

isn't that lovely!!

Take the trail of any real wise smoker with a pipe between his teeth and snatch a mellow whiff of fragrant "Tux."

Then you'll right away hunt up the nearest tobacco shop and gladly intern a dime in exchange for a green tin of pure smoke-delight.

"Tux" is going ahead of them all with a speed that makes it look like a race between a 60-horse-power motor-car and a steam roller. It's the fastest-growing brand of smoking tobacco in the world.

DAVID J. PALMER. Commander in chief Grand Army of the Republic

"Under the gentle, cheerful influence of a mild, pleasant tobacco like Tuxedo, a man can south better and sest better. I like Tuxedo very much."

Savid & Palmer

The Perfect Tobacco for Pipe and Cigarette

Tuxedo is the ariginal Burley smoking tobacco, that made pipe-

smoking possible to many men, and the original "Tuxedo Process" has never been duplicated. It stands today as the most effective treatment for making the natural leaf deliciously mild and delightfully fragrant and for removing every trace of "bite." Spend a week with Tuxedo. Then it will be just one week after another.
