SALTS IN HOT WATER

CLEAR'S PIMPLY SKIN
Says We Must Make Kidneys Clean the Blood and Pimples Disappear

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very ducts which absorb only nourishment to sustain the body. It is the functions of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities, which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive, harmless and made from the acid of grapes and lemon juice, combined with bicarbonate which you have a pleasant, effervescent drink which usually makes pimples disappear, cleanses the blood and is excellent for the kidneys as well.

BETTER BABIES WEEK

The week beginning March fifth will be one of several special days and all national to some extent. Beginning March 1 and extending until the 9th will be known as "Better Babies" which will be observed by the American Federation of Women and the Children's Welfare movement. Then Tuesday, March 7 will be properly observed in a national movement as Burbank day. And on Friday, March 10 the National of Salmon Day, when everybody who has the chance will order twice as the salmon. The hotels and restaurants are supposed to feature salmon and provide a special menu, so tempting that the eater thereof will crave a serving of salmon daily and thereby do his part in supporting an industry that means \$6,500,000 annually to Oregon.

HOTSTELLER-KAUFFMAN

Mr. M. H. Hostetler and Mrs. Mollie Kauffman were quietly married at the home of the bride one and a half miles east of town Saturday evening, February 19. Bishop A. P. Troyer, of Zion church officiated. The ceremony was performed in the presence of the families of the contracting parties at 7:30. After the ceremony refreshments of ice cream, pie and cake were served.

Mr. Hostetler has for a number of years been foremost in the teaching of vocal music in the communities east of Hubbard as well as other places and Monday evening a number of the former students with their friends called at the Hostetler home and spent the evening very pleasantly.

The many friends of Mr. and Mrs. Hostetler wish them a long and happy life.—Hubbard Enterprise.

PROPOSED CITY ORDINANCE

Automobiles will perhaps find it convenient to slow up while passing school houses if an ordinance passes which will be submitted to the council at its next meeting. The danger to children from automobiles was brought to the attention of the city council by the following letter, written February 12 and presented to the council at the last meeting:

"To the City Council of Salem: Hon. Sirs—The Parent Teachers' circle of the Lincoln school requests the city council to erect speed limit signs on South High street and enforce the law for the safety of the school children who have to use the street, there being no continuous sidewalks. Respy, "Mrs. Fred McIntyre, Secy."

Silver Lake Leader: Jason C. Moore arrived in Paisley from New York on Tuesday, coming in by way of Reno and Lakeview. He is here looking after the bottling of large quantities of water from Sumner and Albert lakes for shipment to New York for analysis. This is being done for the benefit of the many friends of back of Mr. Moore. In a message from Mr. Moore soon he is spending money in this community in the construction work and furtherance of the enterprise.

Kidney Trouble Leads To Terrible Tortures

Hundreds of sufferers from pains in the back and sides, bladder and urinary disorders, lumbago, rheumatism, dizziness, puffiness under the eyes or in the feet and ankles, nervousness, tired or worn out or headachy feeling, don't seem to realize that the greater part of all sickness today can be avoided by keeping the kidneys working properly. If you suffer from any of the many agonies that accompany weak, clogged-up or diseased kidneys you should not neglect yourself another day and run the risk of serious complications. Secure a package of Solvax, the wonderful new kidney remedy which is very inexpensive yet gets quick relief and has been so uniformly successful that Daniel J. Fry and other leading dealers in this vicinity will guarantee relief or refund the money. No other kidney remedy we believe ever had a large enough percentage of cures so that it could be sold in this manner. A quantity like this speaks volumes for the medicine yet gets quick relief and has been so uniformly successful that Daniel J. LOSES SIGHT OF HIS EYE

Alphonse Rubens, who met with a serious accident last week while splitting wood by having a piece of iron wedge lodge in his left eye, and who was taken to Portland where the piece was removed had some hopes of saving the eye, but inflammation set in to such an extent that it was found necessary to remove the eye.

It is reported that he is recovering nicely and will be able to have a glass eye fitted in a week or so.

While the loss of an eye is a serious misfortune, especially if a young person, Alphonse and his parents are taking it philosophically, Gervais Star.
