PROPERTY VALUES ON STATE TAX ROLL ARE REDUCED \$17,000,000

County Assessors in Nearly All Counties Decrease Their Estimates

The assessed valuation of the property of this state, exclusive of the corporations which are assessed by the state tax commission, for 1915 is \$812,518,440 which is \$10,410,236 less than the 1914 assessed valuation of \$822,928,676. The total decrease, however, is in reality over \$17,000,000 as \$6,631,455 was added to the 1915 tax roll in Douglas county which was not on in 1914 when the O. & C. congressional lands were replaced on the roll for that last year.

First Bill For District Registrars Comes In To County Clerk

The fact that every rose has a thorn as well as an odor and that very new county or state office created has a small fee attached no matter how insignificant the office, was brought out this morning when the state board of health sent in a bill for \$23.25 to the county clerk for payment. The bill represents the fee for the registration of births and deaths in this county since the new law went into effect sending district registrars.

WHY IT SUCCEEDS

Because It's For One Thing Only and Salem People Appreciate This. Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills are for one thing only. For weak or disordered kidneys. Here is Salem evidence to prove their worth. John I. Conger, prop. printing shop, 545 N. 17th St., Salem, says: "My back got weak and sore and my kidneys did not act as they should. At times I could hardly straighten. Knowing about Doan's Kidney Pills, I used them and they gave me relief from the first. It took Doan's Kidney Pills only a short time to rid me of kidney trouble." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Conger had. Foster-Milburn Co., Props., Buffalo, N. Y.

STAYTON NEWS

Miss Katie Shelley is home from Waldport, where she has been teaching school. She will remain here for an extended visit with home folks. Mr. and Mrs. C. A. Luthy and daughter, Zelma, of Stayton, were Sunday visitors at the E. G. Siegmund home. Mr. and Mrs. Siegmund accompanied them home and on Monday went to Salem where they will be the guests of relatives for a week or ten days. J. W. Apple was a Standard visitor Thursday on his way to Salem to visit his family. Mr. Apple and nephew, Algio Moss, will conduct the farm while Mrs. Apple resides in Salem, giving the girls the benefit of the city schools. Dan Doll and wife entertained a party of friends at dinner on Sunday, in honor of their fourth wedding anniversary. Those present were: John Kerber and wife, Joan Thoma and wife, Master Leonard and little Miss Adeline Thoma, Miss Mary Frank, Miss Marie Henkel and Frank Kerber. Mr. and Mrs. V. Dare Sloper returned the first of the week from their honeymoon trip to the exposition and have since been receiving the hearty congratulations of their many friends. They report a very pleasant trip and enjoyed the exposition and visited the U. S. mint, where Mr. Sloper had the privilege of a lift on a brick of pure Chinese gold weighing nearly 150 pounds. Hon. W. H. Hobson tells us that the latest reports from his daughters who are receiving medical attention in Portland are to the effect that Mrs. Peery, of Seico, who underwent a severe operation for stomach trouble is getting along nicely, and will be able to return home before long. Mrs. Pintler is also getting along very favorably. Dr. Pintler is with her, and as he has a competent dentist in charge of his work here, will probably be gone until his wife is able to return with him. A party of about 40 young folks gathered at the Nick Neitling home for Sunday evening, November 7th and gave them a pleasant surprise. The evening was spent in dancing and card playing until a late hour. At midnight refreshments were served. Those present were Misses Wilena Wagner, Grace Hottinger, Helen Prezes, Lucile Phillips, Loua Basl, Esther Willing, Kate Schulteheim, Genevieve Phillips, Rosa Basl, Marie Greiner, Anna Neitling, Minnie Shasler and Frances Neitling. Mrs. Jasper Phillips, Frances Hughes, Mrs. Nick Neitling, Messrs' John Giebler, Sylvester Wourms, Carl Schulteheim, Anton, George, Chris and Mike Neitling, Gus Hendricks, Fred Wourms, Bill Basl, John Neitling, Chris Greiner, Frank Basl, Vince Ritzinger, Ben Basl, Theodore Prezes, Jake Hafner, Gyles Wagner, Casper Greiner, J. Boatload of Survivors Not Accounted For

London, Nov. 15.—What happened to one boatload of survivors of the Italian steamship Bosnia, torpedoed by an Austrian submarine, was still in doubt here today. Some reports said that three of the lifeboats had been accounted for, but there were fears for the fourth. Announcement of the sinking yesterday did not state the location, but it was presumably in the Mediterranean. The Bosnia is the third victim of the Austrian undersea boats. To officials here it appeared that Austria has opened a definite submarine campaign against Italy followed up by the campaign of "frightfulness," in which her ally Germany indulged for months.

DO YOU FEEL HEADACHY? LOOK TO YOUR STOMACH

It is an unusual thing for a druggist to sell medicine under a guarantee to refund the money if it does not cure. Yet this is the way Daniel J. Fry, the popular druggist, is selling Mi-o-na, the standard dyspepsia remedy. Never before has he had so large a number of customers tell him that a medicine has been successful as with Mi-o-na. People who a few months ago looked like walking skeletons have put on flesh and today are ruddy and vigorous with perfect digestion and good health. There is no longer any need for anyone suffering or making their friends suffer on account of dyspepsia. Mi-o-na can always be relied upon. The percentage of cures is so great that there is little risk to Daniel J. Fry in guaranteeing to return the money if the medicine does not relieve. And he stands ready to do so without any questions. Headaches, all forms of indigestion, specks before the eyes, dizzy feeling, poor sleep, ringing in the ears and all forms of liver trouble are helped by Mi-o-na. A few days' treatment should show considerable gain in health while a complete cure often follows rapidly. These days are the best in the whole year for the enjoyment of good health, and Mi-o-na will put you in such perfect condition that you can enjoy every minute of them.

Foster, who was 82 years, was well known in the northwest and at one time was prominent in Tacoma politics. He had been in the employ of the railroad 31 years and for the past five or six years had been on a run between Centralia and Willapa harbor. Grand honors for the best county exhibit at the land show go to Morrow county. But Polk, Union, Baker and the rest will have another chance next year.
