DON'T SUFFER—LAUGH AT STOMACH MISERY

Daniel J. Fry Will Return the Money If Mi-o-na Does Not Relieve Dyspepsia.

Among all the remedies in Daniel J. Fry's popular drug store, there are few that he is willing to sell on a guarantee to refund the money if they do not cure. Mi-o-na, the famous dyspepsia remedy has helped so many of his customers that Daniel J. Fry says, "If this remedy does not relieve you, come back to my store and I will cheerfully return your money."

Anyone who has dyspepsia, indigestion, headaches, dizzy feelings or liver troubles, should take advantage of this chance to be made well without any risk of spending their money to no purpose. Mi-o-na will relieve you, will regulate the digestion, will enable you to eat what you want. If it does not do all this it will not cost you a cent. Daniel J. Fry has sold hundreds of boxes of Mi-o-na in the last few weeks and has yet to receive the first complaint from any customer. Such a record is simply marvelous and speaks volumes for the merit of the remedy. It is easy enough to fill a column with the symptoms afflicting those who have dyspepsia, but there is no need of describing their condition. What they want is relief and they can get it in Mi-o-na. Do not suffer a day longer with disordered digestion. If Mi-o-na relieves you it costs you 50 cents a box, if it does not, you have Daniel J. Fry's personal guarantee to return your money.
