### **ENRICH THE BLOOD**

Hood's Sarsaparilla, a Spring Tonic Medicine, is Necessary.

Everybody is troubled at this season with loss of vitality, failure of appetite, that tired feeling, or with billous turns, dull headaches, indigestion and other stomach troubles or with pimples and other cruptions on the face and body. The reason is that the blood is impure and impov-

rished.

Hood's Sarsaparilla relieves all these allments. It is the old reliable medicine that has stood the test of forty years,—that makes pure, rich red blood—that strengthens every organ and builds up the whole system. It is the all-the-year-round blood-purifier and health-giver. Nothing else acts like it, for nothing else is like it. There is no real substitute; so be sure to get Hood's Ask your druggist for it today, and begin taking it at once.
