

For 90c You Can Get the Ideal Gift for Every Man

A crystal glass humidor jar containing one pound of Tuxedo, the mildest, most fragrant tobacco. At every store where tobacco products are sold.

Last Christmas more Jars of Tuxedo were given to men throughout the United States than any other single trade-marked article!

Because Americans are learning to make suitable gifts at Christmas time—and learning that Tuxedo is the best gift of all for a man.

Tuxedo is the mildest, pleasantest pipe tobacco in the world—made absolutely non-biting and delightfully mellow by the original "Tuxedo Process" that has never been successfully imitated.

Last Christmas the demand for Tuxedo humidor jars was so great that the supply of many dealers was exhausted, and thousands of people were disappointed. The safe plan is to place your order with your dealer now. He will be glad to set your jar aside for you until Christmas.

Urges Planting of Vines and Shrubbery

The planting of vines and shrubbery next spring in Salem was especially urged by Prof. Arthur Peck of the O. A. C. in an address delivered last night before the Salem Floral society, at the commercial club.

Streets, he advocated that attention be given to vacant lots, as part of the general adornment of the city. Mrs. Edyth Tozier Wethered spoke on "Flowers and Religion." These meetings of the Floral society are attracting a goodly number of citizens who are interested in flowers and the general streets and vacant places by planting of suitable flowers or shrubbery.

QUINABY NEWS

Quincy, Or., Dec. 15.—Ray Girod made a week end visit to his brothers at Oreoc. Harvey Girod, of Oreoc, made a short visit to friends and relatives of the first of the week. John P. Hunt, of Woodburn, agent for the Farmers' Fire Relief association of Butteville, was doing business in Quincy recently. Chicken thieves have been active in this vicinity of late. E. Q. Larson has been a credit to any community. Senator Green from Alabama and the Quincy belles are deserving of special mention. The older members succeeded in taking in more money for the refreshments than did the younger ones. It is now up to the younger set to serve a supper to their elders.

Five Coast Football Stars Are Mentioned

Among substitutes mentioned by Walter Camp, in Collier's, for his All-American football team are five Pacific Northwest stars: Beckett, of Oregon, and Laythe, of the Oregon Agricultural college, at tackle; Zimmerman, of Washington state, at end; Durham, of Washington state, at quarter, and Abraham, of the Oregon Aggies, at halfback. Mr. Camp pulled an unusual blunder in naming Halligan, of Nebraska, among the substitutes. Halligan played with Nebraska in 1914, but coached at some outside college this past fall. Mr. Camp will now draw a few choice panings from those who do not take much stock in these All-American selections. Schlachter, the 240-pound Syracuse guard who played here against the Oregon Aggies, was Camp's choice for one of the guards on his first team. Six Pacific Northwest football roll of honor promulgated by Outing magazine. They are Miller of Washington State; Abraham, of Oregon Aggies; Hunt, of Washington; Zimmerman, of Washington State, and Beckett, of Oregon. The Outing system is to secure the selections of various coaches throughout the country. On the surface this appears more fair than the Camp system of personal selections. The joke, however, lies in the fact that a majority of the coaches reside east of Chicago, and so, even this sort of a symposium is faulty.

COULDN'T FIND M'KAY

According to the Portland Telegram Stanley McKay son of a wealthy St. Paul, Oregon, farmer charged with failing to give half the road to a passing vehicle, and Fred Barnes, who was McKay's companion and is principal witness in the case, have eluded the Clackamas county officials who have bench warrants for the arrest of the two men. The trial of McKay was set for last Friday in the justice court at Oregon City, he and Barnes failed to appear and McKay's cash bail of \$50 was forfeited. McKay could have escaped with a \$50 fine by pleading guilty, but he has placed the officers to considerable expense and the costs piled up in the case are heavy.—Aurora Observer.

ALL WILL ACCEPT AN "HONORABLE PEACE"

Organized and Independent Baseball May Agree--Other Sport News

Chicago, Dec. 15.—The consensus of opinion among those closely in touch with the American league baseball magnates who opened their annual meeting here today was that if the National league has perfected plans for "honorable" peace between organized and independent baseball the American league will accept them. Barney Dreyfuss is expected to arrive at five p. m. with the National proposal for negotiations with the Federals. The general attitude of the American league club owners was expressed by one magnate, who said: "Naturally we're for peace, but no steps have been taken by us for a merger." Among the business coming up at the meeting of the American club owners today will be the election. It is generally conceded that President Ban Johnson will be retained in office without opposition. The post season tours of all star teams, the practice of baseball players writing for newspapers, and a shorter training season will be taken up at the meeting.

Up to Ban Johnson. New York, Dec. 15.—With the National league practically agreed to enter peace negotiations with the Federal league, it is now up to President Ban Johnson of the American league to refrain from scrambling conditions and continuing the baseball war. Barney Dreyfuss, owner of the Pittsburgh National, baseball's "Heary Ford" is en route to Chicago today to submit the National league's peace plans to Johnson. Ban has always been opposed even to entering negotiations with the "outlaws" and has been determined to fight to the end. It is understood, however, that he has recently received several notches from his former attitude of "fifty-four forty or fight," as applied to the Federals. It is believed that the heavy financial losses of many clubs during the last two seasons has put him in a receptive frame of mind. It is understood that at the meeting between the Nationals and Federals here a tentative working agreement was reached in continuation of the meeting held in Philadelphia during the world's series.

Sommers Won on a Fluke.

Portland, Or., Dec. 15.—Al Sommers wears the light heavyweight boxing crown of the Pacific northwest today, but he is willing to admit that his title to it is somewhat clouded. During the final round of his bout here last night with Earl Miebus, Sommers landed a light right on Miebus' shoulder, and Miebus promptly hit the mat. He declared that he slipped, and a majority of the spectators agreed. Under the Portland ordinance governing boxing bouts, a knockdown is equivalent to a knockout, and Sommers was declared a winner. The bout had been evenly contested.

Aberdeen Wants In.

Aberdeen Wash., Dec. 15.—Aberdeen will put up a fight for representation in the Northwest baseball league in 1916. Plans for the Aberdeen club to represent Grays harbor, and play a part of its games at Hoquiam, are being discussed here.

McCredie Laughs At It.

Portland, Or., Dec. 15.—Walter McCredie, manager of the Portland Beavers, predicted today that other Pacific coast league managers will evade the player limit next year exactly as they have in the past and indulged in a hearty laugh when reminded that a fine of \$100 per day is provided for such evasion. Also, he declared, he is willing to wager that the bonus system will prevail in the league and that salary limits will be exceeded.

Yale's Football Coach.

New York, Dec. 15.—Vance C. McCormick '93, S. B. Thorne '96, and John R. Kilpatrick '11, co-graduates will meet here tonight as a special committee delegated by the Yale Athletic association to name a football coach for Yale.

To Tinker With Tinker.

Chicago, Dec. 15.—Joe Tinker, manager of the Chicago Federals was scheduled to undergo a major operation here today. He has been suffering for some time from stone in the kidney.

Would Rob the Army.

Sioux City, Ia., Dec. 15.—The release from the army of Lieutenant Vernon Pritchard, stationed at Eagle Pass, Texas, so that he can coach the University of Nebraska football eleven, is being sought, according to advices here from the Texas town. To Play With Vernon. San Francisco, Dec. 15.—Ray Bates, of Portland, leading third baseman of the Pacific Coast league last season, will wear a Vernon uniform next season.

Combined Willamette Glee Club to Give Salem Concert—First in Five Years

Manager Paul R. Smith announces that he is planning an exceptional year for the glee club. The annual tour will not take place till spring vacation when the warbler organization will take a two weeks' trip in northern latitudes as far as Seattle, and return by way of Aberdeen, Chehalis and Castle Rock. By putting off the trip until spring, Dr. Chace expects to work up an excellent entertainment. He has a store of talent which consists of at least two good soloists and his well known quartette, besides several others who are working up the "stunt" part of the program. According to present plans the glee club will be accompanied by the ladies' club who show much improvement over last year, due to smaller number and better quality. After the trip in the spring the same concert will be given in Salem. This has not been done for several years and as the glee clubs will be at their best then, it will be a splendid opportunity for the university and townspeople to hear them.—Willamette Collegeian.

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some Salem People Know How to Save It. Many Salem people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Salem citizen's recommendation: W. C. Johnston, gardener, 1021 Mill street, Salem, says: "After several medicines had failed to help me, I used Doan's Kidney Pills and got relief from kidney and bladder trouble. I still use Doan's Kidney Pills once in a while when a cold settles in my back and kidneys and the kidney secretions become disordered. I always get quick relief. You may continue publishing the endorsement I have given Doan's Kidney Pills before."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Johnston had. Foster-Milburn Co., Props., Buffalo, N. Y.

Negotiations are said, on good authority, to be going on between Portland and Vernon for Bates. McCredie's opinion of Bates is said to be complimentary, while Ham Patterson and Ed Maier of Vernon are enthusiastic over the Portlander.

THE WHOLE BODY NEEDS PURE BLOOD

The bones, the muscles, and all the organs of the body depend for their strength and tone and healthy action on pure blood. If the blood is very impure, the bones become diseased; the muscles become enfeebled; the step loses its elasticity, and there is inability to perform the usual amount of labor. The skin loses its clearness, and pimples, blotches and other eruptions appear.
