SALUTED THE BABY

(By United Press)

London, Mar. 13—The following sidelights on war was seen on a London street today. A British officer, carrying his arm in a sling, was preparing to step off a street car when a young woman, dressed in deep mourning, a baby in her arms, stepped on the platform. The child cried "Daddy" with embarrassing enthusiasm on seeing the officer. The passengers giggled. The officer blushed but tears rushed into the eyes of the young widow. In an instant the tragedy of war was revealed to everybody. The wounded officer drew himself up stiffly and saluted the baby. This tribute to the dead father froze any further merriment and the incident was closed.

Public Service Commissioner Frank J. Miller returned today from eastern Oregon, where he went to investigate the wreck of a freight train on the Shannan branch about two miles from Biggs station. The wreck was caused by the wheat being piled too high on a freight car and the excessive speed of the train causing the car to topple over on a sharp curve. Eight cars were piled up with the wheat laden car and one followed the engine a mile down the track where they all piled up killing the fireman, L. Keeter, and J. W. Simpson, the brakeman. The total damage was about \$10,000. The engineer lost control of the train on a grade through the failure of the brakes to hold properly.

The new books at the public library are such as to please the reading tastes of all sorts of people, from those who wish to read on "Good Manners For All Occasions" and for those who wish to become public speakers. Dr. Woods Hutchinson writes on "Common Diseases" and there are other new books for the deep students, even for those who are willing to try "Twelve Principles of Efficiency."

SUGGESTIONS TO SICK WOMEN

How Many Are Restored To Health.

First.—Almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful periods, displacements, pain in the side, burning sensation in the stomach, bearing down pains, nervousness, dizziness and sleeplessness.

Second.—The medicine most successful in relieving female ills is Lydia E. Pinkham's Vegetable Compound. It regulates and strengthens the organism; it overcomes disease.

For forty years it has been making women strong and well, relieving backache, nervousness, ulceration and inflammation, weakness, displacements, irregularity and periodic pains. It has also proved invaluable in preparing for childbirth and the Change of Life.

Third.—The great number of unsolicited testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, are proof of the value of Lydia E. Pinkham's Vegetable Compound, in the treatment of female ills.

Fourth.—Every ailing woman in the United States is cordially invited to write to the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for special advice. It is free, will bring you health and may save your life.
