CAROL S. DIBBLE.

Woman's Day celebrated its second birthday yesterday at the state fair with a program of much merit, a delightful reception and an attendance at both affairs of wide awake and responsive women, alive to the vital questions of the day and particularly those pertaining to Woman's Day. The program which was under the auspices of the Oregon Congress of Mothers, Mrs. Hattie L. Vail being the chairman for the day, began promptly at two o'clock in the auditorium at the new pavilion. Mrs. Edyth Tozier Weathered gave the address of welcome on behalf of the fair board and Governor Withycombe on behalf of the state. The response was made by Mrs. A. E. Ivanhoe of La Grande, the school superintendent of Union county. A highly interesting program, and one decidedly pertinent to the purposes of Mothers' Congress, followed, comprising forceful addresses by women who are authorities on the subject, such as Mrs. Aristene Felts, the president of the Oregon Congress of Mothers, Miss Alice Joyce, Dr. Anna Louise Strong and Mrs. Clara H. Waldo, the latter especially emphasizing the work, the Oregon Congress of Mothers had done with out any special financial backing. Pleasing musical selections by Miss Alice Skiff and the Ladies' Double Quartet interspersed the addresses. Immediately following the program a reception was given by the women of Salem to the out of town guests at the fair. Loganberry punch was served and the affair was permeated with an air of gracious hospitality and a home-like feeling truly befitting the city of Salem. Considering this was only the second year that Woman's Day has been in existence, the combined events of the afternoon called out a goodly number, about one hundred and fifty in all. A factor that contributed to wards making the afternoon a success was the appreciation of the audience, and the general spirit of unity among those present. A pleasant after feature was an informal gathering of art devotees, who were granted the opportunity of visiting Mrs. W. P. Lord's exhibit of Oriental curios and beautiful needle work in the Textile room under the personal guidance of Mrs. Lord, who added to the fascination of the exhibit by her detailed knowledge and bits of intimate history concerning it. The day's events closed with the popular community sing along the evening, Mrs. Chester Geer playing the accompaniments.

Mrs. J. H. Booth, of Roseburg, arrived in Salem yesterday to join Mrs. Booth, who is president of the state fair association.

Mrs. Charles Clark, of 549 North Capitol street, has as guests her sisters, Mrs. C. H. Clark, of Crook, Illinois, and Mrs. I. J. Owen, of Luna, Colorado. They have been visiting the California expositions and are much pleased with Salem and vicinity.

Mr. and Mrs. A. J. Bellows, of Roseburg, are visiting their daughter, Mrs. George Brown at her home on North Thirteenth street.

D. W. Pliford, of Portland, is a guest at the home of Mr. and Mrs. W. C. Knighton.

"As the multiplication table is of fundamental value to the expert mathematician; the relative value of notes and the running of the scale to the finished musician; and the meaning and value of words to the eloquent orator, so is the study of color values to the student in art. The artist is the true optimist, he sees the bright or beautiful side of everything," said Mrs. Alle Weister, superintendent of the art department at the Oregon state fair. Mrs. Weister, as well as her able assistant, Mrs. L. M. Getchell, is an artist of well known ability and she takes her new responsibilities quite seriously, far and above the mere question of dollars. In fact it is a matter of "art for art's sake" with Mrs. Weister.

Although she has been seriously handicapped for years and adequate lighting facilities, Mrs. Weister, with the aid of her valuable assistant and Mr. and Mrs. R. M. Gilbert, the well known art lovers of Salem who donated their services gratis, transformed the bleak and semi-desolate walls of the art department into a veritable paradise and she has been warmly congratulated upon the success she has achieved. She has already introduced numerous innovations of great value to the state fair and its visitors, particularly the

Mr. and Mrs. Merrill B. Moores (Gertrude Jones) are visiting at the home of Mrs. Moore's parents, Mr. and Mrs. M. L. Jones, of Labish Meadows.

The members of the Silver Bell Circle of the W. O. W. are working quite earnestly these days to win some of the cash prizes given by the Grand Circle at the close of the present campaign. Points are gained by attendance, entertainment and by visiting the other circles and initiating new members. Consequently an entertainment is held every Friday night, when new members are admitted and besides the success of the meetings themselves, a general good time is enjoyed. The campaign will close in December with a big model meeting. Each lodge in the district is expected to attend and supply an officer. Silver Bell Circle has the honor of supplying the grand neighbor and Julia A. Lytle has been elected to the chair for the occasion. During the state fair, Mrs. Charles O. Matlock will be at the W. O. W. log cabin every forenoon and meet all members of Woodcraft. She will be relieved in the afternoon by other members of the order.

## THOUGHT SHE COULD NOT LIVE

### Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to do any good, had no appetite, and everyone thought I would not live."

Sometime advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong.

"I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."—Mrs. MARTHA SEAVEY, Box 1144, Unionville, Missouri.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Clearwater, Edwin Kirtley, Essie Lidley, Ruth Mendelson, Edna McFarland, Georgia Bewley and Helen Smith. Drill teams for each of these departments of the organization will be organized and work commenced next month.

Saturday the Shriners will be here and the Cherrians will be out in uniform for this event also. The Cherrians will meet at the club rooms at 10:30 to do some drills on the street and then to march to the Shriners' train. A parade will be formed of Cherrians and Shriners and some more drills will be given on the streets.

The Cherrians are requested to meet at the club rooms at 10:30 tomorrow to receive final instructions for the welcoming of the Elks, and the Cherrian band will head all parades on the streets.

## SUCCESS OF A NEW REMEDY FOR BACKACHE, RHEUMATISM, KIDNEYS

Folks in Salem and adjoining counties are delighted with the results they have obtained by using "AN-URIC," the newest discovery of Dr. Pierce, who is head of the Invalids' Hotel and Surgical Institute, in Buffalo, N. Y. Those who started the day with a back, ache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Doctor Pierce's An-uric Tablets. To prove that this is a certain uric acid solvent and conquers headache, kidney and bladder diseases and rheumatism, if you've never used the "An-uric," cut this out and send 15 cents to Doctor Pierce for a large package. This will prove to you that "An-uric" is thirty-seven times more active than lithia in eliminating uric acid—and the most perfect kidney and bladder corrector. If you are a sufferer, go to your best drug-gist and ask for a 50-cent box of "An-uric." You run no risk for Dr. Pierce's good name stands behind this wonderful new discovery as it has for the past half century for his "Favorite Prescription" for weak women and "Pleasant Pellets" for liver ills.—Adv.
