WILLAMETTE DRUBS **IDAHO UNIVERSITY** TEAM 21-25 SCORE

Methodists Take Lead at Start and Hold Visitors Down by Fast Work

The Willamette university basket-ball stock was lofted several points last night when the Liaho squad was taken down the line to the tune of 25 to 21. Willamette took the lead from the start and was never headed though the invaders approached within one point in the first half. Irvin started the scoring by dropping a free throw through the hoop and Flegel netter a basket a moment liter. The first half stood 11 to 13 for Willamette,

The Idaho men took about three shots at the basket to Willamette's one but the Methodists have vastly improved in basket shooting and Idaho was unable to register. On the floor the visitors excelled in teamwork but the W. U. team showed the greater speed and Shisler, Jewett and Irvin wriggled about and dropped the ball through the ring from all angles. German trench beautis fixed from rifles, unloaded by ally army experts here
show these rifle bombs to be the most
intricate of all bombs so far used in the
great war. Four separate explosions are great war, rour separate explosions are required to fire a bomb. The explosion of the rifle sends the bomb perhaps 200 yards, where it alights on its nose exploding a percussion cap, which lights a brass cap filled with gun cotton, which also explodes and causes half a pound of gun cotton in the main body of the bomb to be exploded. The bomb weighs only a pound, is no more deadly than most other trench bombs and costs perhaps ten dollars.

Athens, Greece, Jan. 1.—(By muil.)—
At last the warriors have got down to using clubs, just ordinary clubs, for braining men. The Austro-German soldiers are supplied with bludgeons and on parts of the British front the ally soldiers have been furnished clubs covered with spikes. These British clubs look much like the Big Stick American cartoonists used to picture T. R. using. The clubs are for use by troopers entering treuches on the sly and slaying noiselessly so that men in other parts of the treuch don't know what is going of the trench don't know what is going
