## FIRE DEPARTMENT IS TO RECEIVE \$1,600 FROM STREET FUND

### City Council Reopens Budget Question and Reconsiders Former Action

After returning to the appropriation for the fire department the \$16000 that was taken away and given to the street fund the city budget now remains just as first recommended by the finance committee with the exception of \$300 that was looped off of the city attorney's salary and given to the street fund. The finance committee recommended that \$14,600 be given to the use of the fire department for 1916 but when the budget came up for the approval of the council this was cut to \$13,900. The further sum of \$300 was cut from the salary of the city attorney making it \$12000 for the year.

At the end of the budget the council found that they had "saved" \$1900 but as the tax would be but 14 mills to raise the original \$174,600 the council added the \$1900 to the deficiency fund for street work. Last night's action simply returns the fire department appropriation to the original amount of \$14,600. However, it is not certain that three regular firemen will be put on instead of the call men as first proposed as there was a deficit of \$1500 in the fire department this year when they had \$12800, and the \$1500 will just about conduct the department on the same basis as last year according to the statements last night.

Councilman Haddleton stated that there would be a deficiency in the bridge fund and moved that the \$900 appropriated for a military inspector be turned into the bridge fund. This aroused some warm debate and Councilman Von Eschen made the statement that the city was 40 per cent dirtier than at this time last year. He said that even some of the councilmen had unsanitary conditions about their premises. He said he could give their names if necessary and when called upon to do so replied that he had them on paper and could produce them any time. After considerable discussion the motion to divert the \$900 to the bridge fund was voted down.

The remainder of the session was routine. The report of the street committee on the improvement of North Seventeenth street by Contractor August Kehrberger showed the amount of \$600.31 due and recommended that the amount be paid. The report was adopted.

A similar report on Bellevue street showed \$547.24 due Contractor W. H. Dalrymple. The report was adopted. The contractor will be notified to repair the curbing and other defects.

Another report recommended the payment of \$603.52 to Contractor Dalrymple for the improvement of Liberty street from Oak and Bellevue. The report was adopted and the contractor ordered to repair defects.

City Attorney Trindle recommended that the city accept a deed to lot 7, block 8, Riverside Park addition. The report was adopted.

A resolution was adopted requiring the Southern Pacific to bring all of its tracks in the city up to proper grade.

Resolutions for the installation of fire hydrants were referred to the fire and water committee with power to act. A number of sidewalk resolutions were adopted.

Property owners on Division street presented a petition protesting against the immediate improvement of that street. Former City Attorney Rollin K. Page was present and spoke from the floor in behalf of the property owners. Mr. Page said that he circulated the petition himself and said a majority of the people who would be assessed had signed the paper. The petition was referred to the street committee with instructions to report at the next meeting.

The council was petitioned to remove the silver maple trees on the west side of Fifth street between Market and Belmont. The petition was referred to the park board.

Applications for Jobs. A petition concerning the bridge over the mill race between Trade and Mill was referred to the street committee. E. E. Irwin applied to the council to be appointed watchman on the steel bridge as soon as there is a vacancy.

H. E. Finley applied for the position of sanitary and plumbing inspector. Both applications were received and placed on file.

### SILVERTON NEWS

(Capital Journal Special Service.)

Silverton, Ore., Nov. 2.—Harold Riches, who has been working with a government-survey party near Hood River, came home last Saturday for a visit with the home folks.

The Brady Davis family enjoyed a visit from their niece, Mrs. D. F. Adams, and husband, also a nephew, William Davis, all of Gladstone, Ore., the last of the week.

Mr. and Mrs. John Kubberness went to Portland Saturday for a visit at the home of the latter's parents. Mrs. Kubberness' sister, Mrs. Charles Turrell, accompanied them home Sunday evening.

Mrs. Joe Kircher is at the Silverton hospital, where she underwent an operation the first of the week. She is recovering quite rapidly, and will soon be able to come home.

Mrs. E. M. Hartman and son, Lincoln, who have been visiting relatives in this vicinity, left for their home at Wapinitia, Ore., on Tuesday of this week.

Mrs. E. M. Hicks visited with relatives and friends at the Capital City the first of this week.

The Misses Alta and Minnie Davis were guests of friends in Portland the last of the week. A trip up the Columbia highway to Multnomah Falls was much enjoyed. They returned home Sunday evening.

Mrs. Nellie Sayers returned from a visit to Portland and The Dalles the last of the week.

Mr. and Mrs. Arthur Stalker are entertaining their friend, Miss Tooth, of Salem, at their home on Second street, this week.

Miss May Maree, one of the high school girls living in the country, had her arm broken, when the pony she was riding to school, fell, and threw her to the ground. She is attending school right along, and the arm is healing nicely.

B. Levy, proprietor of the People's Market, of this city, has opened a branch meat market at 371 State street, Salem. Ben Levy, a son, will have charge of the market.

An interesting bit of news from North Howell is the marriage of Miss Edith Beer to Lewis R. Sawyer, at the home of the bride's parents, on October 24, in the presence of a large number of relatives and friends.

The wedding was a very pretty home wedding. The bride wore a gown of white crepe and carried a bouquet of white carnations and fern. A lovely centerpiece for the table was a basket of pink dahlias presented by Mrs. A. T. Cline. The wedding march was played by the sister of the bride, Miss Maude Beer, and a dainty lunch was served by a number of the friends of the bride and groom.

At the home of the bride's parents, Mr. and Mrs. T. Amundson, at high noon Wednesday, October 27, occurred the marriage of Miss Edna Amundson and John E. Turner, of Portland. Rev. White officiated. The bride and groom were attended by George and Mabel Amundson, brother and sister of the bride. The decorations were chrysanthemums and the bride's dress was of blue wool crepe and had crepe chiffon trimmings. The wedding was a quiet home affair with only a few near relatives present. They were Mr. and Mrs. C. Amundson, Mrs. J. P. Peterson and son Harry, and Mrs. John Halvorson. The bride is well known in Silverton, having lived in this vicinity several years and is a graduate nurse of Portland. Mr. Turner is a forest ranger of Marion county, and is to be congratulated in his choice of a helpmate. The best wishes for a long and happy life is extended by the many friends in Silverton.

Mr. and Mrs. Mat Small are taking a well earned vacation, leaving for California the first of the week. They are planning on a winter in the sunny southland, and in the spring travel on to the middle west and visit at Mr. Small's birthplace in Tennessee.

Mr. and Mrs. C. H. Bayard and daughter, Bernice, are making an extended visit at the A. O. Lindflatt home, coming over from Aumsville on Tuesday last week.

Mr. and Mrs. E. Patterson, of Gevaul, were visiting the first of the week with old friends in this city.

One of the pleasant events of the week was the banquet in the Old Fellows' hall in honor of the newlyweds of that order. The entertainment planned was games, music and a general social evening. Superintendent James acted as toastmaster. The short talks by the older beneficiaries, and also the prospective ones, was the cause of much merriment. It was a very enjoyable evening for all present.

The funeral of King J. Dale, who passed away at his home at Scott's Mills last Saturday, was held from the United

Lutheran church in this city on Monday, October 25. He is survived by a wife, two daughters and three sons. Interment was made in the Evans valley cemetery.

The Fischers flouring mill has been closed down for several months past, but started up again last Monday. The low water was the cause of no flour being made but it is hoped there will be enough rain fall from now on to assure a steady run.

The home of Mrs. Charlotte Ross South of this city was the scene of a merry gathering last Friday night. The occasion being a surprise party given by a number of the high school young people of Silverton, in honor of the sixteenth birthday of Miss Kate Ross. The surprise was complete and the evening was a success, for every one present had the best time ever. The guests brought refreshments, and Miss Kate was presented with many nice tokens of remembrance. Those present were Kate, Jennie and Amy Ross, Alta and Minnie Davis, Ethel, May and Viola Sanders, Emma Manary, May Marcoe, Doris Moser, Mabel Dahl, Nellie Porter, Don, Earl, John and Ben Ross, Raymond Bristol, Barney Goetz, Quincy Davis, Charlie Harris, George Thornley, Wm. Manary, Harvey Buell, Jack Moser, Allan Porter, Lloyd Davenport, Porter Davis, Mr. and Mrs. J. H. Porter and Mr. and Mrs. L. L. Baller.

### RETURNS A WIDOW AFTER VAIN RACE OVER WAR FIELDS

Mme. Clotilde Garnier.

Having lost in a grim race against death over the red battlefields of France, Madame Clotilde Garnier has returned to San Francisco, which was once her home. Her husband, Lieut. Alain Garnier of the French army, was mortally wounded at Verdun. In response to a telegram she rushed to his bedside, but he died shortly before she reached the hospital.

### Capital Journal Only Complete Paper Sold

The Capital Journal is the only evening daily published in Salem that is a complete newspaper. The Portland papers peddled here are printed in the forenoon about 11 o'clock, are simply the regular edition of the day before with some changes on the first page. They are only extras made up for street sales and out of town circulation, making no pretense to being real newspapers. The Capital Journal on the other hand, contains the complete news wire service up to 3:30 p. m., which is 6:30 p. m. in New York and past midnight in Europe, the seat of the great war. It also contains all the local news of Salem and surrounding territory that is worth while. It is a complete afternoon newspaper and the only one circulated in Salem. When you pay your money for a Portland evening paper here you are merely being "faked" into buying a cheap extra with big headlines on the first page and yesterday's news everywhere else. The Capital Journal sells on the street for 2 cents. Pay no more.

### TALKED ON "THE BIBLE"

Rev. Carl H. Elliott spoke to his junior congregation in the First Presbyterian church Sunday morning on "The Bible" as the most valuable book in all the world. He referred to a set of books that he had recently read that had been issued by a modern government and had cost \$25,000 per volume, \$3,000,000 for the set; but the Bible cost more than this for it cost the lives of many men to write and transcribe and translate. The Bible is valuable because it has cost so much.

But he continued a thing may have cost much and yet not be so valuable. Some things cost more than they are worth. A thing is valuable according to what it makes. A tree may not have cost much and yet be worth a great deal because of the value of its fruit. I recently read of a man in California who has a tree that bears a great number of Alligator pears which retail at from 25 to 50 cents each. His tree is so valuable therefore that he has a strong fence all around it and also has it insured for several thousands of dollars.

The Bible is valuable because of the fruit that it bears. Wherever it is honored and its precepts are obeyed, women are respected and educated. In Egypt where it is scarcely heard of only three women in a thousand can read.

The Bible makes happy homes. Every home where there is love and joy such as the Bible brings is easily worth a million of dollars. Many a person who has had such a home and lost it would rather have it back than many millions of money. Think of the thousands of homes made and kept true and glad through the influence of the Bible, and each one of them worth a million of dollars. Multiply them together and yet you have come short of the real value to the world of this book which would bring love and peace to all the world if we would only let it.

### LOOKING FOR LOST MAN

Tacoma, Wash., Nov. 2.—A posse headed by Sheriff Longmire and a bloodhound, is searching the dense forest west of Shelton on the Satop river today for Harry Atchison, of Tacoma, who became separated from his hunting companions Saturday and has since been lost in the woods.

Word of Atchison's plight was brought here by Dr. Arthur S. Monzingo and his son, who returned exhausted Sunday night. Dr. Monzingo believes that Atchison may be injured. He had two sandwiches with him and has been exposed to a violent storm.

Ernest Blanchard, another member of the hunting party, remained in the mountains and continued the search for the missing man.

### Athison Is Found

Tacoma, Wash., Nov. 2.—Word was received here today from Shelton that Harry Atchison, who had been lost in the wilds of the Olympic mountains since Saturday, and for whose safety grave fears were entertained, has been found. The information came by long distance telephone from Athison's father, who was a member of the posse that set out from Tacoma to search for the missing man. No details of the rescue were given.

It is the Literary Digest that does very well in digesting the contents of some hundred or more daily newspapers. It assimilates because it doesn't indulge heavily in any one in particular.

### High Salaries Secure Good Teachers For Klamath County Schools

That the payment of good salaries, combined with good business methods, will secure teachers that are well prepared for their work, is shown by a report recently filed with Superintendent of Public Instruction J. A. Churchill by Superintendent Fred Peterson of Klamath county. The teachers in the rural schools of Klamath county are paid an average salary of \$77.00 per month, which is larger than the salary paid by any other county in the state to the teachers of its country schools. Upon examining into the preparation of the teachers of that county, it is found that 55 per cent of the teachers are graduates of colleges, universities or normal schools and over 90 per cent of them are graduates of four-year high schools.

In another county of the state, in which the country teachers are paid an average salary of \$55.00 per month, but 13 per cent of them are graduates of colleges, universities or normal schools, and only 77 per cent have finished high school.

### BETTER BABIES

The crusade for better babies has spread from coast to coast, and taken firm hold of American Mothers. Few women realize how much the ill health of the mother influences the unborn child, both physically and mentally. Women who suffer from mysterious pains, backache, nervousness, mental depression, headaches, etc., should rely on Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, which for nearly forty years has been the standard remedy for these ailments.

### EARNED THEIR PARDONS

Jackson, Miss., Nov. 2.—Eleven convicts, six of them "lifers," serving murder terms, were free today under Governor Brewer's pardon, because they offered their lives for pellagra experiments. Six of them are afflicted with the dread disease.

### IS YOUR STOMACH CLOGGED WITH WASTE?

Daniel J. Fry Guarantees to Return the Money If Mi-o-na Does Not Relieve You.

"It's a pleasure to sell a medicine when my customers come in afterward and tell me how much good it has done them," said Daniel J. Fry, the popular druggist to a Journal man, "and that is why I like to sell and recommend Mi-o-na, the dyspepsia remedy. The distribution of samples that I made created so much talk and so large a proportion of those who received a sample have bought a box of Mi-o-na that my clerks have been busy selling the medicine ever since. I have so much faith in this article that I am going to guarantee it in the future, and will return the money to any purchaser of Mi-o-na whom it does not help. That may seem rash but my customers have said so many good words in its favor that I do not expect to have many packages returned.

"Anyone who has dyspepsia, whose food does not digest well, and who has to take thought as to what he can eat, and when, can leave 50 cents deposit at my store and take home a box of Mi-o-na and if the remedy does not regulate his digestion and help his dyspepsia he can withdraw his money. I don't know but what we would be willing to pay him interest."

This shows great faith in the merit of Mi-o-na. It is really a most unusual medicine and the rapid increase of sales since Daniel J. Fry introduced it in Salem shows that it does all that it is claimed to do—relieves dyspepsia, regulates digestion and enables those who use it to eat just what they want with no fear of trouble after.

### BETHLEHEM STEEL DROPS

New York, Nov. 1.—Bethlehem Steel, once up to 600 under the activity in war stocks slumped to 450 today.

### German Ambassador Visits the Secretary

Washington, Nov. 2.—Calling on Secretary of State Lansing for the first time since the liner Arabic case was settled by a German disavowal and offer of indemnity, German Ambassador Von Bernstorff said in advance that important developments of the German-American submarine question were to be taken up.

After a 20 minute session it was learned that while the Arabic and Lusitania cases were discussed, formal negotiations will not begin for several days. Lansing informed the envoy that the Arabic indemnity claims are not ready for formal presentation.

It was assumed he also told him of the navy department's findings that the liner Hesperian was attacked by a torpedo, not by a mine.

### HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hacking, sniffing, blowing, headache, dryness. No struggling for breath at night and your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

### President of Land Show Dies Suddenly

Portland, Or., Nov. 2.—A. J. Kingsley, aged 49, president of the Oregon Chair company, and president of the Manufacturers and Land Products show which is in progress here, died early today following a brief illness.

Kingsley was also director of the chamber of commerce and was identified with every movement in Portland for civic betterment.

The illness which resulted in Kingsley's death is believed to have been brought on by incessant work in making the land products show a success.

Kingsley was well known in business circles all along the Pacific coast.

### THREE MORE ARRESTED

New York, Nov. 1.—Three men, "water pirates," the police said, were arrested today on the Staten Island pier, presumably in connection with the Robert Fay bomb conspiracy. The men's identity and the charges against them, however, were kept a secret.

### CHINA VOTES FOR MONARCHY

Shanghai, Nov. 2.—Election returns continued today to indicate that China had registered overwhelmingly for a monarchy to replace the present republic. Northern China accepts the result as fair; southern China threatens disorders. The government is taking precautions.
