PHYSICIAN FACES PRISON.

The Dalles, Or., Oct. 15.—Convicted on the charge of attacking a 15-year old girl, E. Rea Norris, a well known physician of Bond, Oregon, today faces a sentence of one to three years in the penitentiary. The jury deliberated 20 hours.

Certainly

We take into consideration the shape of your nose; The distance your eyes are apart; whether your eyes are deep set or the opposite; whether the lashes are long or short, when we make a pair of glasses for you. That's part of our service—the service that makes glasses good to look at as well as good to look through.
