MEN'S FANCY SUSPENDERS IN XMAS BOXES, ALL STYLES, SALE, 49c AND

**65c**

## UNITED ARTISANS TO HAVE BIRTHDAY

Is Man's Size Now Being 21 Years Old—Will Celebrate In Portland

The United Artisans lodge will be 21 years of age next Saturday and a hundred or more members of the Salem lodge will go to Portland Saturday morning to assist the 4,000 Portland members in appropriately celebrating the event.

The local lodge of Artisans has the honor of having the prize drill team of the coast, formerly known as the Arto-Priso club. This club will give an exhibit drill, Saturday evening at the meeting of the Artisans in the Eleventh street theatre, Portland.

Besides having the prize drill team, the local lodge has the distinction of having the first juvenile fraternal organization known in this country, regardless of lodge affiliations.

A branch of this juvenile organization known as the Court of Fairies will also go to Portland and will put on their initiatory work Saturday afternoon at the Eleventh street theatre, for the benefit and pleasure of the Portland members. The ritualistic work of this juvenile branch of the order was written by Mrs. Ella Watt, of this city, who holds the official title of supreme instructor for the Artisans of the state. Mrs. Watt has been in Portland the past week instructing, and assisting in the organization of a juvenile lodge similar to the one she organized in this city.

Another state official is Ivan G. Martin, who holds the official position of supreme instructor.

Many men and women prominent in the social affairs of Portland will take part in the celebration Saturday. Governor Withycombe will speak in the afternoon and Madame Jomelli will sing in the evening.

Besides the drilling of the Fairy Court of the Salem juvenile Artisans, Margaret White will dance in the afternoon and Jeannette Sykes in the evening. The United Artisan Juvenile band will play a concert waltz for the afternoon program.

The Fairy Court officers, who will take part in the Saturday program in Portland are: Letha Wilson, Margaret White, Mona Schaub, Maycel Hunter, Ruth Ross, Beta Claggett, Dorothy Esch, Merle Matlock, Lowell White and Jeannette Sykes.

The members of the drill team are: Ruth Cook, Margery Brant, Ella Reinke, Margaret Bowers, Opal Gray, Gladys Dimeiler, Dorothy Brant, Aia Armstrong, Clara Pope and Pauline Patterson.

The Brownies of the Court are: Edwin Parker, Theodore Paulus, Otho White, Fred Reinke, Floyd Baker, Harry Esch, Webster Ross, Lowell Urub and Theodore Smith.

The pipers who will assist in the work of the Fairy Court and who will go to Portland are: Robert Hill, Kenneth Pugh, Robert Lee, Loren Luce, Merle Baker and Lorane Atchinson. For their trip to Portland Saturday morning the Artisans will have a special car on the 7:15 morning Oregon Electric. They will return at their convenience as the special week end rate is good returning any time including the following Monday.

## How to Destroy Catarrh Germs and End Catarrh Forever

Catarrh is a germ disease and the only way to cure it so it will stay cured and never come back is to kill and drive out of your system the catarrhal germs which have found lodgement there. When the germs go the catarrh will stop. The trouble with most treatments, like sprays, salves, creams, greasy balms, lotions, etc., is that they give only temporary relief by opening up for a while the clogged head, throat and nostrils. In a little time the catarrh comes back as bad as ever.

People who suffer continually from catarrh should drop such temporary makeshifts and get something that really gets at the root of the disease and stamps it out. There is nothing better for such cases than breathing into your nose and lungs the pleasant, soothing, healing, germ destroying oil of Hyomei (pronounced High-oy) made from purest oil of Eucalyptus and combined with other powerful healing, antiseptic and germ destroying ingredients. Hyomei penetrates and heals the inflamed swollen membranes of your nose and throat, stops discharges, clears the passages and completely overcomes the disease by destroying its cause. For catarrh germs cannot live in your body after Hyomei reaches them. Daniel J. Fry and many other good druggists in Salem and vicinity have long sold Hyomei on a positive guarantee of successful results or money back and find this generous policy pays. Most druggists are now giving a pocket inhaler made from hard rubber with every complete treatment sold. This makes a very simple, easy and convenient as well as a thoroughly reliable means of treating by the best known method this dangerous and often disgusting disease.

"Neither a borrower nor a lender be" seems to be good advice for judges and employes of the Multnomah county district court to follow.

## LAND WITH WORK

For Sale—10 acres good land, at station on Oregon Electric, seven miles of Salem. Good spring, some timber, \$850.00. Owner will give buyer job cutting cords of wood to apply on purchase price. Balance easy. Apply early as this will be snapped up quick.

SCOTT & BYNON  
Tel. 937. 124 South Liberty Street  
Rear Salem Bank of Commerce.

## BRIGHTER CHILDREN

Children are probably brighter to-day than a generation ago—but are they stronger? That's a grave question. So many pinched faces, dulled eyes and languid feelings make us wonder if they will ever grow into robust, healthy men and women.

If your children catch colds easily, are tired when rising, lack healthy color, or find studies difficult, give them Scott's Emulsion for one month to enrich their blood and restore the body forces to healthy action.

Scott's Emulsion is used in private schools. It is not a "patent medicine", simply a highly concentrated oil-food, without alcohol or harmful drugs. It cannot harm; it improves blood; it benefits lungs and strengthens the system. Your druggist has it—refuse substitutes. Scott & Bowe, Bloomfield, N. J. 15-2

## SURPRISE GRANGE ELECTS

(Capital Journal Special Service.) Turner, Ore., Dec. 17.—Surprise Grange No. 233 held its regular monthly meeting in the I. O. O. F. hall, in Turner, Oregon, December 11, with an attendance of about fifty. And a general good time ensued. The morning session was taken up with the regular business work. Several new names were balloted on and candidates initiated.

Mrs. G. Robertson, Mrs. Hazel McKay and Mr. and Mrs. Hennis were given the first and second degree work. The election of new officers took place in the afternoon.

The new officers are: Master, G. W. Farris; overseer, B. E. Robertson; lecturer, Mrs. DeLzell; steward, P. C. DeLzell; assistant steward, Henry Crawford; chaplain, Mrs. J. N. Robertson; treasurer, Mrs. Whitehead; secretary, J. E. Whitehead; gatekeeper, John Girardin; ceras, Addie Robertson; pomona, Emma Herrin; flora, Mrs. Crawford; lady assistant steward, Mrs. Farris. Mr. and Mrs. Edwards have been attending the stock show in Portland.

Monroe Nye has just returned from a trip over to Salmon river and is down sick with the asthma and could not be with us at Grange.

Mr. and Mrs. Carter were over from Monmouth to attend Grange and visit a few days with old friends.

Mrs. Smith, who is spending the winter with her brother in Albany, was home for a few days and attended Grange.

## FRUITLAND NEWS

(Capital Journal Special Service.) Fruitland, Or., Dec. 17.—The grain prospect is good. Also fruit.

Henry Smith reports a pleasant visit among relatives near Marion. M. M. Rasmussen is having gravel on a portion of the road south of the church. Supervisor Kaplinger is furnishing the material.

Fred Schroeder slaughtered a pig a few days ago, which dressed (or rather undressed) weighed 436 pounds. Some hog that. What ample camping ground for trichina. But Fruitland pork isn't infested by such parasites far as we know. We leave that to Clackamas county and Portland. It is said a well cooled trichina is more wholesome than one alive and kicking. I don't know, I never made any comparison. Bert Briesler made a business trip to Polk county this week. Francis Schunk had a runaway a few days ago at or near Salem. No one hurt, but the vehicle was somewhat demolished. As Francis is like Jehu of old—"he driveth furiously!" so a mixup with the ground is only a part of the program.

They are having a lively "literary" at Bethel school house Friday evenings. They discussed marriage and non-marriage the other night. One or two of the dismutists argued for marriage, who have not yet tried it, and one who has tried it argued against. So you see some very good points must have been made. Next Friday evening they are going joy-riding in one of peace-maker Ford's automobiles. Does the chaplain of the Chemawa Indian school use his position for conducting a sectarian propaganda? See report of confirmation services at St. Joseph's church, Salem, last Sunday in Capital Journal of Monday, Dec. 13.

## RELIEF SHIP SUNK

Rotterdam, Dec. 17.—The relief ship Levenpool, from New York has been mined or torpedoed. She was sinking when last reported.

The Levenpool was a 4884 ton English vessel but was under charter of the American commission on relief of Belgium. She flew the relief flag, under which she was supposed to be immune from attack.

Think She Struck Mine. New York, Dec. 17.—The Levenpool relief ship reported mined or torpedoed and sinking, sailed from this port November 24, with 6500 tons of food and medicine for Belgium via Rotterdam. She carried only her regular crew.

Officials here believe if she has met with a mishap, it was from a mine, and they doubted she had been torpedoed. She flew side and deck banners and carried signal boards, indicating to Belgians that she was a relief ship. At night she displayed heavy illumination so there was no chance of mistaking her character. From this, officials felt it unlikely any belligerent had sent her to the bottom.

A second dispatch said the vessel had been beached at Mueking flats. The British steamer Nyroca arriving today reported she passed the Levenpool sinking near Knatisknock, but that the steamer Pandion and a torpedo boat took off the Levenpool crew. The torpedo boat, standing by, signalled the Nyroca that no assistance was needed.

It is understood here that English contributions paid for the cargo. If she has been beached, it is possible she can be salvaged.

Judge Stevenson thinks that an automobile driver who admits drinking 15 glasses of beer in one evening should have at least five days in jail. The principle that a man is entitled to his just deserts seems to be established.

## The Cheer of a Real Christmas Greeting

Will be better appreciated when accompanied with a gift of something useful for man or boy in dependable, serviceable gift.

## Earl Flegel Elected W. U. Football Captain

Earl Flegel was re-elected captain of the Willamette football team for the season of 1916 at a meeting of the football team yesterday afternoon. Flegel is a Senior at Willamette next year and has won letters in basketball, baseball and tennis besides playing three years on the football team. He served as captain of the team during the past season and proved himself a versatile player filling every position upon the team except center.

He was a member of the baseball team last season and is a guard on the present basketball team and one of the best athletes at the institution. The election was unanimous by the eight members of the team who were eligible to vote for captain. The men who won letters at football at Willamette this year are: Flegel, Hendricks, Irvin, P. Miller, C. Archibald, R. Archibald, Tobie and Randall.

## "A Fine Tribute To the Oregon Pioneer"

Illustrated address by George H. Himes Sunday evening, First Congregational church.

It was near midnight when a big red skin came out of the brush, crossed the clearing and leaned up against the fence which was only ten feet from my front door.

I felt mighty uneasy but knowing I had better look unconcerned I asked him if he wanted something to eat. He said nothing and only continued to stare through the open door at the baby who was lying in a cradle in the middle of the room.

There was a mighty good rifle hanging on the wall and I began to figure out the best way to get hold of it. First I placed a table between the door and my little girl and then I made up my mind to shoot him if he made another move.

But I finally selected another way out of my trouble. Keeping a careful eye on him all the time I set the table for four people and without paying the

least attention to the sullen fellow, I walked to the front door and yelled dinner.

And you ought to have seen that red skin go. He traveled faster than any horse I ever saw, straight for the woods and disappeared. He had counted the plates and then ran thinking no doubt that the men were near and would kill him.

The story is a true one of a pioneer Oregon mother. The story of the Oregon pioneer is one that must never be forgotten. The story will be told again in the First Congregational church by George H. Himes on Sunday evening at half past seven o'clock.

Mr. Himes will illustrate his address with 100 slides beginning with an accredited representation of one of the "first families" of Oregon, a portrait of the man who used the word "Oregon" for the first time in 1766; a portrait of Captain Gray who entered Oregon waters May 11, 1792; also views covering a period of seventy years all relating to the "first things in connection with the starting point of industrial commercial religion and educational life in the Pacific Northwest. Numerous ministers will be shown beginning with the first one on the coast, Rev. Jason Lee, whose first sermon was preached at Fort Vancouver, Sept. 28, 1834; also a picture of the first couple married in Oregon. The first wedding in all our country west of the Rocky mountains was in what is now Marion county, July 16, 1837. The portrait of the minister who performed the ceremony will also be shown.

This is the first time that Mr. Himes has placed these pictures on exhibition.

Everybody invited and everybody welcome.

However, the meat cutters strike is not bothering the vegetarians.

## GERMAN AMERICANS ARE AGAINST WILSON

New York, Dec. 17.—German-Americans will not vote for President Wilson next year; they are strong for Colonel Roosevelt. So declares Prof. fessor Hugo Munsterberg in this week's Fatherland. Munsterberg declared it would have been fortunate for America if Roosevelt had been in the White House when the war broke out.
