

Social and Personal

ALINE THOMPSON

The social calendar for this week is still brimming with countless sleighing and skating parties, with the inevitable supper rounding out the evening's gaieties.

The thrills of coasting and tobogganing has given society folk a vast amount of annual and exciting pleasure during the past week, and the kiddies as well as the grown folks will no doubt indulge joyously in the cherished sport as long as it lasts.

Last evening about twenty of the married and younger set went coasting.

The evening was closed by a delightful progressive supper, starting at Mr. and Mrs. George Palmer Putnam and ending at the Harry Clays.

An artistically appointed dinner was that presided over by Mrs. Thomas Kay, yesterday, in honor of her father, C. A. Wallace, on the occasion of his eighty-second birthday and incidentally Mr. and Mrs. Kay's twenty-eighth wedding anniversary.

The table was centered with beautiful fragrant pink roses and greens, with covers for twelve of the immediate family.

Mrs. Isaac Lee Patterson spent the week end in Portland, as the guest of her son, Philip Patterson.

Among the enjoyable dinner parties of the week was that presided over by Mr. and Mrs. J. J. Baker on Friday evening at their home on Court street.

Mr. and Mrs. Baker's guests were: Mr. and Mrs. E. B. Millard, Mr. and Mrs. Fred Legz, Mr. and Mrs. J. A. Mills, Mr. and Mrs. R. R. Jones, and Dr. and Mrs. B. L. Steeves.

Chauncey Bishop returned Sunday night from a fortnight's trip to California.

Last evening the La Arca club met at two o'clock with Mrs. Leona Peterson on South High street.

Following a brief business session the guests enjoyed an evening of coasting.

A delightful hot supper, uniquely served by the hostess, in a pretty Chinese costume, ended the evening's gaieties.

Mrs. Peterson was assisted by Mrs. St. Helena.

Those participating were: Mrs. Birdie White, Mrs. Fay Collins, Mrs. Clara Vibbert, Mrs. Fred Ellis, Mrs. Bonnie White, Mrs. H. D. St. Helena, Mrs. Frank Lytle, Miss Stella Wilson, Misses Cecil and Ruth Bohannan, Miss Stanis Anderson, Miss Ruby Baker, Miss Dorothy Anderson and Miss Marie Havdeto.

An important event in musical circles this week, will be the presentation of the Indian String Quartet at the First Christian church tonight, under the auspices of the Loyal Sons of that church.

This concert which promises to be the best of its kind will no doubt be enthusiastically greeted.

The evening's proceeds will be given to the boys to remodel their club room, which is one of the best in the state.

The W. O. W. entertained Saturday evening at the home of Mrs. H. H. Kellogg, with a farewell party in honor of Mr. and Mrs. Murray, who left Monday for Iowa, where they will make their home.

Five hundred afforded the evening's diversion, followed by refreshments.

Mrs. C. H. Nichols, Miss Louanna Brown and Miss Phyllis Kellogg assisted in the serving.

Mrs. W. O. Asselyn has as her house guest, Mrs. George Schulerick, of Hillsboro.

On Wednesday a group of ladies gathered at the home of Mrs. Joseph Pennell.

Laden with delicacies, the guests called in the morning, prepared for the day.

A delightful chicken dinner was followed by a sewing.

Those gathering to spend the day with Mrs. Pennell, were:

A PROMINENT WOMAN ENDORSES OUR STATEMENT.

Portland, Oregon.—"I was troubled for years with female trouble and tried a great many remedies without any benefit until I was advised to use Dr. Pierce's Favorite Prescription. I took several bottles of it and received great benefit therefrom. I can heartily recommend this medicine to all women who are expecting to become mothers, as I do not think there is anything to equal it. It is also good during the period of middle life."—Mrs. C. A. ANDERSON, 1451 Macadam Street.

Dr. Pierce's Favorite Prescription is a true friend to women in times of trial and at times of pain when the organs are not performing their functions. For headache, backache, hot flashes, catarrhal condition, bearing down sensation, mental depression, dizziness, fainting spells, lassitude and exhaustion, women should never fail to take this tried and true woman's medicine.

For girls about to enter womanhood, women about to become mothers, and for the changing days of middle age, Doctor Pierce's Favorite Prescription should always be on hand.

It is a temperance remedy that is extracted from roots with pure glycerine and its ingredients are published on wrapper.

Any medicine dealer can supply it in either liquid or tablet form. The cost is modest, the restorative benefits truly remarkable.

Write Doctor Pierce, Invalids' Hotel, Buffalo, N. Y., for free 126 page book on woman's diseases. Every woman should have one. You can also have confidential medical advice without cost.

By making this pint of old-time cough syrup at home you not only save about 82, as compared with the ready-made kind, but you will also have a much more prompt and positive remedy in every way. It overcomes the usual coughs, throat and chest colds in 24 hours—relieves even whooping cough quickly—and is excellent, too, for bronchitis, bronchial asthma, hoarseness and spasmodic croup.

Get from any drug store 2½ ounces of Pinex (50 cents worth), pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. Full directions with Pinex. Keeps perfectly and tastes good.

You can feel this take hold of a cough or cold in a way that means business. It quickly loosens the dry, hoarse or painful cough and leads the inflamed membranes. It also has a remarkable effect in overcoming the persistent loose cough by stopping the formation of phlegm in the throat and bronchial tubes.

The effect of Pinex on the membranes is known by almost every one. Pinex is a most valuable concentrated compound of genuine Norway pine extract combined with gualac and other natural healing pine elements.

There are many worthless imitations of this famous mixture. To avoid disappointment, ask your druggist for "2½ ounces of Pinex," and do not accept anything else.

A guarantee of absolute satisfaction, or money promptly refunded, with this preparation. The Pinex Co., Ft. Wayne, Ind.

An Old, Family Cough Remedy, Home-Made

Easily Prepared—Costs Very Little, but is Prompt, Sure and Effective

CITY COUNCIL HAS SHORT AND PEACEFUL ROUTINE SESSION

New Ordinances Would Regulate Taxicabs and the Cutting of Pavement

The city council met for a short, quiet session last night and the routine business was run off without a hitch. A bill for an ordinance to prohibit the laying of water mains, gas mains, and other conduits on paved streets was read twice and then referred to the ordinance committee. By the proposed measure the cutting of the pavement is prohibited. A bill for an ordinance to regulate taxicabs, and autos for hire and providing an annual license fee of \$10 was also introduced, and referred to the ordinance committee.

An ordinance was passed making the city recorder custodian of the city hall. An ordinance authorizing the city recorder to accept a deed from T. H. Barnes, to a strip of land on 20th and D streets at a cost of \$291.81 was passed. The printing committee announced that the bid of the Commercial Printing Co., of 94 cents per page for the printing of the revised city ordinances had been accepted. In the matter of the storm sewer on Asylum Avenue between 12th and 10th streets, City Engineer Skelton reported that this sewer was laid against the recommendations of the engineering department to take care of two districts and it had been proven that it was not large enough. He recommended that another 36 inch sewer be built through this territory at a cost of about \$3400.

Resolutions were passed transferring \$1000 from the city funds to the library board and to the park board. A petition for a bridge on Howard and Berry streets across Pringle creek was referred to the bridge committee and the bridge committee was authorized to build a footbridge on Leslie street.

The petition of W. E. Hogue for police powers to work as a Merchants patrolman was referred to the police committee.

The finance committee was authorized to investigate the matter of hiring Ex-Attorney Trindle to assist City Attorney Macy in the three cases of the city now pending in the courts. One is in the federal courts, the paving cases are now in the supreme court and a damage suit is now in the circuit court. When the matter of the fees for special attorney hire came up the council decided to find out what the fee would be before the attorney was hired.

In the paving cases Attorneys W. T. Slater and Roberts were employed and they said they would charge a reasonable fee. When the bill came in after the trial in the circuit court it was for \$1500 and the council considered this exorbitant and the matter was finally settled for \$1000.

SOCIETY LADIES ADOPT HAIR CURLING METHOD

Since the introduction of liquid limerine in this country, it has become quite "the proper thing" among society women, who have readily adopted it in place of the destructive curling iron. The waves and curls acquired by the new method are far more natural in appearance, and the hair is of course glossier and prettier than could be if the life were cooked out of it.

The liquid is pleasant to use, being neither greasy nor sticky. It is a simple thing to apply with a clean tooth brush at night when the hair is down. The lovely wavy effect in evidence in the morning is all that one could wish for. It costs little to use liquid limerine, as a few ounces from the druggist will keep the hair in curl for weeks.

STEAMER QUITS FLAVEL

Portland, Or., Jan. 18.—The steamer Northern Pacific will temporarily stop running between Flavel and San Francisco after February 9, the Great Northern Pacific Steamship company announced today. On February 10 the Northern Pacific will sail from San Francisco for Honolulu. Early in March she will return to her regular run.

RAILROADS CONQUER SNOW.

Sacramento, Cal., Jan. 18.—Transcontinental railroads with lines crossing the Sierra Nevada mountains, have today won their battle with snow and trains are running regularly and more nearly on schedule time. While all trains are late there are no serious delays.

American Liner Is Crippled by Explosion

New York, Jan. 18.—Holland-American line officials received a report today that the liner Rydam was in an accident. They declined to give details, however.

The Rydam sailed from New York Wednesday with 150 passengers, for Rotterdam via Palmouth.

There was some thought, too, that possibly the vessel had been torpedoed as German submarines are again operating in British waters. The liner Rydam was torpedoed recently with heavy damage.

It is believed the accident occurred while the vessel was emerging from Dover strait, since she was bearing in to Greenland.

The Rydam sailed from New York Wednesday with 150 passengers, for Rotterdam via Palmouth.

There was some thought, too, that possibly the vessel had been torpedoed as German submarines are again operating in British waters. The liner Rydam was torpedoed recently with heavy damage.

PART OF GERMANY'S ROYAL FAMILY

The group shows a recent photograph of the German Empress, the Crown Princess Cecilie, her daughter-in-law, and the latter's children Prince William Frederick is standing between his mother and grandmother. Next to him is Prince Louis Ferdinand. Prince Hubert is leaning against his mother. Prince Frederick is seated. This photograph does not show the young infant, Princess Alexandrine Irene.

CANTINE'S DAYS AS HEAD OF HIGHWAY AFFAIRS NUMBERED

Supreme Court Denies Motion for Rehearing and States Lewis' Powers

The state supreme court reversed Governor Withcombe and State Treasurer Kay again this morning when the petition for a rehearing in the state engineering case was denied and Justice Bean further outlined the powers and duties of State Engineer Lewis. In denying the petition Justice Bean says:

"The 'state engineer' being substituted for the 'state highway engineer' by Chapter 337 Laws of 1915, there can be no question but that all the duties coming within the purview of the statute would devolve upon the state engineer and for this reason the enactment of 1915 provides the assistance of a deputy for that official. It also subjects the state engineer to the duty of responding to the requisitions of the highway commission in the matter of the construction of state roads."

Under the previous ruling and by this additional light on the subject by the supreme court sitting on banc it is evident that the state's highest tribunal considers John H. Lewis to be state engineer both in fact and in name and that the affairs of the department will be administered by Mr. Lewis under the law.

State Engineer Lewis today would make no statement as to his views relative to the retention of E. I. Cantine as chief deputy except that he needed Mr. Cantine's services while certain litigation was pending in the courts. Lewis further said that he had a competent office force of his own and that he would assume active charge of the highway affairs at once. This might be taken to indicate that Cantine's days as chief deputy would be numbered as Cantine threw his lot with the highway commission when the controversy first started and now that Lewis has won out in the courts it is not likely that there would be a great amount of close harmony between Lewis and Cantine.

Lojus Win Three Games from W. O. W. Bowlers

The Lojus came back stronger last night at the Club alleys and trimmed the W. O. W. team three straight games. Picketton rolled 199 for high average and Dean of the W. O. W.'s upset 212 for high game. The scores follow:

Lojus	1	2	3	Av.
Stutesman	176	170	175	174
Picketton	209	186	201	199
Hill	161	200	134	165
Freeland	171	168	165	168
Day	139	203	210	184
Totals	850	927	885	
Total pins, 2668; average, 178.				

W. O. W.	1	2	3	Av.
Wilson	149	126	167	147
Lloyd	172	174	139	168
Bean	212	177	188	192
Donaldson	158	196	135	163
Kress	159	206	172	176
Totals	841	879	821	
Total pins, 2531; average, 169.				

WET GOODS TRADE LIGHT.

Portland, Or., Jan. 18.—Since the state went dry less than 100 packages of liquor have been received here from outside states. Express companies are disappointed. Big shipments and a constant stream of wet goods had been expected.

The few receipts of liquor, however, is generally attributed to the fact that cellars and basements were well stocked in preparation for the drought.

It is rather unfortunate that those fire-eating senators can't be driven into a real fight.

CITY NEWS

The case of Elmer J. Rice, as the American Standard Jewelry Company, against Carl Tandrup and Harry Parker was called in the circuit court department number 1 today and will be in the hands of the jury tonight. This case was brought by Rice to collect \$153.55 alleged due on a bill of jewelry for \$190 which was sold to Tandrup and Parker. The defendants answer that the jewelry was guaranteed to them not to turn black and that they sold some of it and that it was returned and that they could not sell any more of it and they asked the plaintiff to take it back. He refused to take it back, according to their answer, and in the meantime the show case containing the jewelry was destroyed by fire and they were unable then to return it. John Payne is appearing for the plaintiff and Smith & Shields for the defendant.

The jury in the case of A. Richardson and Mary E. Richardson against M. M. Diehl and W. L. Diehl returned a verdict for the plaintiff in the sum of \$1535.60. This is a case in which the plaintiff alleged that they bought 55 acres of land, "More or less" and they found it to be 11 acres less and they sued to collect the proportionate price of the 11 acres.

Harry T. Booth was arraigned before Justice of the Peace Webster today on a charge of obtaining money under false pretenses and was bound over to the grand jury under \$250 bonds which he was endeavoring to raise today.

The estate of Silas Reynolds was admitted to probate today and Walter Reynolds was appointed administrator. The estate consists of personal property to the value of \$100 and real property valued at \$7,000.

A marriage license was issued today at the office of the county clerk to Frank D. Martin, a farmer of Salem, and Maud Armstrong, a school teacher of Chemawa.

The will of Ebe Paulsen, who died at Hubbard January 11, was admitted to probate by the order of Judge Bushey today and Balne Paulsen was named as executor. The other heirs and legatees are John Voigt, Maria North, Anna Paulsen, the wife of the deceased, who died in 1912, J. L. Calvert, George Wolfner are named as appraisers.

Another Wonderful Recovery From Kidney Trouble

For nearly nine years I was a great sufferer from what my doctor said was kidney trouble and my blood was out of order; enduring all that time excruciating pain in my back and across my bowels. I was drawn down so that I could only walk with my hands on my knees. My doctor said he could do nothing for me. I tried many kinds of medicines but all to no avail. A friend told me about Dr. Kilmer's Swamp-Root, and as I had tried everything else that I heard of, I bought a bottle of Swamp-Root and it did wonder for me. I prize it higher than any other medicine and I shall recommend it to my friends. I wish to add here that after using Swamp-Root for two months I began to straighten up and am now sound and well, and feel like I might live a long time yet to tell what your medicine has done for me.

Yours very truly,
T. C. CLAY,
Marion, Ohio.

750 Sugar St.
State of Ohio)
Marion County)

Personally appeared before me this 19th day of December, A. D. 1914, T. C. Clay, who subscribed to the above statement and made oath that the same is true in substance and in fact.

CHARLES W. HABERMAN,
Notary Public,
Marion Co., Ohio.

Letter to
Dr. Kilmer & Co.
Binghamton, N. Y.

Prove What Swamp-Root Will Do For You.

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Salem Daily Capital Journal. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

They Don't Keep Long

Cakes baked with Merit Vanilla have a remarkable way of disappearing quickly. The palate-tickling flavor which it imparts delights all. A 25 cent bottle goes further than any other.

Get the Habit of Drinking Hot Water Before Breakfast

Says we can't look or feel right with the system full of poisons.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles if you could believe these hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of real hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and the thirty feet of intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, become food for the millions of bacteria which infect the bowels, the quick result is poisons and toxins which are then absorbed into the blood causing headache, bilious attacks, foul breath, bad taste, cold, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so limestone phosphate and hot water act on the stomach, liver, kidneys and bowels. It is vastly more important to bathe on the inside than on the outside, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

HIGH SCHOOL NOTES

The breaking of water pipes on the third floor of the High school building Monday morning rather inconvenienced things for a while as the water soaked through the ceiling of the junior assembly compelling them to vacate.

Many of the students as well as one of the faculty are wrestling with the grip. Miss Palmer, head of the mathematics department, has been one of the unfortunate.

All the students are boosting for "The Servant in the House", the play to be given at the opera house Friday evening under the auspices of the High school. This is not a home talent play, but one of Redpath's liveam attractions produced by the William Owens company.

The Salem high school basketball team will play Vancouver high Friday evening at the gymnasium. Now the Proctor has recovered from the grip, the team is in fine shape.

TROWBRIDGE OPERATED ON

Portland, Or., Jan. 18.—George Trowbridge, managing editor of the Oregon Journal, was reported resting easily today after two operations. A serious abdominal operation was performed last night. The patient retained his strength this morning and another operation of minor nature was performed.

Honestly, now, don't you approve of President Wilson's determination to keep you out of the trenches?
