

ITS AT THE CHICAGO STORE AND NO PLACE ELSE THE BOMBARDMENT

IS Now at Full Blast The Second Gun Has Been Fired at the Big Chicago Store I AM UP IN ARMS

And am now making a clean sweep of all merchandise at the Chicago Store. Nothing is being spared; every piece of merchandise is on the alter of an unmerciful slaughter, which means that for tomorrow, will mark the biggest day in merchandising that ever went on record in Salem. Be on the grounds tomorrow and share in the volley of merchandise, that will be thrown to the mercy of the public, at prices that will shatter, demoralize, and paralyze all competition into unknown recognition. Don't let anything stop you. I've made the prices, its up to you to buy.

R. D. CARPENTER WILL SPEAK HERE MARCH 14
Business Manager of Meier & Frank to Make Address On Co-operation

Through the efforts of the Business Men's League of the Commercial Club and Manager O. H. Luck, the business men of the city as well as professional will have an opportunity of hearing a practical business talk from a man who has made good. This man is R. D. Carpenter, business manager for the Meier & Frank store at Portland and it goes without saying that a man who can hold the job as business manager for a firm like Meier & Frank, will have something to say.

Through the Business Men's League an invitation will be extended to the 800 members of the Commercial Club to hear Mr. Carpenter and the address will be given in the auditorium of the club next Tuesday evening, March 14.

Mr. Carpenter writes regarding his talk as follows:
"I shall speak on 'Co-operation, the Key Note of Modern Merchandising.' In handling this subject, I shall say something regarding the necessity of co-operation between all business interests in a given community, the necessity for co-operation between manufacturers and the necessity for co-operation within a given business organization."

"I shall also say a few words in regard to what mercantile establishments can do towards assisting our educational institutions. And your members may be interested in hearing something about present market conditions, which at this time, constitute the most discussed subject in the business world."
Mr. Carpenter also wrote that he would devote one hour to the address.

DANDRUFF SURELY DESTROYS THE HAIR

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you do not.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arsenic apply it at night when retiring, use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it. You will find, too, that all itching and itching of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arsenic at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

WILL NOT WEAR 'EM

Santa Monica, Cal., Mar. 8.—Queen Park's Easter Sunday parade will be short of its bathing suit girls. This was one of the results today of the ministerial opposition to the parade.

Replying to Rev. J. W. Boyd's "Good bye, God, I'm going to California," sermon, R. J. Hadden, secretary of the chamber of commerce before a mass meeting of business men explained that the parade will not be a bathing suit parade, but a fashion parade such as that to be seen in the vicinity of any church Easter morning.

PRACTICAL PRESCRIPTION FOR SOUR ACID STOMACHS

Nine-tenths of all cases of stomach trouble nowadays are caused by too much acid. In the beginning the stomach itself is not diseased but if this acid condition is allowed to continue the acid is very likely to eat into the stomach walls and produce stomach ulcers which may render a radical surgical operation necessary even to prolong life. Therefore, an "acid stomach" is really a dangerous condition and should be treated seriously. The excess acid or stomach hyperacidity must be neutralized by bicarbonate of soda in teaspoonful doses in a fourth of a glass of water after each meal. Larger quantities may be used if necessary as it is absolutely harmless. Be sure to ask your druggist for the bicarbonate of soda as no other form of soda is as effective as the bicarbonate.

GARY MUST SHOW UP

Youngstown, Ohio, Mar. 9.—If Judge E. H. Gary doesn't come here voluntarily for trial, we will bring him," declared Prosecutor A. M. Henderson today.

Gary and officers of six big steel corporations have been indicted on a charge of violating the Valentine anti-trust law of Ohio. The indictment was an outgrowth of the strike riots at East Youngstown.

Henderson today expected to fix a date for the Gary trial.

TO KEEP YOUR SKIN FREE FROM HAIRS
(Beauty Topics.)

If you are willing to spend a few minutes time in your room using a delicate paste, you can easily banish any ugly, hairy growth without discomfort or injury. The paste is made by mixing some water with a little powdered delatone. This is then spread over the hairy surface and after about 2 minutes rubbed off and the skin washed. You will not be disappointed with this treatment, providing you get real delatone.

If the carrier does not give service notify the office.

SLAUGHTER TRIAL IS ON THIS MORNING

Jury Completed Last Night-- Minister Realizes Gravity of Situation

Orville, Cal., Mar. 9.—Gertrude Lamson, 15-year-old school girl, was expected to be the first witness today in the Rev. Madison Slaughter's trial on a charge of attacking her.

With the jury completed, Slaughter arrived at court today accompanied only by his wife. His daughters had been barred as possible witnesses. There was no more laughing and joking among the minister and his friends. They seemed to realize a critical moment in Slaughter's life had arrived.

It was reported District Attorney Leonard planned a surprise by calling defense witnesses to the stand before the Lamson girl and asking them questions which would prevent Slaughter later establishing an alibi. Mrs. Carl Camper, of Chico, was reputed to be a new state witness who would give important testimony. An air of tension was manifested in court today, the crowd waiting eagerly to hear who would first be summoned.
