ALINE THOMPSON

The meeting of the Salem Woman's club Saturday afternoon in the public library will be an unusually interesting one. Mrs. Florence O. Cartwright's "Frolic and Fancy in Shakespeare Land" will be an attractive topic to the lovers of "Our Myriad-minded Shakespeare." Mrs. Cartwright is especially qualified in Shakespearean lore and her power of expressive interpretation makes any program on which she may appear inimitable. Of much interest to the members of the woman's club will also be the organization of a Shakespearean department by Mrs. F. A. Elliott, president. This branch of the club will be entirely along different lines and apart from the regular dramatic work.

Vernal Beach will join his mother, Mrs. J. V. Beach in Portland the latter part of the week, when they will leave for a several months sojourn to San Francisco and California.

Mr. and Mrs. Rollin K. Page's attractive home was the meeting place for the Merry-Go-Round club Tuesday evening. Card favors were captured by Mr. and Mrs. A. N. Moores. Mrs. Max Barren, Mrs. J. N. Smith and Mrs. Alton assisted in serving.

Miss Eula McCully, who has been the guest of Mrs. Cooke Patton for several days, returned to her home in Hood River Wednesday.

Miss Anna Yantis returned Sunday from a week end visit in Portland with her brother, David Yantis, and family. Mr. and Mrs. W. P. Babeek have as their guest, W. N. Drybread, of Edinburg, Indiana, who is en route to San Francisco. From California, Mr. Mrs. Charles McNary, Mrs. O. R. Shueking, Mrs. Thomas Livesley and the hostess.

Miss Helen Whitney, of Portland is the house guest of Miss Ellen Thielson. Miss Whitney will be here several weeks and will no doubt be the inspiration of many little affairs.

Mrs. T. C. Smith, Jr., was a delightful hostess Wednesday afternoon for the Kensington club. Mrs. W. G. De Beck, who is the guest of Mrs. Thomas Livesley, was an additional guest.

Mrs. E. Cooke Patton was hostess Monday afternoon for the ladies of the northeast section of the First Congregational church. A delightful afternoon was spent in preparing attractive articles for the Christmas bazaar, which will take place at the church, December eleventh. Miss Eula McCully assisted in serving.

In honor of Mrs. David Yantis, of Portland, formerly of Salem, and Mrs. Joseph O'Keefe, Mrs. Frank Henderson entertained Friday with a prettily appointed luncheon, in her apartment at the Tutor Arms. The table was centered with a lovely mass of delicate pink Cecil Bruner roses, and violets intermingled with ferns from which long pink satin streamers found their way to the individual places, terminating with a corsage of the same flowers. Covers were placed for eight.

The first meeting of the Beethoven club was held in the studio of Miss Joy Turner at the college of music on Saturday afternoon. This club, which was organized by the younger students of Miss Turner, will meet once a month to study the biographies of different musicians and the theory of musical art. Those who took part in the program were: Maude Engstrom, Elizabeth Thompson, Pearl Ostermann, Marion Emmons, Oeda McFarlane, Margaret Johnson, Paul Purvine, Neal Wesson, Floyd Siegmund.

The wedding of Miss Ella Magers and Will Skinner, both of Salem, will take place in San Francisco Friday, November 12, 1915. The groom-to-be left last night for San Francisco, where the marriage will take place. After a several weeks tour of San Francisco and California they will return to Salem to make their home.

Herchel Emmel was pleasantly surprised Monday evening by his sisters, Aetna and Esther, when a few friends gathered to celebrate his birthday. Games and music furnished the diversion for the evening, after which the guests proceeded to the dining room where a dainty lunch was served. Those critical were: Misses Beck, Dodge, DeLong, Waiton, Messrs. Braiden, Lemmon and Taylor.

Mr. and Mrs. Elmer Atterton announce the engagement of their daughter, Mildred, to James L. Moorman. The wedding will take place early in the year.

Miss Mable Brown will entertain the D. P. M. Sunday school class of the Jason Lee church Saturday afternoon at her home on North Winter street.

Dr. and Mrs. J. R. Pemberton are being congratulated upon the arrival of a daughter, born Wednesday, November 10.

Makes Stubborn Coughs Vanish in a Hurry

Surprisingly Good Cough Syrup Easily and Cheaply Made at Home

If some one in your family has an obstinate cough or a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 2 1/2 ounces Pinex and make it into a pint of cough syrup, and watch that cough vanish.

Pour the 2 1/2 ounces of Pinex (50 cents worth) into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 64 cents, and gives you a full pint—a family supply—of a most effective remedy, at a saving of 82. A day's use will usually overcome a bad cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

It's really remarkable how promptly and easily it loosens the dry, hoarse or tight cough and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. A splendid remedy for bronchitis, winter coughs, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiaicol, which is so healing to the membranes.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex," and do not accept anything else. A guarantee of absolute satisfaction goes with this preparation or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

COURT HOUSE NEWS

Ed Moullette, alias Ed Dale, alias Ed Cridler, was arrested yesterday by Sheriff Esch under the alias of Ed Davis and lodged in the county jail under a charge of forgery. Moullette was bound over to the grand jury by the justice of the peace of the Hubbard district upon the evidence introduced at the preliminary hearing, which purported to show that Moullette passed two worthless checks at Aurora, and it is alleged forged the names of William Hurst and Ezra Hurst, members of a commission firm at Aurora.

Moullette was arrested in 1913 on a forgery charge and pleaded guilty before Judge Kelly and was sentenced to two to 20 years in the pen and then paroled from the bench upon the recommendation of the district attorney. Moullette's defense was that he was drunk at the time he passed the bad paper in 1913. Now that he has broken his parole he will be taken to the pen immediately upon the return of Judge Kelly to this city to begin serving his sentence on the two to 20 year jail. He will be brought into court to be tried on this second charge in the event that he is indicted by the grand jury at his next session.

WILLAMETTE NOTES

Prof. Wallace MacMurray's lecture, "An Appreciation of the Best in Modern Literature," Tuesday night was well attended and was much appreciated. He gave some fundamental laws and principles that were necessary to the appreciation of literature. He particularly emphasized the fact that we should study more and more the modern dramas and not think that all of the best dramas were produced in the past. In order to keep our thoughts abreast with the times it is necessary to study the thoughts of the great minds of the present; we should, however, know past literature to an extent, but it is usually brought out in modern dramas. A more detailed report of the lecture will appear in Saturday's Journal.

Prof. J. O. Hall addressed the student body at chapel yesterday morning. His message was one dealing with education, in it he advocated the concentration of the student to his studies; not to make his knowledge a smattering of a little of everything, but to devote more time to the things really worth while. He quoted the well known phrase:

"A little knowledge is a dangerous thing. Drink deep, or taste not the Pyrean Spring."

Concentration is a storing up of energy, said he.

Mrs. Sakison, of Superior, Wisconsin, is visiting with her daughter, Mrs. J. O. Hall. She will remain until after the Thanksgiving holidays. She likes the west very well, especially the delightful climate.

Miss Junia Todd, preceptress of Lausanne Hall, will give an address to the Y. W. C. A. tomorrow afternoon entitled, "The Social Standard for the Campus." That it will be worth while is attested by the fact that Miss Todd always draws a large crowd when she gives a talk to the girls.

The Websterian Literary society will have an interesting meeting this evening, among the many things to be considered are: Election of officers for the coming quarter, initiation of members, and an interesting literary program, at which the question, "Resolved that the news paper does more to mould public opinion than all other forces combined," will be discussed. The meeting will start at 7:30. Visitors are welcome.

SEATTLE MAN KILLED.

Portland, Or., Nov. 11.—Injured when he either fell or was knocked by a street car from a trestle on the Vancouver line late yesterday, Charles Smith, aged 46, believed to be a stockman of Seattle, died today. Smith landed on a log boom beneath the trestle.

BRITISH DELEGATE STIRS ENTHUSIASM

In Address To Federation He Counsels Strict Neutrality

San Francisco, Nov. 10.—Giving the lie to those who, he said, blackened the name of English labor, C. G. Amman, British fraternal delegate to the A. F. of L. convention swept the other delegates to their feet today with a declaration for unity of workers of all races. "There is no reason," he shouted, "why the workers of Germany, France and Austria should not be gathered here on neutral soil today."

"The workman has no quarrel with his fellow workman, but the men who blackened the labor cause know no race nor boundary."

"It has been reported to you that labor failed England in her crisis. You have been told that the workmen were drunk when needed. "There never was a more infamous lie."

"You have been told that the men will not volunteer. More men are coming forward than are needed. Conscription is desired by the capitalistic class to fasten a strangle hold on labor after the war."

He closed amid applause with a warning to American workmen to keep out of the struggle.

President Gampers was ill abed with a bad cold. First Vice-President Duncan presided in his stead.

Ernest Bevin, fraternal delegate from Great Britain, called forth svasos of applause when he said the despotism of Europe must give way to the democracy of the workers.

"The time will come where there will be no place for kings," he said. "All the kings in the world have not been worth as much as one family of pioneers that trekked across the Rocky mountains and braved the hardships in a new land."

He closed amid applause with a warning to American workmen to keep out of the struggle.

Injured in Auto Collision.
Bert Newman, of Salt Creek, was quite badly injured Sunday evening when an automobile driven by Thomas Roberts, of Salem, ran into a rig he was driving on North Main street. Mr. Roberts claims that the rain on the windshield of his machine so obscured his vision that he did not see the approaching vehicle. Newman and a companion were thrown from the buggy and the former so severely injured that he was taken into the Brown garage and Dr. L. A. Bolman summoned who found it necessary to take several stitches in a cut on the young man's forehead. Mr. Roberts has offered to settle all bills incurred by the accident and sent his car to the Salt Creek home of the injured lad Monday morning and had him brought to this city for medical treatment.

For the past several years they have made their home in Polk county.

Fair Appropriation Doubtful.
According to a statement of County

Judge John B. Teal, complaints having been registered from several sections of the county against the appropriation of money for the maintenance of the Polk county fair, it is doubtful whether the county will include in its budget for the coming year any money for the use of the county fair association. The judge holds that the benefit derived from the annual exhibit is not sufficiently great to warrant the expenditure. It is furthermore alleged by those who are not in favor of the appropriation that the fair is simply a local affair and that the benefits derived from it are mostly by Dallas people and that the people of this city should maintain the fair without asking aid from the county court. The fair management will file its annual report with the court within a few days and it is hoped that this will have some influence on the court in continuing its aid towards the fair.

W. V. Fuller and C. O. Tennis left Monday afternoon for the woods near Carlton where they will resume their cruising operations for Yamhill county. W. Wynne Johnston left Monday for Los Angeles, California, where he has accepted a position as business manager of one of the big daily papers.

PRESIDENT WILL CONFEE.
Washington, Nov. 11.—President Wilson will hold a series of conferences with republican leaders regarding their stand on his military preparedness program, the White House said today.

Nothing Stops This Man

The man with vigorous, virile health, and a clear mind, who brushes away obstacles, and rejoices in overcoming difficulties, is bound to succeed. His is the joyous outlook on life.

Physical and mental conditions like these come largely through proper eating—"Food makes the man."

Now it is a fact—attested by food experts—that the modern dietary is woefully lacking in the very elements that put success into a man. They are the mineral salts—Phosphate of Potash, etc. White bread is almost wholly lacking in them. But there is one food that richly supplies these vital elements, and that food is

Grape-Nuts

Made from whole wheat and barley, Grape-Nuts contain all the nutriment of the grain, including the valuable mineral salts. It is easily digested, is concentrated and has delicious taste. A daily ration of Grape-Nuts along with other food helps build vigorous bodies and keen brains.
