

of THE TOGGERY is in full force

Positively Every Damaged Article Must Go at Some Price

Friday Will Be a Big Day. We Close All Day Saturday---New Year's Day

As fast as possible we are opening up all reserve stock and grouping it on tables. It is impossible to display all damaged goods at one time. Shopping is much more satisfactory now that no further necessity exists for an officer to hold back the crowds at the entrance. Here's a few of the many bargains to be found. We especially call attention to many lots of Underwear that were impossible to be shown in the first rush hours:
