nerves, increase the appetite and improve the digestion. When women find themselves in a tired, nervous condition, or suffer from sick headache, biliousness, and loss of appetite, it shows that the system is run-down and unable to respond to the demands which Nature imposes on it. Every woman should know what these conditions mean, and that the way to find quick and sure relief, is to take

Justice Benson Reverses Former Opinion of Supreme **Court Justice Bean**

The "Statute of Frauds" received a thorough review in an opinion handed down by Justice Benson, of the Su-preme court this morning in which a former opinion by Justice Bean was reformer opinion by Justice Bean was re-versed upon an argument on rehearing in the case of J. W. Taggert against J. N. Hunter and William Staats. The fact that the Statute of Frauds deals, with the real estate business is no re-thection upon the profession but simply establishes the basis of contracts be-tween the client and the real estate op-crator.
