## NERVOUS WOMEN!

It's The Same Everywhere in Oregon.

Portland, Oregon.—"I was for six months troubled with nervousness, and the doctor said I had consumption. Through the advice of a friend I took Dr. Pierce's Favorite Prescription and was completely cured. I am now in middle life and am in good health."—  
Mrs. G. W. MATHIS, 1476 E. 8th St., N. Dr. Pierce's Favorite Prescription is and has been for nearly 50 years just the medicine that every woman needs when passing through the changing days. It is not a secret prescription, for its ingredients are printed on the wrapper; it's a temperance medicine. Not only does it build up the entire system and make it strong and vigorous enough to withstand the organic disturbances, but it has a quieting effect upon the feminine organism that reduces the distress to a minimum. For any womanly ailment, disease or complaint, no matter of how long standing, we advise anxious women to get Dr. Pierce's Favorite Prescription, in either liquid or tablet form.

## Governor Is Warned In Nick of Time of Japanese Invasion

Governor Withycombe was warned today that this state was likely to be invaded by Japan, a small country on the opposite side of the Pacific ocean which was prominently mentioned in the public with W. J. Bryan and the orange crop in California. The letter was sent from La Crosse, Wis., by a man who evidently fears that a Japanese Zeppelin will be blown inland and may not be able to stop on this coast. "It has just struck me," says the writer, that this attack by P. Villa may have been inspired and financed by Japan—and I imagine it was—that the Pacific coast states should keep their state troops, volunteers and ammunition at hand to guard against a surprise attack, either by local Japanese or from over seas."

### WILLAMETTE NOTES

The junior class was awarded first place last night in the annual freshman glee, which was held at the First Methodist church.

The freshmen received second while the sophomores followed with a close third. The glee was given in the church in order that everyone who desired to hear it might find room but last night's crowd proved convincingly that next year's glee will need to be staged in a larger auditorium. For the church was packed by 8 o'clock and many were forced to leave on account of lack of standing room. The church was a mass of green, having been decorated by the freshmen committee, under the leadership of "Andy" Castille and Fred Otto, with fir branches and delicate white dogwood blossoms. High over the green arch in the choir loft glowed a gilded '19. The decorations were of a different style than that of previous years and yet it contrasted very favorably. The program given last night was as follows:

### TODAY'S AID TO BEAUTY

An especially fine shampoo for this weather can be easily made at trifling expense by simply dissolving a teaspoonful of caustrox in a cup of hot water. Pour slowly on scalp and massage briskly. This creates a soothing, cooling lather that dissolves and removes all dandruff, excess oil and dirt. Rinsing leaves the scalp spotlessly clean, soft and pliant, while the hair takes on a glossy richness of natural color, also a fluffiness which makes it seem very much heavier than it is. After a caustrox shampoo arranging the hair is a pleasure.
