that should be shunned by all autoists who are in a hurry to get home for supper according to G. W. Johnson, Jr., who says he knows all about the soft spot in the road. Wednesday afternoon Mr. Johnson was driving along the road and thought to save time by driving across the hole instead of around it. The bottom fell out of the road and the running boards rested upon the mud and let the wheels spin. He walked half a mile across a field to secure the assistance of a man and team but when they hooked on to the auto the ropes snapped. They walked a mile down the road to secure a chain and then the harness broke in a dozen places but still the auto did not budge an inch. They then borrowed a set of harness

Silent Robbers or Some Sound Sleepers
San Bernardino, Cal., Feb. 25.—While a score of lodgers in a hotel overhead slept soundly, vengeance early today descended upon the safe in the Wilson jewelry store on Third street. Lured the battle air shop next door and made good their escape with gems worth \$1,000 and other booty valued at several hundred dollars.
The robberies were discovered when the stores were opened this morning. Police believe an automobile was used by the burglars. Entrance was gained by picking the locks.

CHAMPION BOXERS TO APPEAR AT SMOKER TO BE HELD MARCH 1

Al Sommers, Romeo Hagen, Billy Mascott, and Jockey Bennett Matched

The next smoker to be pulled off in this city by the Capital City Athletic club will be Wednesday, March 1, according to Manager Bobby Evans, who returned from Portland last night with Billy Mascott. Al Sommers, the popular light heavyweight, will meet Romeo Hagen, of Seattle. Hagen boxes at 158 pounds and is known as one of the best boys in the northwest while Sommers showed in the last smoker that he was no novice at the two handed game.
Hagen and Sommers are both boxers of the same type and their bout is expected to be a hummer from the tale of the goon.
Billy Mascott who showed himself to be some what of a speed demon with his hands and feet at the last smoker will be matched for eight rounds with Jockey Bennett, the veteran featherweight of Portland. These two boys have met before in an encounter which resulted in a draw but Billy intends to show a new burst of speed when they meet this time. Against Ping Bodie, Mascott was unable to show to the best advantage as Bodie took particular pains to keep his head covered up and swing at random. Bennett, however, is a faster boxer and is willing to absorb a punch or two with the privilege of a return and Bobby Evans says he expects this to be the fastest mill of the evening.
Earl Zimmerman, the speedy youngster who boxes at 114 pounds will meet young Abe Trambatus. Young Trambatus has all of the speed that his older brother lacks and is touted as one of the corners of the boxing game. His manager, Jack Faye, says that the young Romanian is the best boy of his weight in the northwest and Ed Tracy, who manages Zimmerman, says the same things about his charge. As a result the two little fellows will be coached to do their best for eight rounds and the winner will be matched with Abe Gordon, the newsboy boxer, who made a big hit with the Salem fans during the smoker pulled off during the state fair last year.
The three eight round boxing matches will make up the entire card for Wednesday's smoker and no preliminary bouts will be arranged between local boxers. Manager Bobby Evans is of the opinion that the local boys should have more experience before they appear before the public in regular matches and the trained boxers are able to put up better exhibitions of the fistier art. Consequently the ambitious local youngsters will be worked out in the gymnasium for some time before they will appear on the regular card.
The smoker will be staged at Ryan's hall which will be put into condition for the smoker and new seating arrangement will be put in for the coming exhibition.

Y. M. C. A. Intermediates Trim O. S. T. S. 37 to 16

The Y. M. C. A. Intermediates easily defeated the quintet from the Oregon State Training school in the association gymnasium last night by the same score of 37 to 16. At no time did the training school boys lead the intermediates. Two weeks ago the intermediates were defeated by the training school on the training school's floor.
In basket shooting Brooks, for the intermediates, excelled in the first half while Hayes, who was substituted for Brooks, threw six field baskets in the second half. Rowland, Radcliff and Minton played strong defensive games for the intermediates. Rowland's spectacular and timely dribbling brought credit to the intermediates.
The lineup and score follows:
Training School Intermediates
Collins (6) F Brooks (9)
McKethen (4) F Turner
Hullbrook (6) G Kavanagh (2)
Doering (6) G Minton
Feeley (6) G Radcliff (8)
Wilson S Rowland (5)
Wilson S Hayes (12)

Final score: Intermediates 37, Training school 16.
Officials: L. M. McKinney, referee; B. S. Radcliff, timer; Oscar B. Gingrich, scorer.

WANT GAME AT PULLMAN

Seattle, Wash., Feb. 25.—J. E. Bohler, athletic director at Washington State college, has sent word from Corvallis, where he was last night with the Pullman basketball squad, that officials of the Pullman school demand the proposed Thanksgiving day football game between Washington State and the University of Washington be played at Pullman.
Graduate Manager J. Arthur Younger of the U. of W., says the matter will be taken up at the next meeting of the board.

FAST TIME WAS MADE ON NEW ASCOT PARK

Sixteen Entries Made For Sweepstakes — Baseball Club Sells for \$500,000

Los Angeles, Cal., Feb. 25.—Fast time was registered on the new Ascot park mile speedway today by drivers warring up their powerful motors for the races there Sunday.
Sixteen entries have been received for the main event—the \$5,000 George Washington sweepstakes, and the list contains many names of pilots who have won fame on many world famous courses.
Among those who tried out the new paving today were Bob Burman, the "speed king" in a Peugeot, Hughie Hughes in the English Sunbeam, Eddie Pullen in a Mercer, Earl Cooper in a Stutz, R. C. Runt in his Durant Special, Teddy Teteloff in the "home made" Milne and Eddie O'Donnell in the Deussenberg.

Say These Have a Chance.
New York, Feb. 25.—"Chick" Evans and Francis Guimet are picked as the only amateurs who have a chance at the American open golf championship, since the announcement today by Jerome D. Travers, present champion that he will not be able to participate on account of business. Travers says he will be able to compete in only one tournament and that will be the National amateur.

Preparing For Football.
Berkeley, Cal., Feb. 25.—Preparations for the fall's football season will begin at the University of California, in earnest next week when Andy Smith, newly chosen coach of the blue and gold will arrive here to take up his duties. Smith will be introduced to the student body at a rally next Thursday night and is expected to begin work on the squad at once.
All of the men who performed for California last fall will be back excepting Canfield, Saunders, Lockhardt, Hazeltine and Duddleston.

Club Sold for \$500,000.
Cleveland, Ohio, Feb. 25.—Charles W. Sommers received a trifle less than \$500,000 for the Cleveland American league baseball club, it was announced today. Transfer of the property has been completed to a syndicate of which James C. Dunn, of Chicago is the head.

Boxing at Seattle.
Seattle, Wash., Feb. 25.—Eddie Shannon lightweight, came back long enough last night to box a four round draw with Chet Self at the Elks club. On the same card, Charles Givens and Bert Forbes, feather, went to a draw. Leo Houck and Len Holliday, a couple more feathers, did the same thing.

Miller Refuses to Risk Title.
Portland, Or., Feb. 25.—Walter Miller has refused to hang up his gold studded middleweight championship belt as a trophy for the match next Tuesday night between himself and Eddie O'Connell. He wants a longer time in which to train if he risks the belt. Miller said in a letter written from San Francisco.
O'Connell professed to be greatly displeased at this news. A suspicious bunch of fans, however, immediately yelled "frame up," and Miller's refusal to risk his title has again cast a cloud over the wrestling game in Portland.

Women's Race Exciting.
Seward, Alaska, Feb. 19.—Viv Valdez, Feb. 25.—Although Miss F. Pincette came in second in the women's dog race over a 15 mile course at Anchorage there is a great demand for souvenirs of her efforts. Miss Pincette lost her skirt when her team of dogs began to scrap with another team, and she finished the race in her petticoat.
Mrs. Casey Jones, driving a team of six bird dogs, won the race, though her dogs broke away from her on the return lap. She ran after them for two miles, caught up with them and won the race in one hour and 40 minutes.

Champion Willard Reaches Metropolis

New York, Feb. 25.—Looking fit, Champion Jess Willard arrived in the metropolis today. A dozen fight boys, a flock of reporters and a host of camera men were on hand in a heavy rain to greet him.
"I'm going to beat Frank Moran as quickly as I can," he said of his forthcoming 10-round go. "I'm weighing 238 pounds now, but I expect to remove 10 pounds by a course of training which I will start tomorrow. I will look over my quarters this afternoon."
