CAROL S. DIBBLE.

The visiting delegates to the annual meeting of the State Federation of Women's clubs were graciously welcomed last evening at the elaborate opening reception given by the club women of Salem at the state house. A brilliant gathering of prominent visitors throughout the state, local club women and their husbands, assembled in the house of representatives for the opening program. Mrs. Sarah Evans called the session to order after which "Amen" was sung by the audience. Welcoming addresses were given by Governor Withycombe, H. O. White, mayor of Salem; W. M. Hamilton, president of the Salem commercial club; and Mrs. F. A. Elliott, president of the Salem Woman's club. Mrs. Nellie Briggs, president of the Women's Civic Improvement club of Ashland, responded in behalf of the State Federation. Musical selections on the program were given by Mrs. Carolyn Smith, the Orpheus Male Chorus, and Miss Marguerite Flower, accompanied by Mrs. W. H. Burghard. A hearty ovation was accorded the various numbers. Particularly marked applause greeted Miss Flower, many of the out-of-town guests requesting to meet her informally afterwards. Following the program the reception proper was held in the house. Mrs. Alice H. Dodd and Mrs. W. C. Knighton presented the guests to the federation officials. In the receiving line were: Mrs. Sarah Evans, Portland, president; Mrs. Lee Moorehouse, Fingletton, first vice-president; Mrs. F. E. Merrick, Medford, second vice-president; Mrs. J. A. Pettit, Portland, recording secretary; Mrs. Sadie Orr Dunbar, Portland, corresponding secretary; Mrs. C. N. Bankin, Portland, auditor; Mrs. Agnes Bradshaw, The Dalles, director; Miss M. F. Beatty, Salem, director; and Mrs. F. A. Elliott, president of the Salem Woman's club.

Beautiful autumn foliage, intermingled with feathery plumes of pampas grass formed a most effective background for the handsomely gowned matrons. During the reception, a four piece orchestra, stationed in a group of palms, played pleasingly. Juice were served later in the senate chamber. On the entertainment and receiving committees were the past presidents of the Salem Women's club.

When Health Is Wrong The Pay Is Short

Getting ahead in this world calls for mental and physical forces kept upbuilt and in trim.

Often the food one eats "makes" or "breaks"—it depends upon the **Kind** of food. In many cases the daily dietary lacks certain essential elements for keeping brain and body at their best.

Over 18 years ago a food was perfected to offset this lack—

Grape-Nuts

—and it has stood the test of the years.

Made of whole wheat and malted barley this famous pure food supplies all the nutriment of the grains including their mineral salts—Phosphate of Potash, etc.—necessary for building brain, nerve and muscle.

Grape-Nuts has a delicious nut-like flavour; is always ready to eat—fresh, and crisp from the package; so thoroughly baked it is partially predigested.

Thousands "on the job" every day know

"There's a Reason" for Grape-Nuts

—sold by Grocers everywhere.

An Old, Family Cough Remedy, Home-Made

Easily Prepared—Costs Very Little, but is Prompt, Sure and Effective

By making this pint of old-time cough syrup at home you not only save about \$2 as compared with the ready-made kind, but you will also have a much more prompt and positive remedy in every way. It overcomes the usual coughs, throat and chest colds in 24 hours—relieves even whooping cough quickly—and is excellent, too, for bronchitis, bronchial asthma, hoarseness and spasmodic croup.

Get from any drug store 2 1/2 ounces of Pinex (50 cents worth), pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. Full directions with Pinex. Keeps perfectly and tastes good.

You can feel this take hold of a cough or cold in a way that means business. It quickly loosens the dry, hoarse or painful cough and heals the inflamed membranes. It also has a remarkable effect in overcoming the persistent loose cough by stopping the formation of phlegm in the throat and in the bronchial tubes.

The effect of Pinex on the membranes is known by almost every one. Pinex is a most valuable concentrated compound of genuine Norway pine extract combined with ginseng and other natural healing pine elements.

Marguerite Flower Is Given An Ovation

Miss Marguerite Flower sang her way straight into the hearts of the women attending the meeting of the Federation of Women's clubs, at the state house last night. Of course everybody here in Salem has heard the city's little favorite sing, but to the strangers within our gates her singing was a revelation and a surprise—a revelation in its pure tones and delicate sweetness, a surprise that so full and strong a voice could be concealed in so delicate a throat.

She was down on the program for just one number, "Caro Nome," from the opera *Rigoletto*, but as the last notes died away there was silence for a moment and then a storm of applause broke such as the legislative halls have not heard in years, a storm that would not be allayed until the little singer was again before them, nor then until two more numbers were rendered. These were the "Sleepy Song" and "Play Make Believe," both by Carie Jacob Bond.

As she concluded the women crowded around her and literally showered praises upon her, one and all expressing their appreciation and keen delight, and pledging a marvelous future for her. She expects to make music her life work and it looks as though nature, unkind to her in some ways, had made reparation by adding sweetness to her voice. Salem has always been proud of her little songstress and is correspondingly pleased to know that others also appreciate her.

Judge to Tell Jury Verdict to Return

San Francisco, Oct. 26.—United States District Judge Dooling tomorrow will direct the jury to bring in a verdict in the case of twelve men indicted on charge of violating American neutrality by recruiting men for the British army in San Francisco.

He issued notice for the defendants and the jury to be in court tomorrow for this purpose.

The cases were submitted last week to the court on stipulation of fact by consent of both parties. The procedure, an unusual one in United States court, saved the expense and time of a jury trial. Arguments of both sides were made directly to the judge who, after considering the question, will instruct the jury on the verdict it is to bring in.

Among the defendants is Ralph K. Blair.

W. P. Verooman Injured When Struck by Auto Driven by F. Gilbert

W. P. Verooman, engineer at the Masonic Temple, was struck by an auto driven by F. Gilbert about noon today and suffered severe body bruises. The physicians were unable to say whether or not he was injured internally. Mr. Gilbert was driving north on Liberty street between State and Court and Dr. O. B. Miles was driving west on Court street between High and Liberty, when all three met at the intersection of Court and Liberty streets. Dr. Miles slowed down to avoid hitting Mr. Verooman when the Gilbert car approached from the rear and hit Mr. Verooman knocking him down and dragging him about 25 feet.

A liberal portion of skin was rubbed off of Mr. Verooman's back and he suffered a number of minor bruises. He was not taken to the hospital.

VILLA'S ARMY AT DOUGLAS

Columbus, N. M., Oct. 26.—Twelve thousand Villistas appeared near Agua Prieta, one mile from Douglas, Ariz., today, and made preparations for an attack. Agua Prieta is Carranza's headquarters in Sonora. It is in command of General Calles.

After a number of years on this football, we have come to learn that the prophet who says after a defeat, "The republican—or democratic—party is now dead," is as fallible as a long-distance weather predictor.

His Mother-in-Law To Assist Penfield

Seattle, Wash., Oct. 26.—Mrs. Wilmot P. Stewart, wife of the Bothell dairyman whose daughter, Martha, eloped with Penfield Peabody, 17 year old son of Charles E. Peabody, Seattle millionaire Friday, has disappeared and was believed today to have joined her daughter and son-in-law, who are in hiding from her parents.

One of the latest developments in the case occurred today when a deputy sheriff from Chehalis, where the marriage license was issued, arrived here with a warrant for the arrest of Penfield Peabody and the Stewart girl.

Plannery is charged with perjury. It is alleged he swore falsely as to the age of the young couple. The girl is 19, and the license issued shows that both are "of legal age."

The warrant was issued on the demand of Attorney John S. Robinson, representing Charles E. Peabody, the lad's father, who has opposed his son's matrimonial venture from the beginning.

"If Mr. Peabody insists upon prosecuting this case against me," declared Plannery after his arrest, "I shall give him a lesson in humanity that he will remember."

Application Revives An Old Army Scandal

San Francisco, Oct. 26.—Whether Lieutenant Colonel William F. Tucker, former husband of "Lolly" Logan, the daughter of General John A. Logan, will be reinstated in the United States army will be decided soon by an examining board headed by Colonel Hamilton S. Wallace of this city. The former head of the paymaster's department has applied for reinstatement and the board will meet at Vancouver barracks.

The Tucker case was one of the greatest sensations in army history. Mrs. Tucker, in 1907, began to attack her husband, writing to the war department and naming as his affinity, Mrs. Myrtle Platt, widow of an army lieutenant. She alleged desertion and had Tucker arrested once for non-support. In 1908 she obtained a divorce and the same year Tucker was retired. July 5, 1909, Tucker married Mrs. Platt and they have since lived in the northwest. Recently they have been on a ranch at Hood River.

Parcel Post Business Growing Steadily

The parcel post business of the Salem postoffice was much heavier during the first 15 days of October than in the corresponding time in April of this year according to a report just issued by the local office.

For the first half of this month, the total weight of the parcel post mail was 27,578 pounds, compared to 25,787 pounds for the first half of April. The number of pieces mailed was also 1101 greater, while the postage for the October report exceeded that of April by \$49.93.

Although the business was larger in October, the average weight of the packages are growing smaller, as well as the cost of delivering by wagon in the city of packages too large for carriers. At present the cost to the postoffice department is a trifle over two cents for every package delivered in the city by wagon.

At this time of year, with a heavier business than in April, the total weight is much less than six months ago. During April, packages averaged 1.2 pounds in weight, while for the first half of October, the average weight was only .96 of a pound.

Army Aviators Afraid of Getting Hands Dirty

San Francisco, Oct. 26.—American army aviators are developing temperaments and are afraid to get their hands dirty. Captain Arthur Cowan, head of the United States army aviation corps at San Diego testified today at the court-martial of Lieutenant Colonel Louis Goodier, accused of altering specifications in charges against Cowan.

Through association with the civilian aviators at the San Diego Curtis school, Cowan stated, army lieutenants have come to regard the real machine work upon engines and planes as a job for hired mechanics. Also, the captain testified, the Wright machine used by the army was spoken of as a "death trap" and regarded as unsafe by the army aviators because of their association with the Curtis and other schools.

Washington Junior High and South Salem Alumni Tie at 7 to 7 Score

The South Salem alumni and the Washington Junior High school teams wrestled through a tie game this morning on Willamette field and at the referees whistle in the last quarter each had chalked up one touchdown and one goal kick for a 7 to 7 score.

The Washington team played the same lineup against the Grant school last Saturday when the Washingtonians won 35 to 0. The South Salem lineup was as follows:
Center, Cooper; guards, O. Ackerman and W. Peterson; tackles, Crasin and F. Peterson; ends, Gregg and Tompkins; quarter, G. Ackerman; half backs, Ross and Kenney; full, Martin.

Capital Journal Only
Complete Paper Sold

The Capital Journal is the only evening daily published in Salem that is a complete newspaper. The Portland papers peddled here are printed in the forenoon about 11 o'clock, are simply the regular edition of the day before with some changes on the first page. They are only extras made up for street sales and out of town circulation, making no pretense to being real newspapers. The Capital Journal on the other hand, contains the complete leased wire service up to 3:30 p. m., which is 6:30 p. m. in New York and past midnight in Europe, the seat of the great war. It also contains all the local news of Salem and surrounding territory that is worth while. It is a complete afternoon newspaper and the only one circulated in Salem. When you pay your money for a Portland evening paper here you are merely being "faked" into buying a cheap extra with big headlines on the first page and yesterday's news everywhere else.

The Capital Journal sells on the street for 2 cents. Pay no more.
