(Capital Journal Special Service.)
Monmouth, Ore., Feb. 21.—It is safely said that the training school teachers, training school students and in fact all of the citizens of Monmouth, were very happy last Monday when school was taught for the first day in their new training school building. Plans are now being made to hold the next meeting of the Parent Teachers Association, March 7, during the afternoon in the new building and the people of Monmouth and vicinity will be invited to be present. There will be exercises and after they are over the visitors will be permitted to inspect the whole building and see its fine equipment.
