RACING PROGRAM OF STATE FAIR INCLUDES NINE RUNNING RACES

Special Speed Events Scheduled for Salem Day and Portland Day

The racing program for the coming state fair was made up by the committee yesterday after an all day session at the offices of Secretary A. H. Lea. The committee promises an excellent card of speed events with some of the best strings of horses that can be secured with the funds on hand available for prizes. The committee departed from the custom of filling the card with harness races and nine running races are scheduled for next year. It is believed that running races attract more interest than harness races by the committee which is the reason given for their change.

The fair will start September 25 this year and Wednesday, September 27, is Salem day while Thursday is Portland day. It is expected that those two days will prove to be the banner days of the fair and two features are scheduled for those days.

For Salem day the big attraction will be the 2:08 pace, best three in five, for a purse of \$2,000. Portland day will be featured by the 2:12 trot, best three in five, for a purse of \$2,000.

The speed committee announces that the races this year will cost \$16,500 in prize money. With this big sum offered for the winners in the different contests, it is figured that some of the classiest horses on the Pacific coast will be on hand to try for the money.

The program of races follows:

UPROAR OF ROOTERS DROWNS OUT SHRILL OF TIMERS' WHISTLE

Bankers Tie Score After Time Is Called But Game Still Continues

The deafening uproar of the rooters in the game between the Bankers and Fry's last night at the Y. M. C. A. prevented Referee Mathews from hearing the whistle and the Bankers shot a basket tying the score after the time was up. Needless to say the eleventh hour basket increased the din and for a short time bedlam reigned while the timers, referees, captains, spectators and players joined in a peace conference to find out exactly where they were at.

The matter was finally adjusted, however, and the score book showed that the Druggists were entitled to a win over the league leaders by a score of 7 to 5. This defeat of the Bankers now leaves three teams again tied for first place with percentages of .777 each.

The Watt Shippo in the first game of the evening with the Hauser Bros. team annexed another game, totalling three games won on the schedule. The Shippo set a fast pace and if the team increases in strength it has it in the past few weeks it will make good showing for the remainder of the schedule.

The third game of the evening was between the Capital Business college and the Standard Cleaners. The Business college easily won as the Cleaners were handicapped by the absence of Curtis, a forward.

In the last game the Bishops were able to defeat the Price Shoe company only after an additional period of five minutes which was necessary to play off the tie. The score was 10 each at the end of playing time.

First Game.

Hauser Bros. 14; Watt Shippo Co. 12; Standard Cleaners 12; Capital Business College 12; Bishops 12; Price Shoe Co. 10.

Second Game.

Fry's Drug Store 10; Capital Nat. Bank 5; Standard Cleaners 10; McIntire 10; Hart 4; Cox 2; Bays Kavanaugh 2; Niederkerker Cooper 2; Alford Turner 2; White 2; Davis 2. Final score: Fry's Drug Store, 7; Capital National Bank, 5.

Third Game.

Standard Cleaners 10; McIntire 10; Hart 4; Cox 2; Bays Kavanaugh 2; Niederkerker Cooper 2; Alford Turner 2; White 2; Davis 2. Final score: Capital Business College, 12; Standard Cleaners, 6.

Fourth Game.

Bishops 14; Price Shoe Co. 10; Uter 10; Ackerman 7; Shafer 7; Ramseyer 7; Moffett 7; Semester 7; Brill 7; Swenney 7; Leise 7; Radloff 7. Final score: Bishops, 14; Price Shoe Co., 10.

Officials: R. L. Matthews, referee; H. S. Radloff and J. H. Farrar, timers; Oscar B. Gingrich, scorer.

WHY CHILLY WEATHER BRINGS RHEUMATISM

Says Skin Pores Are Closed and Uric Acid Remains In Blood

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work; they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia water drink which overcomes uric acid and is beneficial to your kidneys as well.

Chief Grey Eagle of the Umatilla reservation, hunting for his wife in Chicago cabarets, also advertised Oregon, but not in just the right way.
