

THIRTY-EIGHTH YEAR.

SALEM, OREGON, SATURDAY, NOVEMBER 6, 1915

PRICE TWO CENTS. ON TRAINS AND NEWS STANDS, FIVE CENTS.

"CLAM DIGGERS" WILL PLAY "GOLD DIGGERS"

Washington Team Is Favorite and Is Confident of Winning - Oregon University Also Confident of Chasing the Grizzlies To Their Lair the Big Games Back East Attract Much Attention--Other Sport News From All Sections of the Country

University of California, Nov. 6. - Blue and Gold and Purple and Gold meet on California field this afternoon.

contest that is expected to prove one of the hardest fought of the present football season.

Betting, which was rather brisk among the student followers of the two eleven's, was mostly at even money.

With a perfect day for football, the turf in excellent condition, and the prospects of one of the bitterest struggles in the history of California field, intense interest is being manifested on all sides.

California goes into the game knowing it is backing a team which is far its superior in the fine points of the game, and outweighs it by several pounds to the man.

The advance sale of seats was heavy and practically all the seats in the rotunda section and the higher priced bleacher seats were sold.

Every man on the California team is in tip top condition with the possible exception of Montgomery, who will start nevertheless.

The following are the official line-ups: Washington. California.

Rain Greet Webfooters. Los Angeles, Cal., Nov. 6.—Fearful skies greeted football bugs when they clambered from their feather beds here today.

Bovard field, where Oregon and the University of Southern California football eleven's meet this afternoon, was a bog.

A fine, penetrating drizzle was falling, and the heavens presented an uncompromising leaden complexion.

The Washington "Durhams." Seattle, Wash., Nov. 6.—According to available figures here today the weights of the Washington football team as announced today are considerably higher than Coach Dobie claims.

Noted Horseman Dead. Oakland, Cal., Nov. 6.—Tom Williams, noted race horse operator, and who is known in every section of the globe, died here today.

Prince Was Great Team. (By George E. Holmes.) Princeton, N. J., Nov. 6.—The best Princeton eleven in a decade will meet Harvard this afternoon in a gridiron

Serum Tests and Foot And Mouth Disease

An official statement in regard to the recent reappearance in northern Illinois of the foot-and-mouth disease after it had been apparently stamped out early in the year, was issued today by the United States Department of Agriculture.

tion no further cases have been reported from Michigan, Minnesota or Indiana.

Was Pronounced Pure

In addition to these measures adopted to control the spread of the disease, samples of the serum actually used were procured from the owners of the infected herds and also samples of the remaining stock of the Chicago Serum company.

Up to this time, therefore, four series of tests had been made in which a total of 52 animals had been used. None of these 52 animals developed foot-and-mouth disease and the inoculations afforded no evidence that the serum was in any way contaminated.

Disease Discovered

The department's statement is as follows:

In October, 1914 an outbreak of foot-and-mouth disease—the first in this country in six years—was discovered in the vicinity of Niles, Michigan.

Satisfied With Proof

This is regarded as proof that the suspected serum actually was infected. Why the standard tests used on 61 animals failed to reveal this fact is a matter for scientific investigation and the bacteriologists of the department, are now at work upon this problem.

Disease Spread Quickly

On November 1 this belief was strengthened by the discovery of the disease in the cattle being exhibited at the Dairy Show in the immediate vicinity of the yards.

To Doctor the Medicine

In the department, experiments are now being vigorously prosecuted with a view to discover a means of treating serum at the time of its manufacture which effectually will kill the virus of foot-and-mouth disease.

Serum Was Affected

During the ensuing six months the disease, which had spread widely over the country, was effectively combated by the slaughter of all exposed herds.

Department Has no Control

The problem of producing serum which will be effective in controlling hog cholera and at the same time will be absolutely safe in general use is complicated by the fact that the department of agriculture has no authority over serum plants which dispose of their products exclusively in the state in which they are manufactured.

Arrangements were accordingly made by the Chicago Serum company for a test under the supervision of the department.

On August 8 the inspector in charge of field inspection at Chicago telephoned to Washington that a case of foot-and-mouth disease had been discovered in a herd which had been introduced with this serum in Cook county, Illinois.

Serum Spread Disease

On August 8 the inspector in charge of field inspection at Chicago telephoned to Washington that a case of foot-and-mouth disease had been discovered in a herd which had been introduced with this serum in Cook county, Illinois.

DEDICATION OF STAYTON HIGH SCHOOL

- Song School Music Orchestra Address Mayor Beauchamp Oration C. P. Burmaster Song H. S. Chorus Lecture (pictures) F. L. Griffin Music F. L. Griffin Orchestra Address Supt. W. M. Smith Instrumental W. Brown Address Supt. Elliott, Salem Music Stayton Mail.

A baby submarine will have a crew of only two men. Will there be leisure enough for a game of old sledge company's sake?

Did It Ever Happen to You? - By Mort Burger

RUB RHEUMATISM PAIN FROM SORE, ACHING JOINTS

Rub Pain Away With Small Trial Bottle of Old, Penetrating "St. Jacob's Oil"

What's Rheumatism? Pain only. Stop drugging! Not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" directly upon the "tender spot" and relief comes instantly.

Road Record For the Touring Cars

Wiping the slate clean of all former records in rapid transit by motor car or by train between Detroit and Indianapolis, Ray McNamara in a stock Maxwell touring car has just registered a performance at which, it is freely predicted, dust eaters of the two cities will shoot for some time in vain.

McNamara's outgoing trip from Detroit was made in 8 hours, 58 minutes; the return trip in ten hours, 42 minutes.

Checked at Both Ends. The Maxwell was checked out of Detroit by W. D. Eubank, American Automobile Association representative, at 3:11 a. m.

The Maxwell was checked out of Detroit by W. D. Eubank, American Automobile Association representative, at 3:11 a. m. It was checked in at the Soldier's Monument in Indianapolis—311 miles away—at 12:09 p. m.

Through Three States. The route chosen for the tour included Ypsilanti, Tecumseh, Adrian and Morenci, Mich.; Bryan and Hicksville, O.; Port Wayne, Huntington, Marion and Anderson, Indiana.

WEB FOOTERS TOOK THEIR WEATHER WITH THEM

Los Angeles, Cal., Nov. 5.—Oregon's football eleven brought its own weather along with it when it invaded southern California.

Bush Driver's "Stunt"

After winning the 25-mile free-for-all at Claysville, W. Va., W. L. Peatt amazed the crowd by turning his Maxwell in two consecutive circles at full speed, just to demonstrate that he had never been in danger of enjazzing on the turns, while the race was on.

A 70,000-Mile Maxwell.

Charles A. Bevier, of New Haven, Conn., has a Maxwell "25" touring car in which he has already driven more than 70,000 miles about his home and on the New England roads.

Baseball Star Joins Maxwell.

George Sider, former captain of the University of Michigan's baseball team and now star pitcher and batsman of the St. Louis Browns, has joined the sales staff of the Maxwell Motor Sales Corporation of Detroit and will be giving a road assignment, during the off-season.

THE YAKIMA MUDDLE.

North Yakima, Wash., Nov. 5.—Judge Presbie has declared legal the appointment of W. L. Dinwiddie, W. E. Cunniff and Y. Freeman, county commissioners following the recall of former commissioners two weeks ago.
