FAIR WEATHER FOR TOMORROW'S BIG GAME

Great Crowd Expected To See Game Between O. A. C. and Syracuse Team

Portland, Ore., Nov. 30.—Fair weather is promised for the game tomorrow between Syracuse and O. A. C. and a huge crowd is expected to attend. Syracuse had its final workout today and performed in a manner that pleased Coach O'Neill.

In a secret practice game yesterday, the Columbia Parks, a local team, scored a touchdown on the Syracuseans, but the New Yorkers secured four.

O. A. C. in Portland.
Corvallis, Ore., Nov. 29.—The O. A. C. team left here this morning for Portland for the game with Syracuse tomorrow. Due to injuries to the players, and the beating administered by the University of Oregon 10 days ago, the students here were far from being confident of victory.

Short Bout at Tacoma.
Portland, Ore., Nov. 30.—Abe Gordon, the local flyweight boxer, is today considering an offer of a four round bout at Tacoma with Jeff Christensen.

Lightweight Seeks Match.
Portland, Ore., Nov. 30.—With the prospect of a bout with Leach Cross, John Dundee or Joe Shugrue, Ralph Gruman, Portland's lightweight contender, left for New York today. He was summoned by Billy Roche, his manager.

Wants Oakland Club.
Oakland, Cal., Nov. 30.—L. N. O'Neill, former president of the West-end league, is dickering for the Oakland club, it became known today. That O'Neill is not meeting with much success is believed. Leavitt and Cook, Oakland owners, feel that brighter days are ahead, and O'Neill assumes the attitude that the purchase price ought to be based on last season's showing.

Gunboat Smith Out.
New York, Nov. 30.—Jim Coffey's knockout of Gunboat Smith here last night was the topic of the day among fight fans today. The fall of the gunner before the Irish heavyweight came as a surprise.

Although the fight was a hard one, Coffey plainly held the advantage up until the knockout, in the fourth round. Smith went down for the count after Coffey had planted a hard blow on the body and followed it a few seconds later with a hard swing to the jaw.

To Eliminate Freshmen.
Berkeley, Cal., Nov. 30.—Graduate Manager John Stroud, of California university, started for Portland today to attend the Northwest Athletic conference meeting, December 2 and 3, armed for a battle alongside the University of Washington in its fight for a rule eliminating freshmen from inter-collegiate competition.

STATE COMMUNION WINE
North Yakima, Wash., Nov. 29.—Thirteen boys who stole a cask of communion wine from the basement of a church here recently have been sentenced by Probation Officer Laningham to attend Sunday school every Sunday for six weeks.

and Jackson, a fast man from Emmett, Idaho, high school, are struggling to land a forward position. The inter-class series of basketball games is giving Coach Mathews a good line on the men. Rivalry between the various teams is keen, and the close games being played are revealing much material capable of development. No definite schedule is announced as yet by Manager Bain, but it is highly probable that the team will take a northern tour early in January, playing the showing of the new men. Archibald, Hendrix and Herris are working hard for guard positions, while Brooks

LIVESLEY NEWS

(Capital Journal Special Service.)
Livesley, Ore., Nov. 30.—It has been left to Mr. C. D. Query to supply a long felt want in the neighborhood. He is starting a grocery store near the depot. Workmen are busy building now and Mr. Query hopes to be running an up-to-date store within 10 days.

A Thanksgiving social was held in the church on Thursday night when over 100 were entertained to a fine program rendered by members of the Sunday school. The following contributed to the evening's enjoyment:

Recitations: Fred Davenport, Earl Mootrey, Floyd Query, Melba Davenport, Earl Sharp.

Readings: Mrs. W. Pottjohn, Diabloger, Claude Sharp and Louis Sulchenberg.

Songs: Young People's class and Bible class.

Before dispersing light refreshments were served.

Claude Sharp was seriously assaulted while returning home from the Thanksgiving social. Two men accosted him and dragged him from his horse. He lost six teeth and was badly injured, being unconscious for some time. No reason can be given for the assault and Claude has the sympathy of the community.

At a meeting of neighbors it was decided to form a grange. It was left to N. N. Carpenter to get details and reports. So it is likely that a grange will soon be added to the many activities of the district.

Mr. and Mrs. C. D. Query and family spent Thanksgiving with Mr. and Mrs. J. Watson.

Mrs. Davenport will entertain the "Get Together" club at her home on Thursday.

Mrs. H. B. Carpenter and Miss Hilda Hyden were appointed delegates to attend the Sunday school convention at Salem Heights on Sunday.

Willamette Basket Shooters Train Hard

With five "W" letter men as a nucleus and from 30 to 40 candidates out for practice each evening, prospects for a fast basketball team are very encouraging at old Willamette.

The old men who are again showing up well are Shisler and Jewett, forwards; Adams, the husky center, and Flegel and Bagley, as guards. Proctor and Irvine, subs of last year, are also putting up a great fight for a place on the team.

Coch Mathews is highly elated over the showing of the new men. Archibald, Hendrix and Herris are working hard for guard positions, while Brooks

Oregon Growers Awarded Many Exposition Prizes

(Capital Journal Special Service.)
Oregon Building, P. P. 1, E., Nov. 30.—Oregon lost the grand sweepstakes on apples, but won a larger number of medals on horticultural products, considering the number of entries, than any other state competing for awards at the Panama-Pacific International exposition. A grand total of 115 medals were captured, and of these 28 were Medals of Honor, 41 Gold Medals, 22 Silver Medals, 12 Bronze Medals and twelve exhibits received honorable mention. Geographically these awards were landed as follows: Medals of honor, Jackson county 10; Hood River county 10; Willamette valley 3; Union county 1; Gold medals, Jackson county 19; Hood River 7; Willamette valley 4; Union 1; Silver medals, Willamette valley 7; Jackson 6; Klamath 2; Wasco 1; Hood River, Josephine, Columbia, Union and Baker counties one each. Bronze medals, Jackson county 5; Willamette valley 4; Union, Columbia and Wasco counties one each. Honorable mention, Jackson county 6; Willamette valley 4; Union, Klamath and Wasco counties one each. As a matter of fact, Jackson and Hood River made the overwhelming number of entries, and only such entries as were reasonably certain of some sort of placement were actually shown before the jury. Considerable material sent down was acceptable for display purpose but absolutely worthless for competition. Much of it was poorly packed and a great deal of the fruit offered was not standard material. Taking all things into consideration Oregon's final showing in the awards is superb. The official detailed list of awards is as follows:

Medal of Honor: H. H. Leavitt, Ashland, Lambert cherries; Mary E. Mater Mosier, Italian prunes; Gus Miller, of Hood River, Anjou pears; M. L. Miner, Medford, Howell pears; C. R. Here Is Good News for Stomach Victims

Some very remarkable results are being obtained by treating stomach, liver and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear.

George H. Mayr, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles.

Though absolutely harmless, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.

HEAVY CITY TAX LEVY.

Independence will have a twenty mill levy next year. Four councilmen actually it necessary and so voted last Friday night. Councilman Paddock voted no, as he believes that eighteen would be enough.

Not so many citizens attended the meeting as was expected. J. S. Bohannon, Peter Kurze and W. L. Bies addressed the council and not only advocated the lower assessment but pleaded for economy.—Independence Monitor.
