THE HAIR DESTROYING CURLING IRON PASSES

The heated iron makes the hair dry and parched looking, burns off the ends, giving a most untidy appearance. You who have learned this from sad experience will be glad to hear of a very simple method which is open to none of the objections referred to and which gives better results than the curling iron. Just get a few ounces of plain liquid silmerine at your druggist's and apply a little to the hair at night with a clean tooth brush, drawing this down one strand at a time from foot to tip. In the morning your hair will be as beautifully wavy and curly as though Mother Nature did it, and it will be quite manageable, no matter what style of coiffure you adopt. The effect will be much prettier than if you used a waving iron, and the health of your hair will not suffer. As silmerine is not sticky or greasy it is quite pleasant to use.

False Accusation Cost Her \$2,000

Seattle, Wash., Dec. 3.—Mrs. William C. Phillips is indebted today in the sum of \$2,000 to Miss Amy Moe, formerly employed as a domestic in the Phillips home, whose arrest she caused several months ago. Miss Moe was held on an open charge for several hours on her mistress' complaint that she suspected her of stealing \$4,000 worth of diamonds. Later the stones were found where Mrs. Phillips had misplaced them in her own home. A jury awarded the domestic a judgment for \$2,000 in Judge Gilliam's department of the superior court. She sued for \$15,000.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets
That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.
Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.
If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested food, you should take Olive Tablets, the substitute for calomel.
Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramping or pain.
Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.
The Olive Tablet Company, Columbus, O.
