# STOMACH SUFFERERS

#### D. G. Drager, adv. for freight 17.50 Says Indigestion Comes From Western Folks Like Mrs. Wil-An Excess of Hydrochloric Acid

2.81 A well-known authority states that stomach trouble and indigestion is nearby always due to acidity-acid stomach and not, as most folks believe, from a lack of digestive juices. He states 2.00 7.50 that an excess of hydrochloric acid in train as it pulled into the LaSalle stree the stomach retards digestion and starts 4.50 food fermentation, then our meals sour like garbage in a can, forming acid leave at 10:30 for Milwaukee. 6.00 fluids and gases which inflate the 3.00 fluids and gases which inflate the and the president, his wife, Dr. Grayson 16.50 get that heavy, lumpy feeling in the breakfast as the train arrived. Along 4.50 chest, we eructate sour food, belch gas, the route from Cleveland, throngs were or have beartburn, flatulence, water-13.75 brash, or nausea.

He tells us to lay aside all digestive Lauderbuch, John, dragging etc. 31.75 aids and instead, get from any phar-23,75 macy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is efferveseing, and furthermore, to continue this for one week. While relief follows the 6,00 first dose, it is important to neutralize 6,00 the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combiner with lithia and sodium phosphate. This harmless salts is used thousands of people for stomach trouble with excellent results.

#### German Admiral Says England Cannot Stop Commerce On Baltic

(Continued From Page One.)

have all the things necessary for war ,64 for several years,"

Then I asked him how long he thought the war would last, 14.00 said repeatedly that the war will contime antil Germany is defeated, until her business is forever rained and her international influence destroyed. The war will last until the allies learn that 5.25 they cannot accomplish their purposes.

5.03 That may be a long time."

"A year or two?" I suggested.

"A long time," he repeated.

Then the admiral talked of the Ger-4.50 man and English navies.

England Fears America. 18:00 "It was pointed out in the house of commons recently by a member who 4.00 spoke of secret construction of Germany's navy that danger of such in-crease was presented to England," he continued. "The increase of our navy during the war, and that of England's 2,00 has been about the same. But Ger-23,00 many's navy has never been changed

3.00 disproportionately to England's,
"It is our merchant marine, however, tant England has feared. The
fact that this fleet is today not de-22.75 stroyed, but is ready at any moment that peace is declared, to resume peaceful trading is one thing that causes English anxiety. England does not 2.50 fear the German navy, but she does 4.50 fear America and the growing Ameri-

6.50 can navy."

I asked him about submarines and

50.00 especially if it were two that more 12.00 than 50 and been lost.

'Not half that many, nor near s.00 half,' he replied quickly. 'The Eags lish think that because they laid nets 12.62 lish think that because they hid nets and mines, our submarines are being nitions. Speak trapped. Nothing could be more un-22.00 true. More than one submarine ass gone

through these nets without damage. "The fact that in less than a year, 5.28 more tann 1,300,000 tous of enemy merchant ships have been destroyed by 5.50 them is enough evidence of what our ships have done to English and allied 2.50 commerce.

#### More Candidates File With Secretary of State

W. D. Wood, of Hillshore, is a caudi-27.00 date of the republican party for the office of state senator, Eleventh Schatorial district, and filed his declaration today. His statement is, "Con-tinue past efforts for strict economy." The mass of half-baked and ill.comsidered legislation heretofore passed has eral minutes before no could make himensumbered our statutes, added expense nd dissatisfaction with the legislature. and dissatisfaction with the legislature.

My efforts will be continued for fewer in the throngs.

The dissatisfaction with the legislature.

Thousands of children were included in the throngs.

"I used to be a school master," he and more carefully considered laws,

T. H. Goyne, of Tillamook, also filed today as a candidate of the republican party for the office of district attorney of Tillamook county with the following joined the executive on the rear plat-874.44 party for the office of district attorney of Tillamook county with the following slogen, "Respect for law, and a clean 17.50 government."

### CROWDS AT STATIONS TO SEE THE PRESIDENT

## son - Greeting to Her Rivals That to Husband

Chicago, Jan. 31.—President Wilson reached here at 8:11 a.m. today, pre-paratory to invasion of the 'hypheu country' at Milwankee this afternoon in behalf of his preparedness program.
The chief executive did not leave the station and the special was switched to the Northwestern tracks, ready to

out from dawn on, to eateh a glimpse of the presidential party. At a number of stations they were rewarded by glimpse at the president and his bride but here the crowds at the LaSaile and Northwestern stations were not permit ted to enter the gates. Mrs. Wilson wa attired in a shirt waist suit, and sh joined the president in waving a greet

ing to the throngs on route.

She did no shopping here but accompanied the president in Milwaukee. Pleased With Mrs. Wilson.

The central west likes her. At he every appearance with the president her appliause has rivalled his. Enthus instic receptions given her everywher have obviously pleased the chief excen

The president's address at Milwan kee this afternoon was expected to de-velop around the message sent Senator James for presentation to a Hungarian meeting in New York. In this Wilson expressed his "sincere confidence in the great body of our fellow citizens who have strengthened and curiched America by adding their energy to our

o make a great America. It was expected he would appeal to foreign born citizens at Milwaukee as well as native Americans, to unite with in, in support of more defenses against dangers "which threaten from with

trips before he completes his pre paredness stumping tour The Air Hose Burst.

As the president left for Milwaukes at 10:07 an air horse on his train ex-ploded, startling everyone. Wilson was He offered no comment on the Frank

furter Zeitung report that Germany had said her last word in the Lusitania case, and that she did not disapprove the a tion of the German commander. At the same time, he authorized a de-nial of the report that he had changed his view as to the right of Americans travel on belligerent ships. He does not favor Senator Gore's measure to bar FOR SALE-No. 5 Underwood typethem from such vessels, and he stands

on the principle that any citizen has unquestionable rights on the After speaking at 2 o'clock at Mil-waukee, the president planned to return

here for a speech tonight. Speaks From Car. Aboard President Wilson's Train, Racine, Wis., Jan. 31.—Rapping FOR RENT-Modern seven room resi-those who charge teat the demand for dence near Court house. John H. national preparedness has spring from war," President Wilson today advo-cated government manufacture of mu-

Speaking to thousands in a rear plat-"I have all along advocated, and always shall, that the government as far as possible, manufacture these things for itself in order that it may prices at which they shall be sold to the government. There are adequat means of defending ourselves against those who would make money out of the necessities of the nation, and we

will use them. But I do not believe that the impulse for prepareduess has come from such sources.
The impulse comes from men who are disinterested, from men who know! the actual circumstances of the comtry and know that these things are in

Mrs. Wilson Gets Ovation. Along the line from Chicago, currente to Milwaukee, the president was At each stop he was forced to wait see self beard:

form, and was given a tremes low re-relation that was only equalled by that ccorded Wilson.

At Kenosha, a buge bouquet was handed over the rail to her; at Racine she delayed making her appearance, until the president called her, saying to the crowd at the same time: 'Here is some one better worth'

looking at than I am. " Thousands greeted the presidential arty at the depot and fined the streets the hotel. A troop of militia escorted the party.

The president and his wife dired privately before the speech.
