Buena Vista Youths Pardoned by Governor

(Capital Journal Special Service.)
Dallas, Ore., Dec. 9.—A number of the residents of the Buena Vista neighborhood who were instrumental in the arrest and conviction of William Wilson, Harold Gano, Charles Seymour, John Taylor, William Cassidy and Andrew Mable on a charge of disturbing a religious meeting have secured their pardon through petition sent to Governor Withycombe. It was the general feeling of the people of that community that the boys had been punished enough for their actions and the 30-day sentence imposed on them was not nearly in two.

MAYO INDIANS CAUSE A REIGN OF TERROR

American Miners Escape by Good Luck--Villistas Again Making Trouble

San Francisco, Dec. 9.—Manager Fred G. Ferish and eight employees of the Shower of Gold mine in Western Mexico here today told of the reign of terror Mayo Indians created recently in that region.

He charged that Indians, led by a Villa colonel, captured an employe, but he escaped and warned them in time so that they could flee. Two days they travelled overland. At Los Machis, 175 Americans, he said, were hemmed in and one was killed. Fleeing then to Topolobampo, the entire crowd found themselves without food and in desperate plight for days. Finally food was obtained through an American manager of a sugar company.

Rebels Burn Bridges

Douglas, Ariz., Dec. 9.—Seven hundred Carranzistas under General Flores today joined forces with the soldiers of General Calles who were ejected from Frontenas, by Villistas led by Rodriguez. The rebels are burning bridges, dynamiting railways and laying waste to the country.

Literary Society Debates Merits of Ford Car

(Capital Journal Special Service.)
Bethel, Ore., Dec. 9.—The Literary society last Friday evening was well attended in spite of the rain. The debate was on the question, "Resolved, That single life is more preferable than married life." Speakers on the affirmative were John Clark, Lucy Nichols, and Avis Williams; negative, Paul Baker, Walter Baker and Clifford Johnson.

HIGH SCHOOL NOTES

"The Servant in the House" will be presented by the students of the high school at the Opera House, January 21. Heretofore, the high school students have given entertainments in the way of plays not quite so ambitious as the "Servant in the House," but this year the student body feels that a standard play would best show the progress being made by the pupils in public speaking and acting.

Hard times have very little to do with the treasury of the student council. At the last meeting Treasurer Davis reported over \$500 real money in the bank, which is going some for high school students. However, this year is a record breaker when it comes to the bank account. Much of this ready money is due to a successful football year, as in former years, football was charged to profit and loss, with the emphasis on the loss. Another means of income is the school newspaper, "The Clarion," which is now on a firm financial basis. The paper is issued twice a month and is fast gaining in interest as well as circulation. The managers and editorial staff feel they have set a high standard for coming newspaper youths who will have charge of "The Clarion," as the paper is now equal to many college publications. The Christmas number will be issued in a double size. Since "The Clarion" has been published in a newspaper form, the advertising has materially increased.

Basketball practice will soon be under full swing. The old men of last year who are back and who are going out are Snicks Ratcliff, Cox Gill, Monk Proctor and Rube Ratcliff. With these men and only one new player to be chosen, Salem's prospects for a championship are encouraging. Teams to be played and dates are as follows: McMinnville, December 17, at Salem; McMinnville, February 25, at McMinnville.

Churches Will Have A Friendly Contest

The Leslie and Jason Lee Methodist churches are entering into a contest to increase the enrollment in the Sunday schools. Beginning January 1st both Sunday schools will launch out on a campaign for new members, the contest to close at the end of February. Those things will decide who has won in the contest.

First the largest number of new members gained during that time; to determine from what point they are to start both schools will divide the attendance on the last Sunday of December, by the total enrollment and this number multiplied by one hundred, thus giving the per cent. Then the largest increase over and above that per cent will be counted. The second part of the contest is the largest per cent of offerings. The third is the regularity of attendance of members.

Those on the committee who have charge of the contest are: Leslie Church—Mr. J. Barber, Mrs. Mason Bishop, Miss Jessie Kooreman, Jason Lee Church—Mr. C. M. Roberts, Mr. R. A. Harris, Miss Newmann.

VILLISTA LEADER STAGES A COME BACK

Out-generals Forces Sent to Crush Him and Surrounds His Pursuers

Douglas, Ariz., Dec. 9.—General Rodriguez, the Villista leader in Sonora, has staged a "come back."

He has apparently out-generalled the forces seeking to crush him, and this afternoon they are on the defensive. Seven hundred Carranzistas who were rushed south to save another Carranza force reported surrounded by rebels are stranded at San Joaquin.

The rebels are attacking the troop train's escort and may capture the entire detachment. While General Gomez, in charge of the 700, was wiring Agua Prieta pleading for help, the wires were cut, breaking his message.

Meanwhile there are fewer than 1,000 soldiers left in Agua Prieta, and the town's commanders fear that the Villistas will concentrate their supposedly scattered forces and swoop down on it. Skirmishing is in progress along 20 miles of the Nacozari railway, with rebels having all the better of it, according to fragmentary information.

Another Carranza detachment is reported hurrying toward Fronteras to relieve the government troops driven out of that town by Rodriguez's raiders.

Safety Commission Sends Out Advice To Auto Owners of State

"How to run an automobile and keep out of court," is given a thorough treatment in a two page pamphlet included with the auto license tags from the secretary of state this year. The pamphlet is issued by the public safety commission, of Portland, and Secretary Oloft gave his permission to enclose them with the license tags as they are sent out to the auto owners with their 1916 licenses.

Druggists Seek Legal Methods of Denaturing Alcohol for Home Use

Attorney General Brown today received an inquiry from F. R. Bowersox, a Monmouth druggist, as to the legal methods for denaturing alcohol to render it unfit for use as a beverage and yet leave it non-poisonous. Mr. Bowersox explained that he wished to offer alcohol for sale for bathing and as an antiseptic but the usual method of mixing wood alcohol with grain alcohol made the product a deadly poison.

Plans for Opening the Colville Reservation

Washington, Dec. 9.—It is understood that the Crow plan of distributing the land in opening the Colville Indian reservation will be followed. This will permit homesteaders to select sites 20 days before the tract is thrown open. Applications for sites will be filed simultaneously and every effort will be made to avoid the lottery features which have characterized the opening of other tracts in the northwest, particularly the Coner d' Aleno reservation tract.

The Renubicans May Select St. Louis

Washington, Dec. 9.—Republican National committee members gathered here today for Tuesday's session found that the San Francisco convention city boom is in the hands of Committeeman Maxson, of Nevada. There is also a sentiment in favor of St. Louis as the convention city to counteract the effect of the Democratic convention there.

CARD OF THANKS

We desire to express to our many kind friends our deep appreciation of their tender sympathy and kindly aid in our recent bereavement, the loss of our little daughter. The beautiful flowers and the more beautiful spirit that prompted their giving will be remembered so long as we live. To them and to the Rev. G. Koehler, who officiated at the funeral we are indeed deeply grateful.

MR. & MRS. PETER FREIERMUTH.

An order was issued by County Judge Bushey today authorizing Harold R. Jones, administrator of the estate of Josephine C. Lawrence, deceased, to pay \$33.84 to Nellie R. Jones the heir of the estate.
