

ALINE THOMPSON

AN informal but exceptionally pretty tea was the diversion planned by Mrs. A. M. Cannon Monday to honor her sister, Mrs. Merrill Moore, a bride of the early fall, who has just returned from her wedding tour.

The Cannon residence was thronged with the younger matrons and maids who were eager to welcome the charming acquisition to their set. A general decorative scheme of yellow was developed with chrysanthemums, roses and other flowers, making a harmonious background for the gowns of the hostess, honor guest and assistants.

Presiding at the prettily adorned tea table were Mr. George F. Nevins, Mr. Edwin Maultz, Mrs. F. J. Patterson, and Mrs. George William Gray, of Salem. They were assisted by Miss Marjorie Hall, Marian Reed, Grace Howland, and Elizabeth Kirby.

Further assisting the hostess in the drawing room were Mrs. C. H. Smith, Mrs. F. E. Smith, Mrs. H. P. Gilbert, and Miss Hazel Robb.

Mr. and Mrs. Moore will be extensively feted by their large circle of friends and relatives in and around Portland—Oregonian.

Bolinger, and Gordon McGilchrist, son of Mr. and Mrs. William McGilchrist, Sr., which will take place this evening at six o'clock in the First Christian church. The Rev. P. T. Porter will officiate.

The ladies of the North Salem Woman's club met on Tuesday at the home of Mrs. J. T. Nadon, on North Cottage street. During the meeting a committee was appointed to select the furnishings for a room in the new Y. W. C. A. building, and a chapter was decided upon for the North Salem Camp Fire Girls, Mrs. John Dubuis being chosen. After the business hour a delightful program was given by the following: An original piece of poetry written by one of the absent members was read by Mrs. Lloyd Wilson, the president; Miss Leona Weidner gave several enjoyable piano selections; Professor Frank Alley played a number of well chosen mandolin pieces; Mrs. Merlin Harding and Mrs. Frank Albright sang several solos; Miss Nora Purvine rendered a number of selections on the piano, and Mrs. W. F. Fargo gave a reading. Later comments and discussions were passed by the club members upon their new magazine.

Ends Dry, Hoarse or Painful Coughs Quickly

A Simple, Home-Made Remedy, Inexpensive but Unequaled

The prompt and positive results given by this pleasant tasting, home-made cough syrup has caused it to be used more homes than any other remedy. It gives almost instant relief and will usually overcome the average cough in 24 hours.

Get 2 1/2 ounces Pinex (50 cents worth) from any drug store, pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. This makes a full pint—a family supply—of the most effective cough remedy at a cost of only 54 cents or less.

Pinex is a highly concentrated compound of genuine Norway pine extract, rich in vitamin and is famous for its effect in bronchitis, whooping cough, bronchial asthma and winter coughs.

To avoid disappointment in making this, ask your druggist for "2 1/2 ounces of Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

San Francisco, Nov. 25.—Tell your mother all, girls. That was the advice today of pretty, vivacious nineteen year old Mrs. Edward Douthett, whose romance was blasted just a day after marriage. She declared that if she had confided with her mother she would not now be a divorcee.

She told the judge, who granted her decree, that her husband struck her and flirted with other girls only a day after their wedding.

RUSSIA PREPARING TO INVADE BALKANS

Army of 350,000 Said To Have Been Newly Organized and Equipped

San Francisco, Nov. 25.—Two attorneys for the Southern Pacific railroad, Garrett McEnamery and William F. Herrin, the latter chief counsel, left here today for St. Louis to be present when the government suit to separate the Southern and Central Pacific railroads comes up Wednesday.

President William Spruille and Attorney Peter F. Dunn are to go east within a few days to attend the trial.

Railroad men of the west are keenly interested in the outcome, as an order for the separation for the two roads would vitally affect Pacific coast trade.

If the several lines involved were run under a different company, they would seriously compete with the Southern Pacific.

Three Thousand Attend Funeral of Hillstrom

Chicago, Nov. 25.—Three thousand I. W. W. members had services today over the body of their comrade, Joseph Hillstrom, executed by the Utah state firing squad last Friday for double murder.

Speakers in 10 different languages called his execution "wifful, cold blooded murder by powerful Utah money interests," and Attorney O. N. Hilton charged the Mormon church with sending thousands of threatening letters signed I. W. W., to Governor Spry.

After many inflammatory speeches had been made, the I. W. W. followed the corpse in silent procession to the cemetery, where the body was cremated, in keeping with Hillstrom's last wish that his "ashes be scattered to the winds."

Cries of Nations Mothers Will Reach White House

New York, Nov. 24.—The crisis of the nation's mothers, feeling for anguish of Europe's mothers, soon will repose in the White House in a peace plea, perhaps the greatest organized movement thus far undertaken.

The women's peace party today sent out to presidents and vice-presidents of women's clubs throughout the country 10,000 telegrams in which they urged members to wire the White House a plea that the president call a conference of neutral nations to end the war.

The plea will be in the name of the mothers of the world, and directors of the movement believe it will result in the greatest telegraphic bombardment of President Wilson he has ever experienced.

Mrs. Henry Ford, of Detroit, contributed \$10,000 for sending out the messages to club women, which are signed by Jane Addams, of Hull House, Chicago, as president of the peace party.

SYRACUSE WILL WIN

Missoula, Mont., Nov. 25.—Outweighing Montana from ten to twelve pounds to the man, Syracuse won today, here this afternoon, Coach O'Neill predicted today. Syracuse backers are laying even money that the eastern university will emerge from the fray with a margin of 40 points.

Interest was added to the game by the fact that Syracuse plays O. A. C. at Portland December 1.

CONTRACTORS WILL SEND IN BIDS ON PLANS FOR BRIDGE

Both Steel and Concrete To Be Considered Before Final Plan Is Adopted

The county courts of Polk and Marion county at a joint meeting yesterday afternoon decided to advertise for bids on the new bridge across the river without delay. They will ask the contractors to submit bids for both steel and concrete construction and will select the type of bridge that is to span the river at this place.

The meeting was held yesterday to settle the question of the type and cost of the proposed bridge but it was finally decided to advertise for the competitive bids.

The resolution passed by the courts and signed by all six members of the two county courts in substance that "the state highway engineering department will be requested to furnish detailed specifications covering the design and construction of the bridge and the state highway engineering department shall select some competitive design suitable for the proposed bridge. Further the highway engineering department of the state shall have the supervision of the construction and erection of the bridge."

This provides that the engineers of the state shall work out the specifications and the design for the bridge and the contractors will be required to submit bids for the plans which will cover all of the specifications of the bridge.

Even the place where the new bridge will be located has not yet been decided though the highway department of the state favors Marion street, it was stated yesterday. It is estimated that it would cost about \$20,000 more to erect the bridge at the end of Chemeketa street and if the bridge were put up on Center street, the present one would have to be torn down while the new bridge was being built. The extra cost would be still greater if the bridge were put at the end of Court street according to the report of the state highway department.

The final selection of the bid for construction of the new bridge will be with the county courts of Polk and Marion counties and the state highway engineering department.

Burgomaster's Grandson Lodged in County Jail

Seattle, Wash., Nov. 25.—Rudolph Binder, 19 year old grandson of Nicholas Von Binder, noted German philanthropist and burgomaster of Hamburg, was lodged in the county jail here today, charged with abduction.

Baron Alexander Von Grawwald, German vice consul hearing of the lad's plight arranged for his release on \$1,000 bail.

Young Binder is alleged to have kidnaped Mayette Carson, daughter of Mrs. P. A. Carson, of Seattle.

"They tried to make me marry her," said Binder. "I would have done so but when I returned here from San Francisco where I went to break off an engagement with a wealthy girl to whom I had been betrothed four years, I learned that Miss Carson had been arrested in Tacoma for another offense."

Sen of Edward Binder, pioneer German merchant of Yokohama, the boy was forced to leave Japan with his parents when war was declared.

His brother, Gustav Binder, is general manager of the General Electric company at Yokohama.

Condemned Murderer Has Quiet Thanksgiving

Phoenix, Ariz., Nov. 25.—William Faltin, condemned to hang tomorrow, spent Thanksgiving quietly in the Arizona state prison. He still has hopes of a reprieve. Warden Sims may refuse to execute him, under a section of the penal code which gives him discretionary powers, if he believes a condemned man insane.

The pardons board met this morning and refused to take further action in the case.

Attorney General Jones threatens contempt proceedings against the warden if he interferes with Faltin's execution. He says plenty of time has been given to examine into the prisoner's sanity and that he will not stand for any eleventh hour ruse.

Sims today refused to comment, other than by saying "everything is ready."

Marriage Ceremony Opens Doors of County Jail

Glenn E. Lee was released from the county jail by being wedded to Miss Gladys Tuel when the marriage ceremony was performed by Rev. H. P. McInturff at the court house at high eleven today. Lee was recently brought back from Tillamook and lodged in the county jail to await trial on a statutory charge preferred by the Tuel girl and upon his promise to marry the girl the district attorney recommended that the case be pushed no further.

The groom is a farmer 21 years of age and the young woman is 22 and both reside near this city. The groom was given away by Sheriff Esch upon the order of the court. Rev. McInturff gave the young people some good advice and they received the congratulations of their immediate friends.

Frye Negotiations Have Developed Hitch

Washington, Nov. 25.—German-American negotiations over sinking of the green laden American vessel William Frye have developed a hitch. The results from the administration's demand that a "place of safety" be provided for passengers of vessels, sunk by submarines, while Germany declined to accede to the principle that lifeboats in mid-ocean are unsafe or insufficient.

Germany's reluctance on this point has prevented arrangements for arbitration of the amount of the indemnity, to which Germany agreed in her last note dispatched more than a month ago.

WAR NEWS OF ONE YEAR AGO TODAY

Seven hundred British marines perished when the British battleship Bulwark blew up at Sheerness by accident the British claimed. Russia sent Prince Troubetzky to Belgrade to settle the quarrel between Bulgaria and Servia and win Bulgaria's support for the allies. A Russian committee reported thousands of women and babies being hanged or shot in Galicia.

Star Witness May Come From East to Testify

San Francisco, Nov. 25.—Gustav B. Kulenkampf, whose revelations in the Hamburg-American customs case at New York named Attache Boy-ed of the German embassy as fountainhead of a plan to provision German commerce raiders, may be a witness here December 13 in cases charging five shipping men with supplying munitions to the raiders.

United States District Attorney Preston admitted today he had secured evidence from Kulenkampf two months ago, whereon the present New York cases are based.

Kulenkampf at that time told Preston that Boy-ed had telephoned him to notify him of receipt of the \$750,000 from Germany, which it is alleged Boy-ed disbursed. Over \$500,000 from Germany, which it is alleged came direct to the German consul here for the work of supplying the Pacific fleet of German raiders.

It is believed that Kulenkampf has information valuable to the government in the cases of Phillip Phayre, John Hoyt, R. H. Swain, C. D. Banker and Joseph Bly, accused of being American neutrality violators through their alleged work of sending munitions to the raiders. Preston declared that already the government has sufficient evidence to convict the group.

The penalty in event of conviction may be three years imprisonment and a fine of \$10,000 for all concerned.
