Smith for Stayton, where they will attend the school district fair to be held in that place. Tomorrow Superintendent Smith and Supervisor J. E. Drillette will go to Butteville where they will attend the school fair. THE NEWEST REMEDY FOR BACKACHE, RHEUMATISM AND DROPSY

Kidney, Bladder and Uric Acid troubles bring misery to many. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently and the poisons are carried to all parts of the body. There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and loins, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms in to gravel or kidney stones. When the uric acid affects the muscles and the joints, it causes lumbago, rheumatism, gout or sciatica. This is the time to try "An-uric."

During digestion uric acid is absorbed into the system from meat eaten, and even from some vegetables. The poor kidneys get tired and backache begins. This is a good time to take "An-uric," the new discovery of Dr. Pierce for kidney trouble and backache. Neglected kidney trouble is responsible for many deaths, and insurance company examining doctors always test the water of an applicant before a policy will be issued. Have you ever set aside a bottle of water for twenty-four hours? A heavy sediment or settling sometimes indicates kidney trouble. The true nature and character of diseases, especially those of the kidneys and urinary organs, can often be determined by a careful chemical analysis and microscopic examination—this is done by expert chemists of the Medical Staff of the Invalids' Hotel. If you wish to know your condition send a sample of your water to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., and describe your symptoms. It will be examined without any expense to you, and Doctor Pierce or his Staff of Assisting Physicians will inform you truthfully.—Adv.
