

The many uses of GOLD DUST

The Active Cleaner

Use Gold Dust with the fullest confidence for—

- Washing dishes.
- Scrubbing floors, linoleum, and cleaning windows, painted walls, etc.
- Cleaning pots, pans and skillets, all kitchen utensils of tin, aluminum or enamel ware, the kitchen stove, sink, etc.
- Cleaning bathtubs, wash basins, tiling, bathroom faucets and fixtures of nickel or brass, etc.
- Washing glassware, windows and mirrors, etc.
- Cleaning and sweetening refrigerators.

Gold Dust does not mar nor scratch even the finest polished surface.

For cleaning floors or other woodwork, dissolve a tablespoonful of Gold Dust in a pail of hot water.

Follow the simple directions on the package.

Gold Dust is inexpensive and indispensable

SCHOOL DIRECTORS MAY WRITE INSURANCE ON SCHOOL HOUSES

Are Forbidden to Donate Part of Their Commission to District

School directors who are insurance agents may write insurance upon school houses in the districts which they are serving but they cannot give the district a rebate of part of their commission according to an opinion of Attorney General Brown today. The inquiry was from the office of Insurance Commissioner Wells who was called upon to decide a case of a director in one of the smaller towns who wrote an insurance policy for the school house in the district and is said to have given the district a rebate of 15 per cent of his commission.

School districts must pay the full price for their insurance and cannot accept rebates according to the interpretation put upon the law by the attorney general. A school director who is an insurance agent may secure the business through his influence and vote upon the board of directors but he has no legal right to be a "good fellow" and donate a percentage of his commission to the district.

It is said that insurance agents for years have been quoting the school laws of Oregon to school boards who wished to favor a director, who wrote insurance when he was not directing, to the effect that it was illegal for any director to write insurance but this is not the law says the attorney general. The law in question, section 118, school laws of Oregon for 1915, read as follows: "It shall be illegal for any director, either directly or indirectly, to have any pecuniary interest in the erection of school houses, or for the warming, ventilating, furnishing or repairing the same, or to receive or accept any compensation for his services rendered as a member of the board."

"It will be noticed in the foregoing provision," says the opinion of the attorney general, "that no mention is made of contracts of insurance but only for the erection of school houses, or for the warming, ventilating, furnishing or repairing of the same, or accepting compensation for his services as a member of the board. Nothing is said about his accepting compensation from an insurance company for services rendered as an agent of said company.

NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils To
Open Up Air Passages.

Aha! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffing, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.

Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every cold and catarrh sufferer has been seeking. It's just splendid!

WARNING AGAINST HONOR

London, Oct. 21.—The report of Brand Whitlock, American ambassador to Belgium regarding his efforts to save Edith Cavell, shot at Brussels as a spy, to be made public Friday "will strike a note of horror throughout the world," the Daily Mail declared today.

TO KEEP YOUR SKIN FREE FROM HAIRS

(Beauty Topics)—If you are willing to spend a few minutes time in your room using a delicate paste, you can easily banish any ugly, hairy growth without discomfort or injury. The paste is made by mixing some water with a little powdered delatone. This is then spread over the hairy surface and after about 3 minutes rubbed off and the skin washed. You will not be disappointed with this treatment, providing you get real delatone.

ADDRESS AND PHONE OF CITY SCHOOL TEACHERS

For Convenience of School Patrons As Well As of the Teachers List Is Printed

The home address and telephone number of every teacher in the public schools of Salem is given in the following list. Also home address and telephone number of the school board, and all those connected in any way with the administration of the schools. A SURE WAY TO
END DANDRUFF

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffly, lustrous, glossy and soft, and look and feel a hundred times better.

All the Smart Men Live
East of the Mississippi

Pullman, Wash., Oct. 21.—Ernest O. Holland, superintendent of schools at Louisville, Ky., will become president of Washington State college, probably on January 1, 1916, succeeding Dr. Enoch A. Bryan, resigned.

The board of regent elected Holland last night.
