A two days' conference will be held

A two days' conference will be held at the First Baptist church beginning next Wednesday for a general discussion of the latest methods of Bible teaching and scriptural exposition.

The meetings will begin at 10 o'clock Wednesday morning and will continue all day and each evening of the two days and will be conducted by men and women prominent in denominational work in the Facific northwest.

This conference was made possible

This conference was made possible through the holding of the big laymen's meeting in Portland last week and several of the speakers who addressed the Portland meetings will take part in the

program here.

The five year program that was adopted by the northern Baptist convention in Los Angeles will be discussed and the meetings will be a rare

trent for religious workers who wish to post themselves on the latest meth-ods of Bible work. The meetings are open to teachers from all churches.

Among those who will be present and tuke part in the discussions are the Rev.

A. M. Petty, D. D., Rev. Thomas Moody, Mrs. E. L. Troyer, Rev. C. A

LOSS OF APPETITE

Most Successfully Treated by Taking Hood's Sarsaparilla.

Loss of appetite is accompanied by loss of vitality, which is serious. It is common in the spring because at this time the blood is impure and impoverished and fails to give the digestive organs what is absolutely necessary for the proper performance of their functions.

Hood's Sarsaparilla, the old reliable all-the-year-round medicine, is especially useful in the spring. Get it from your drugsist foday. By purifying and enriching the blood and giving vitality, vigor and tone, it is wonderfully successful in the treatment of loss of appetite and the other aliments prevalent at this time. It is not simply a spring medicine—it is much more than that—but it is the best spring medicine.

Hood's Sarsaparilla makes the rich red blood the digestive organs need.

Stock Market Has Lightest Day of Year

(Copyright 1916 by the New York Evering Post.)

New York, Feb. 21.—Partly, no doubt because of the absence from town for over the holiday of so considerable part of Wall street's constituency, the market today fell into a state of absolute idleness. There was some desultery drifting of prices either up or down, but no one took any great interest. The slight activity at the opening died immediately and the rest of the day was dull. The number of shares dealt in was the smallest in 1916, and in fact, the smallest since the middle of last the smallest since the middle of last

A "Positive" Sale

"Where Frankness Reveals Your Opportunity" Some things marked less than cost. Many others at exact cost. On a few items we will make a profit.

Why there's a Time Limit

You've seen the kind of sale that goes on and on, without any limit, as long as there seems to be any interest in it. Sometimes it looks as if the merchant kept on buying stock for the express purpose of continuing his sale.

But this isn't that kind of a sale. We set a definite time in which to sell certain goods. When that time is up the sale is over.

If there should be anything left, is goes right back in stock at the regular price. But it doesn't look as if much would be left, judging by the last few days. People appreciate value and they're getting it here.

Have you accepted the opportunity? Plenty of time till Saturday, but you've heard "the early bird" story.

Here are eight of the neatest grey suits we have had in our store. Sizes 35 to 42. Just what you'll want a few weeks later. They were \$15.85 820, but if you buy one now \$15.85

SALEM WOOLEN MILLS STORE

A Card of Thanks It is all over but the shouting and I am frank to state that from a profit standpoint there is not much cause for shouting, though the number of pianos sold has far exceeded my expectations.

I take this means of thanking and congratulating the many who have secured pianos during this sale and to assure them of the unprecedented values obtained. All doubt of any dissatisfaction is dispelled by the fact that every piano purchased is backed up by Eilers Music House of Portland who have been doing business in Marion county for 17 years, and while a majority of the pianos sold in this territory in that time have been sold by them they have not a dissatisfied customer. There are only four pianos unsold besides two organs, and these will not be shipped back until Thursday.

To anyone wishing something extra fine in a piano we would suggest a visit to the store to see and get the price on the beautiful Smith & Barnes, or Kimball.

I also have two used pianos that I am very anxious to sell either for cash or on \$5.00 per month payments.

See the one for \$140 like new, or the organ for \$15.

General Agent for Eilers Music House and the Manufacturers, 264 Commercial St.
