

—Well, that is, almost everybody.

Of course, we except the man who uses smoked glasses to take all the brightness out of life—

And the old codger who believes that the theatres are very, very wicked—

And the gentleman who buttons his collar in the back because he hates to look forward—

And his neighbor who thinks railroad trains and newspapers should stop on Sunday.

These fellows hold up their hands in holy horror at Puck

Other folks, who get some real joy out of life, buy it every Tuesday morning at their nearest newsstand, and go about all the rest of the week with their faces wreathed in smiles.

FARMER-BONDS MATCH SHOWED CLEVER WORK

McCredie Has Too Many Players—Sporting Notes From All Sections

Tacoma, Wash., Dec. 28.—A large crowd of fight bugs saw Farmer and Joe Bonds, local heavyweights, box the best of many matches they have staged, last night in the last boxing that will be seen here before the lig goes on. The decision at the close of the four rounds was a draw. Bonds had the first, the second and third were even and Farmer had a good shade in the last round. It was a bang work from the first going.

Steve Pollack, of Tacoma, and Bert Forbes, of Seattle, boxed a draw as also did Andy King, of Vancouver, and Ed Hunter, of Seattle. Leslie Calvert, of Tacoma, won from Jack Cohan, of Centralia, while Leo Cohan, of Centralia, won decisively from Tommy Mahoney, of Dupont. Joe Benjamin, of Spokane, and Leo Crevier, of Seattle, in the semi-windup boxed a fast draw.

Willard-Fulton Match. Chicago, Dec. 28.—It appeared probable today that Tommy Burns will stage the Willard-Fulton championship bout at New Orleans March 4. Dominick Tortorich, his partner, has disposed of his interest in the match to Burns.

Looking for a Match. Sydney, N. S. W., Dec. 28.—Although his manager refused to commit himself today, Les Darcy, Australian middleweight champion, probably will go to the United States in the spring to campaign among the middleweights. It has been known for some time that Darcy planned to go to America, and his defeat of Eddie McGoorty, whose seconds threw up the sponge in the eighth round makes the trip appear more certain.

Ritchie and Lewis Tonight. New York, Dec. 28.—Willie Ritchie of San Francisco, and Ted Lewis of England, were in prime condition for their 10 round decisionless bout there tonight. When Ritchie last fought he obviously was too high in flesh, but he has worked this down. Both boys will fight at catch weights, as they are over the lightweight limit.

Jimmy Reagan Lost. Kansas City, Mo., Dec. 28.—Jimmy Reagan, former Pacific coast featherweight, lost the decision to Otto (Young) Wallace, of Milwaukee, in a hard fought 10 round bout here last night.

Elks Take Two Games From Watt Shipp Team. The Elk bowlers took two games out of three from the Watt Shipp last night at the Club alleys. The Watt Shipp romped home with the first game but the Elks came back strong and captured the last two. Siddell was high man with 192 while Skiff of the Elks rolled the high average of 180.

Tonight's game will be between the Oregon's and the Lajas. Last night's score was as follows:

Table with 4 columns: Name, 1st, 2nd, 3rd, Av. Elks: Ralph 154, Frazier 172, Samp 188, Baker 164, Noud 187. Totals 802, Team average 167. Watt Shipp: Siddell 192, Frazier 172, Samp 188, Baker 164, Noud 187. Totals 903, Team average 180.

HALLS FERRY NOTES

(Capital Journal Special Service.) Halls Ferry, Ore., Dec. 28.—E. M. Croisen loaded several cars of white fir the last week which will be used by the paper mill at Oregon City.

Mrs. J. F. Fleming went to Salem Friday to visit her daughter, Mrs. Frances Fermond, who is under the doctor's care. She reports her daughter improving.

Orville Conaway, who is working on a Polk county fruit ranch, came home to spend the Christmas vacation with his mother, Mrs. W. A. Shelton, and family. John Krisher, assistant manager of the Croisen ranch, is taking a two weeks' vacation and visiting a brother at Al-lacy.

Mrs. L. Lankford is in Portland on a two weeks' visit. Mr. and Mrs. James Lankford are expected home about February 1. Mr. Lankford is a civil engineer and has been working in southern Oregon since last June.

T. C. Roland, formerly of this place, is now located at Emun Clair, Wash., as representative of the Stone, Webster & Co., manufacturers of electrical supplies in Boston.

A pair of life insurance agents did a good business here the last week. Wm. Jorgensen, of Salem, has charge of Mrs. Lankford's ranch during her absence. His family came out from Salem to spend Christmas with him. We understand they will locate here in the near future on a tract in the Riverview addition.

John Fiddler and family, of Dallas, and Jas. Blackwell and family, of Jefferson, spent Christmas at the home of Mr. and Mrs. James Fiddler. Herbert Thomas and family, of Con-comley, are spending the week visiting at the home of Mrs. Thomas' grandmother, Mrs. Elizabeth Roland.

Christmas was celebrated in by salute of guns by several of our residents. James Sealon, our lonely bachelor, mistook it for an attack by the Germans. He at once proceeded to barricade the door and windows to his home. He was still "holding the fort" at 9 o'clock in the morning when a neighbor called to invite him to Christmas dinner. James at once capitulated.

Christmas day 1915 will long be remembered by our new settlers as one of the most pleasant Christmas in their lives. Grandma Roland prepared an elaborate Christmas dinner and invited the new settlers and a number of her old friends to come and help celebrate the greatest of all days.

CONGRESSMAN UNDER FEDERAL INDICTMENT

Labor Leader Alleged To Be Concerned In Plots To Destroy Munitions Plants

New York, Dec. 28.—A blanket indictment charging Congressman Buchanan of Illinois, David Lamar, "the wolf of Wall street," former Congressman Fowler, of Illinois, and five others with conspiracy was returned today as the result of the federal investigation of the activities of Labor's National Peace council.

The grand jury has been probing alleged efforts of the council to thwart munitions manufacture by calling strikes in munition plants. Recently Buchanan on the floor of the house introduced a resolution calling for impeachment of United States District Attorney Marshall, of New York.

In connection with the alleged operations of the council, it has been claimed and denied, that German finances were behind the organization. Buchanan is known as one of the most active labor men in the house.

The five indicted in addition to those named above were Herman Schulz and Henry Martin, labor agitators of Chicago; Franz Von Rutenel, alleged German plotter now held in London as a spy; Jacob C. Taylor, the last president of the council; and Frank S. Montett, former attorney general of Ohio.

They were charged with conspiracy under the Sherman anti-trust law to interfere with commerce through endeavoring to incite labor trouble in munitions plants. It was alleged that Lamar was Rintelen's agent, handling thousands of dollars which he furnished. Buchanan has served as the general counsel of the council.

Lamar expected to furnish bail this afternoon. The penalty for conviction is a \$10,000 fine, or one year's imprisonment, or both. Those indicted, who live here will be arraigned here, while out of town parties will be arraigned where they live.

It has been charged that \$200,000 was furnished to the alleged conspirators, partly for causing strikes as partly for bribing labor leaders.

Buchanan Wrathful. Washington, Dec. 28.—When told that he had been indicted for alleged conspiracy, Congressman Buchanan this afternoon said: "I haven't been notified of it, but I wouldn't be surprised if it were so. They are fully capable of almost any sort of skulduggery. I have done nothing for which I should be indicted."

Former Congressman Fowler said: "This quarrel with agents of the war trust will be settled hilt to hilt. We will expose any irregularity and corrupt methods used in an effort to destroy the good name and influence of our organization. The main object of the council was preservation of America's neutrality to act thereby as a powerful instrument toward peace."

unable to present. Rev. J. C. Spencer came as a substitute and gave a very helpful and instructive address. L. T. Reynolds, of Hayesville, conducted the round table. When the question box was opened a number of different persons were called on to answer the questions and after they were answered a general discussion followed, which made it interesting and helpful. Most of the Sunday schools reported at the business session, Rural Chapel carrying off the banner for the largest attendance of their enrollment at the convention and also for the largest average attendance in their Sunday school.

The delegates met to decide where the next convention would be held. Clear Lake and Hayesville extended an invitation for the next convention, an informal ballot was taken, Hayesville receiving the majority of votes. A motion was made and carried that Hayesville be the unanimous choice. After the delegates adjourned, a paper was found on the desk, with an invitation from Kaiser, which was overlooked when the delegates were in session.

Rev. J. L. Wherry, of McMinnville, spent a recent Sunday in Hayesville and preached both morning and evening.

Chester Armstrong, of Macleay, was a pleasant caller here recently.
