Officers' Convention of Polk County Schools

The annual sensor officers tion convened Saturday, December 4th. ago.

The total number of parents visiting The total number of parents visiting and 501 Mr. H. J. Elliott, of Perrydale, was elected temporary chairman and the first number on the program was a paper read by Mrs. Fletcher pertaining to some things that school boards may do to help the teacher. This was a very instructive paper and one which a very instructive paper and one which will be published througaout the council beautiful to the total number of parents visiting school on this day was 1,316 and 501 other visitors. This is not quite as many as we had last year, but owing to the weather being such that all could be working, it helped to cut down the attendance, as the majority of visitors were women. may do to help the teacher. This was a very instructive paper and one which will be published throughout the coun-ty according to a resolution passed by the convention.

The day was spent in the discussion of this paper, the annual school budget and other matters of interest to the schools of the county.

The school board convention passed The senool board convention passed a resolution instructing the county su-perintendent to have every teacher take one day for "Visiting Day" in which she should visit, under the diection of the superintendent, some other teacher in the county doing similar work to hers, the convention being of the unanimous opinion that this would strengthen the school work of

Mr. T. W. Brunk, president of the association, appointed Mr. F. C. Ewing, Mr. H. J. Elliott, Mrs. Ora Cosper, Mr. E. E. Paddock, Mr. Henry Voth, as rese

olution committee.

Mr. H. J. Elliott, of Perrydale, was elected president for the ensuing year and H. C. Seymour re-elected secretary.

The spirit of the convention was of the best, all working for the best interests of the courts. sts of the county.

The following resolutions were

passed:
THAT we do heartily endorse the team work and general co-operation that is being exercised at present over the county by the school officers and teachers, for the advancement of our schools.

WE do enmestly endorse and recon we do earnestly endorse and recom-mend the Industrial club work and ex-press our willingness to lend our help and co-operation to this work. And, we feel that this work should be con-fined especially to the more advanced

grades.
WE favor the organization of parent-teachers' association in each WE recommend the further improve

WE recommend the further improvement and beautifying of school grounds by the planting of trees and flowers.

WE would urge that County Superintendent Seymour use his influence to the end that a visit by one member of the school board each month be again made one of the requisites in the state standardization of schools.

WE are unanimously in favor of the resolution passed by the school officers at the convention on December 4 that there be a day set aside for "Teachers Visiting Day" and we suggest and recommend that this day be made a point in the rules for standardization of the

in the rules for standardization of the

schools.

BE it resolved that a vote of thanks be extended to State Forester Elliott for the excellent maps of Oregon which he has donated to the different schools of the county, and which are appreciated by the teachers, children and school boards.

WE express our appreciation of the splendid talks rendered by the different speakers at the convention on De-cmber 4 and expressly recommend that the paper of Mrs. Fletcher be pub-lished.

TO KEEP SKIN HEALTHY.

YOUTHFUL, WRINKLELESS Now that the social season is here, be especially careful to keep your skin in fine condition. You know how con-spicuous complexion defects appear un-der the bright light of the drawing or ated. I have myself discarded cosmetties entirely using a process which leaves no trace on the skin. At night I smear on a thin coat of ordinary mercolized wax, washing it off next morning. This gradually absorbs the devitalized particles of surface aking just as gradually the more youthful skin beneath comes forth, providing a complexion as clear, smooth and delicately tinted as a young girl's. Get an expensive steady.

more liberal than usual. Tops brought Sheep.

Says Wife's III Health Was Cause of Her Peevish Disposition *

That his wife, by reason of her ill health and suffering from an incurable * malady, became peevish and fancied wrongs which never existed is the allegation set forth in an answer filed in \$ the circuit court today by George Fichtel in answer to the divorce proceedings brought against him by Mattie L. Fichtel. Mr. Fichtel states that at the time of their marriage in 1901 they were af-fected with the common ailment of poverty but Mr. Fehtel was possessed of a robust physique and a willing disposition to work. He exhausted every means to remain steadily employed at means to remain steading employed in 12 his trade but when not able to find 17 work at his trade, worked at anything 2 that came to hand. In order to secure 13 higher wages he states they moved to 13 San Francisco where he secured em-6 ployment at his trade and would have 9 remained steadily employed had his 13 wife consented to remain with him but 5 she left and went to the home of her

By reason of his wife's ill health the defendant answers that it was only by strict economy that they were able to purchase a home from his savings and to pay \$205 on an adjoining five acres which they were afterward obliged to allow to revert to the former owner. which they were arreward obliged to fect, LAXATIVE BROMO QUININE allow to revert to the former owner. He further alleges that with money which he gave to the plaintiff to provide household necessities she purchased land in Columbia county of which he there is called an in the country of which he there is called an in the country of which he there is called an in the country of which he there is called an in the country of which he there is called an in the country of which he there is called an in the country of which he there is called an in the country of the country had no knowledge.
