### "I'M THE GUY"

When you get puffing along at a Smile-a-Minute gait behind a pipeful of mild, mellow, good-for-a-fellow "Tux" you're bound to become the Cheer Leader on the road to Success.

Tuxedo develops more joy-power to the pipeful than any other tobacco -why? Because it's the only tobacco made that will not "bite"-nor even try to "bite"-the

most sensitive tongue and throat.

Tuxedo is made by the original, secret "Tuxedo Process"—the only process that removes all sting and harshness from tobacco. And the tobacco used in Tuxedo is the ripest, mildest leaf grown-aged 3 to 5 years to delightful fragrance and mellowness.

Tuxedo is widely imitated (did you ever hear of anything original and worth while that wasn't?), but-when you call for a show-down in your pipe, imitation brands will quickly bite their way out and leave you and Tuxedo together in peace.
