Assistant Secretary of War Breekenidge told the committee that the conmental army plan would be more satis
A conference with labor leaders was

Washington, Jan. 12.—Secretary of War Garrison today urged a house ap-propriations sub-committee to arrange for expenditure of \$80,000,000 in the propriations that for expenditure of \$80,000,000 in the for expenditure of \$80,000,000 in the for the form years on coast fortifications. In detailing the administration's plans for strengthening these defenses, he out that lack of men had been a prime factor in determining the failure of the same and that the same and the same expedition. At the same that the same that the same content is the capital of the capital same and the same capital same and the same capital s for strengthening these defenses, he announced that they included increases in San Francisco bay, Los Angeles harbor and other l'acific coast points. Insufficient ammunition reserves, and not enough men to man the defenses, he said, stand as one of the weakest points in our present coast, axision. points in our present coast system.

Portland Experiences **Genuine Winter Storm**

Pears are felt for livestock in many nates. arts of the northwest today becaus of the musually secere weather. Hay supplies are the shortest in many years and the ground is frozen hard and Salem Bridge Plans there is no range.

Cold In Washington

Spokane, Wash., Jan. 12.—The cold est weather of the winter was registered here this morning when the mercury dropped to 8 degrees below zero. Waterville, Wash., reported 24 below zero; Colville 16 below, Endicott 23 and Massow, Likhe 9 below. and Moseow, Idaho 9 below.

Storm Is General. Chicago, Jan. 12.—Icy pavements, resulting from a sleety blizzard were responsible today for one death. The storm impaired wire and rall communiation throughout the middlewest.

Blizzard In Iowa.

Des Moines, Iowa, Jan. 12.—With planning to take advantage of an early the worst blizzard of the season raging here today, a temperature of 25 tracts for their work at the earliest date below is predicted for tonight. A farm posible.

Schmidt's Attorney Move For New Tria For Convicted Dynamiter

Los Augeles, Cai., Jan. 12.—When M. A. Schmidt came before Judge Frank R. Willia today to be sentenced to life imprisonment for helping dynamite the Times building, his chief counsul, Nute Coghlan of San Francisco, demanded a new trial. His grounds were technical, he total length of the work number construction amounting to 2.18 the principal one being that the jury was impaneled in violation of the law which excludes property owners from duty in cases where prejudice exists. The arguments seemed likely to last some time. If Willis refuses a new trial, the case will be appealed.

Schmidt sat calmly beside the attorneys table, with his sister at his elbow. He appeared quietly confident and He appeared quietly confident and some six miles on a basis of climin very much at ease,
