The Most Wonderful Endorsement Ever **Given Any Product**

John Philip Sousa and his famous Band have circled the globe on numerous tours and inspired millions of people in many lands with their soul-stirring, inimitable music.

Mr. Sousa has been a smoker of Tuxedo Tobacco for years. Recently, at the Panama-Pacific Exposition, a newspaper representative made the discovery that every member of Sousa's Band is also a Tuxedo smoker!

Whereupon, the following endorsement of Tuxedo was gladly given and signed by Mr. Sousa and the sixty-six members of his Band. Read it-as sure-fire and convincing as a Sousa March:

"All the vim, energy and enthusiasm we put into the playing of the 'Stars and Stripes Forever' we find in the steady use of TUXEDO."

No other product has ever received such a remarkable endorsement as this.

The incomparable mildness of Tuxedo appeals to men with nerves-the fact that Tuxedo does not affect their throats or nerves. And the reason is the "Tuxedo Process", that makes Tuxedo different from all other tobaccos-positively non-biting, delightfully soothing, restful and refreshing.

Tuxedo will appeal to you for the same reasons. March at a Sousa quick-step to the nearest tobacco

As a taxpayer Anderson secured a writ of mandamus to comply with the law which states that the tax budget shall be published so as to allow full discussion of the state itemize the estimates for maintainence, where the tax budget is the tax budget. The county court of Tillamook county

son contends that the budget should itenize the estimates for maintainence, improvement, each, road, each bridge, each street, numbers of supervisors, salary of each, and amount for ma-chinery and supplies. Justice Bean ruled that it was not necessary for the county courts to do this as an estimate I was all that was necessary since the supervisors, for example, were paid by the day and it was not known how many days they would work during the coming year, also it was uncertain how much repairs or supplies would be needed. Hence the court ruled that an estimate of the amount needed and the lump sums for the various departments
