Social and Personal

The social service center which did such meritorious work last winter is re-organizing for service again this year. Pursuant to call the executive committee met in tae auditorium of the library last evening with a full attendance. Committees were appointed as follows: On finding employment for men, Max O. Buren, R. A. Harris, Jos. H. Albert; subscriptions, Rev. Richard, F. Tischer, R. A. Harris, Mrs. W. E. Anderson; nominations, Jos. H. Albert, Rev. Robert S. Gill, Max O. Buren. A general membership meeting is called for Friday, October 28, at 7:30 p.m. at which the committees will report. The election of officers will take place at this meeting, which will also discuss the different lines of work to be furnished during the winter. This will naturally include ways and means for finding employment for men out of work. The center means to be forehanded with this phase of the work, as there are already a number of such

DECISION OF SUPREME COURT IS AGAINST THE ROTH COMPANY

Judge Kelly Reversed In One Land Case, Judge Galloway Is Upheld In Another

The supreme court today handed down an opinion reversing the decision of Judge Kelly in the case of E. O. Moll against The Roth company and also added another chapter to the famous case of M. L. Jones against Sheffler and others. In the Moll versus Roth a judgment of nonsuit was granted by Judge Percy R. Kelly and the case was appealed to the supreme court. This was an action brought against the Roth company, as endorser, upon a cost of production under ordinary continuous company, as endorser, upon a cost of production under ordinary continuous continuou

dorsement was made by E. Schunke, as section of the county warrant the above secretary of the Roth company and the supreme court held that the acts of the secretary were binding as a corporation can only act through its agents and that the lower secretary were binding as a corporation only act through its agents and that the lower secretary warrant the lower secretary were binding as a corporation of the county warrant the above estimate. In fact, many fields that have but recently adopted a suitable rotation are yielding from 35 to 50 bushels per acre.
