

WE MUST SELL SHOES

We have signed contracts with a half dozen of the largest eastern manufacturers to furnish us shoes for the coming season, and on account of advances on all kinds of leather we have made much larger contracts than in former seasons. These things, coupled with the uncertain style conditions, make it compulsory that we dispose of all shoes now in stock.

The best dressers of Salem are looking to us to furnish the new things in all kinds of footwear, and this also makes it imperative that we keep our stock constantly on the move, replacing styles with the newer ones as fast as they are created. Our close connections with the style centers of the east make this possible.

Organized System of White Slavery

Seattle, Wash., Nov. 18.—Strong indications that an organized system of white slavery exists here, that girl victims are procured and forced into disorderly houses, developed today when Prosecutor Alfred Lundin opened an investigation into red light conditions before the grand jury.

Another phase of the situation, Ludin believes is that many disorderly houses operating here are doing so under so-called "police protection."

An effort is also being made to learn whether gambling houses are likewise protected, and whether a certain ring of men control them or they are operated by individuals.

To this end a number of Japanese were questioned last yesterday, among them being some that were trapped in a recent gambling raid conducted by the sheriff's office.

What Shall Be Done With Stocks of Liquor

Portland, Nov. 18.—What shall be done with the stocks of liquors that will be on hand in Oregon when the state wide prohibition law goes into effect January 1 was a question that came in for discussion at the state convention of the Anti-Saloon League yesterday.

Attorney General Brown pointed out that the law makes no provision for the disposition of the liquor stocks that will be on hand when the prohibition law goes into effect, nor is it unlawful for the owners of stock to keep it on hand, so long as they do not sell it nor permit persons to gather in their places to drink it.

It was also brought out that the liquor could not be lawfully shipped out of the state because the law prohibits a common carrier from accepting for shipment packages containing more

GOVERNMENT MAY CONSTRUCT BATTLESHIPS

Secretary Daniels Severely Arraigns Attitude of Ship-building Concerns

Washington, Nov. 18.—Every element connected with battleship building may be put under government ownership.

Secretary of the Navy Daniels announced today that "because of a most serious situation that has arisen in our national defense program," the administration has under serious consideration such a sweeping move.

His announcement followed advice that three private bidders on new American navy battleships might perhaps be greatly delayed in constructing them because of inability to obtain supplies promptly.

"They come to us," he said, "asking for contracts on just the plea that they will be needed in time of war as part of the nation's preparedness. Now, when there is a profitable business abroad, they ship their supplies and munitions there, and leave this government to await their convenience."

The plans under contemplation include government-owned or leased iron works, shipyards, armor plate factories and everything else needed in building the nation's great sea dogs.

The chief obstacle to building vessels either at the Mare Island or Philadelphia navy yards is the time required to install necessary equipment. Daniels learned that it would cost \$200,000 alone to equip the Philadelphia yard, but nevertheless this would still be cheaper than if the vessels were to be built by private concerns.

HAZEL GREEN NEWS

(Capital Journal Special Service.)

Hazel Green, Nov. 18.—Reveling meetings are being conducted at the church by Rev. Doris, of Castle Chapel, Salem. Meetings will continue through this week and possibly longer. A special meeting for men only will be held Wednesday evening.

By consent of the class of Bereans, no regular meetings will be held during the revivals.

Sunday evening, November 21, a special Endeavor meeting will be held, leaders being Naomi Payne and Velma Shepherd. As this is a Thanksgiving meeting a pound social will be in order. Each person coming is requested to bring a pound of something, vegetables, fruit, etc. The proceeds will be sent to Mrs. Meese, of Portland, whose husband, Rev. Meese, died recently, leaving his wife and children in destitute circumstances. A large attendance is urged as this is a worthy method of helping one in need and causing Thanksgiving to be truly what it should be.

The Hayesville Endeavor convention was held Sunday at the Hayesville church. Hazel Green sent two delegates, Lucy Peoples and Mary Dunigan, who gave an extremely interesting report Sunday night at the Endeavor. Part of the report given by delegates was as follows: "Address" by Pres. Peike; Sermon by Rev. Harry Marshall; also one by Josephine Hockett, pastor of Friends' church in Salem. Music was furnished by Chas. W. band. Officers elected for ensuing year being: President, A. H. Barker, of Rural Chapel; vice-president, Lucy Peoples, of Hazel Green; secretary, Rochie Bronceico; treasurer, Rudolph Hansen, of Hayesville. The next convention will be held at Hazel Green in May.

The matter of getting a piano for the school has been placed in the hands of Mrs. Robert Massie, the primary teacher of the school. Prospects are bright for the securing of an instrument which is sorely needed and will be greatly appreciated.

Mr. and Mrs. Bliss Zielinski were visitors in Salem Sunday.

Mrs. P. H. Zielinski and daughters, Elizabeth and Vera, were guests, Sunday, at the Edw. Dunigan home on Howell Prairie.

Miss Gladys Van Cleeve was the guest of Miss Charlotte Russell Saturday evening.

Mr. Edw. Dunigan, C. E. Russell and Charlotte Russell were in Salem Saturday on business.

Jack Dempsey, of Portland, was a week end guest at the home of Elvin Arnold.

Mrs. Lenore Pettit has departed for Salem for a few weeks stay.

Mr. Will Arnold is at home for the winter, after spending the summer as an employee of Alfred Humphries of the Waldo Hills.

Word has been received of the death of Mrs. George Zielinski, of Oregon City, but formerly a resident here. Funeral services will be held at the Catholic church in Salem. Interment will take place at the Brooks cemetery. Mrs. Zielinski's death will be heard with sorrow by the many friends of the family here as she was well known and

than two quarts of spirituous or 24 quarts of malt liquor.

Attorney General Brown said unless this stock is gotten rid of bootleggers may be expected to flourish.

Harley Harvey, of Salem, has been employed at the O. M. People's farm the past week.

BRIGHTER CHILDREN

Children are probably brighter today than a generation ago—but are they stronger? That's a grave question. So many pinched faces, dulled eyes and languid feelings make us wonder if they will ever grow into robust, healthy men and women.

If your children catch colds easily, are tired when rising, lack healthy color, or find studies difficult, give them Scott's Emulsion for one month to enrich their blood and restore the body-forces to healthy action.

Scott's Emulsion is used in private schools. It is not a "patent medicine," simply a highly concentrated oil-food, without alcohol or harmful drugs. It cannot harm; it improves blood; it benefits lungs and strengthens the system. Your druggist has it—refuse substitutes.

Great regret was manifest Saturday when the news of John Alexander's death was received. While not a resident here John was well known and his death came as a shock to many of his friends and acquaintances. He was formerly a member of the church here and took active part in all church work. Funeral services were held Sunday and burial took place in Claggett's cemetery.

At a business meeting held November 6, the H. G. L. S. voted to change the night of meeting from Saturday to Friday night. So Friday night, November 13, a goodly crowd gathered and dispensed the following literary products. First a debate on the question, Resolved, That George Washington was a greater man than Lincoln. Decision was given in favor of the negative, the judges being Raymond Zielinski, Clement Wolf, Frank Zielinski. A short program then followed after which the reading of the paper was enjoyed. The following officers were elected to serve the ensuing term: President, Maurice Dunigan; vice-president, Frank Zielinski; secretary, Elizabeth Zielinski; treasurer, P. N. Rasmussen; editor, John Cornwall; scribe-at-arms, Royce Cornwall. The subject of the next debate is, Resolved, That Woman Suffrage is undesirable. Leader for the affirmative, Will Dunigan, assistants, Anton Rasmussen and Frank Zielinski; negative leader, Royce Cornwall, assistants, Elizabeth Zielinski and John Cornwall.

WHITE DENIES CHARGE

Los Angeles, Cal., Nov. 18.—Herbert E. White, real estate dealer, accused by Mrs. Alice E. Hammill of having killed Charles E. Pendell, aged diamond broker and money lender in 1913, today flatly denied all the woman's allegations. Hours of cross examination by police detectives failed to shake his denial. No formal charge against White has been made. Mrs. Hammill hysterically reiterated she saw White strike down Pendell with a revolver. White says the woman is insane.
