because swollen glands or inflamed membranes often affect other tissues and lung trouble easily follows.

As Nature's corrector of throat troubles the pure cod liver oil in Scott's Emulsion is speedily converted into germ-resisting tissue; its tested glycer-ine is curative and healing, while this wholesome emulsion relieves the trouble and upbuilds the forces to resist tubercular germs and avert the weakening influence which usually follows.

If any member of your family has a tender throat, get a bottle of Scott's Emulsion to-day. Physicians prescribe it to avert throat troubles, overcome bronchial disorders and strengthen the lungs. Unfortunately, such a rule eliminates most foods which are pleas ant to the taste as well as those which are rich in blood, flesh and nerve building properties. This is the reason why dyspepties and stomach surferers are usually so thin, emaciated and lacking in that vital energy which can only come from a well feel body. For the beneft to those sufferers we have been obliged to exclude from their diet all starchy, sweet or fatty food, and are trying to keep up a miserable existence on gluten products, it is suggested that you try a meal of any food or foods which you like, in moderate amount, taking immediately afterwards a teaspoonful of Bisurated Magnesia in a little hot or cold water. This will neutralize any excess acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you probably will find that your food agrees with you perfectly.
